WINNER 2019 NAUTILUS BOOK AWARDS The Children s Fire forges a trail into Britain s wild and ancient Celtic past It
locates the fragments of a story that still has resonance today the pulse and surge of an older wisdom that cracks the
mendacity of the shopping mall s vacuous promise It is a passionate evocation of a generous inclusive diverse and spiritually
significant world the world of our longing In the winter of 2009 Mac Macartney walked from his birthplace in England across
Wales to the island of Anglesey once the spiritual epicentre of Late Iron Age Britain navigating by the sun and the stars with
no map compass stove or tent and in the coldest winter for many years The Children s Fire records that journey and seeks to
lay bare the aching loss of knowing and understanding sacredness as it applies to everything ordinary that brings joy to the
human heart It asserts the emergence of a new story the story of a people coming home to a truth made all the more
poignant having so painfully broken faith with nature our deeper humanity and the paradise we fouled with such casual
disrespect It is a love story and part of a larger narrative that is surfacing all around the world It seeks to reclaim our future
and name it beautiful *The School Librarian* ,1996 **Child Soldiers, Adult Interests** John-Peter Pham,2005 This book
weaves a narrative of the history of Sierra Leone from its foundation as a settlement for black slaves who fought for the
British Crown during the American Revolution through the events of the civil war with a discussion of more general
geopolitical lessons to be learned from the recent conflict its origins and settlement In addition the book contains six
appendices that render the present work the first comprehensive history of Sierra Leone since the classic studies published
more than a generation ago by Christopher Fyfe and John Peterson an invaluable reference on conflict resolution in general
as well as the West African country in particular including a chronology of select events in the history of Sierra Leone and the
