Macarthurs Undercover War

Sterling Seagrave, Peggy Seagrave

Macarthurs Undercover War:

MacArthur's Undercover War William B. Breuer, 1995-05 Guadalcanal Midway the battle for the Philippines In each of these critical conflicts intelligence played a crucial role in bringing about an Allied victory General MacArthur's brilliant Pacific campaign was designed around espionage and guerrilla warfare This is the story of his undercover war Praise for William B Breuer's Previous Works An exciting narrative presented by a first rate story teller Publishers Weekly on The Great Raid on Cabanatuan A first class historian The Wall Street Journal Another smasher by Breuer who specializes in thrilling reports of WWII spycraft and warfare Kirkus Reviews on Race to the Moon Fast paced detailed and satisfyingly dramatic World War II magazine on Devil Boats Vivid skillfully written Los Angeles Times on Retaking the Philippines Brings to life how airborne soldiers survived how the human will prevails against overwhelming enemies tactical failures and even death The New York Times on Geronimo American Paratroopers in World War II MACARTHUR'S UNDERCOVER WAR The covert war General Douglas MacArthur waged against Japanese forces in the Pacific arena was the largest undercover operation ever undertaken Here for the first time is the complete story of the legendary exploits and heroism of the thousands of courageous individuals who fought as spies guerrillas propagandists and saboteurs behind enemy lines When the Japanese war juggernaut overran the Philippines it took a near miraculous PT boat escape for MacArthur to make his way to safety in Australia He left behind a force of seventy thousand American and Philippine troops marooned on the Bataan Peninsula To these brave men the general vowed I shall return Against overwhelming odds MacArthur succeeded Crucial to his success was his massive covert war effort MacArthur created his own undercover warfare agency the super secret Allied Intelligence Bureau AIB to organize the many far flung resistance groups They were the coast watchers jungle wise miners traders and planters missionaries and telegraph operators who occupied remote Pacific islands living in the most primitive conditions while keeping a constant vigil for Japanese movement They were American soldiers who escaped the Bataan Peninsula and were commanding guerrilla armies in the interior mountain and jungle locations of the Philippines And they were double agents operating right under the noses of the Japanese in Manila occupying positions close to the Imperial Army and in the collaborationist Philippine government The phenomenal success of MacArthur's island hopping hit em where they ain't campaign was built on the accuracy of the intelligence gathered by the AIB Early in the conflict the Americans cracked the secret Japanese naval code and established a chain of intelligence radio monitoring posts circling the Japanese empire from Alaska to Australia The information garnered from their interceptions of Japanese transmissions and from operatives on the ground allowed MacArthur to pick soft targets islands the Japanese had left relatively unguarded for invasion It was the steel nerves and unbounded resourcefulness of those who fought the secret war that paved the way for MacArthur's Great Return to the Philippines and saved the lives of countless American soldiers In an action packed narrative MacArthur's Undercover War tells of thrilling feats of valor and derring do impossible missions to blow up harbors kidnap heads of state undermine

currency and arrange prison escapes all deep within enemy territory Firsthand interviews with veterans and information from previously unpublished documents reveal a riveting tale of World War II that has never been fully told **Awaiting MacArthur's Return** James Villanueva, 2022-10-07 Over the course of World War II guerrillas from across the Philippines opposed Imperial Japan's occupation of the archipelago Although the guerrillas never possessed the combat strength to overcome the Japanese occupation on their own they disrupted operations kept the spirit of resistance alive provided important intelligence to the Allies and assumed frontline duties fighting the Japanese By examining the organization motivations capabilities and operations of the guerrillas James Villanueva argues that the guerrillas were effective because Japanese punitive measures along with a strong sense of obligation and loyalty to the United States pushed most of the population to support the guerrillas Unlike their predecessors opposing the Americans in 1899 the guerrillas during World War II benefited from the leadership of US and Filipino military personnel and received significant aid and direction from General Douglas MacArthur's Southwest Pacific Area SWPA Headquarters conducting one of the most effective and sophisticated resistance campaigns in World War II *Awaiting MacArthur's Return* is the first comprehensive comparative analysis of the major World War II guerrilla groups across the Philippine Archipelago providing a fuller picture of the nature of the war in the Southwest Pacific and revealing the extent to which the guerrilla movement affected operations for both Allied and Imperial Japanese forces Analyzing the organizational effectiveness of the guerrillas resisting the Japanese occupation of the Philippines this book alternates narrative chapters with thematic chapters examining the guerrillas organization logistics administration intelligence gathering and the support they received from Allied forces and provided the Allies in turn Villanueva offers the most in depth analysis of the guerrillas military organization and effectiveness in the context of existing theories of insurgency and counterinsurgency while using an extensive body of memoirs archival guerrilla and US Army and Navy records and translations of Japanese documents and interviews with Japanese officers *The MacArthur Highway and Other Relics of American Empire in the Philippines* Joseph P. McCallus, 2010 It has been more than a century since the American conquest and subsequent annexation of the Philippines Although the nation was given its independence in 1946 American cultural authority remains In order to locate and lend significance to the relics of American empire Joseph McCallus retraces the route Gen Douglas MacArthur took during his liberation of the country from the Japanese in 1944 and 1945 While following MacArthur's footsteps he provides a historical and geographical account of this iconic soldier's military career accompanied by a description of the contemporary Philippine landscape McCallus uses the past and the present to explore how America influenced the country's political and educational systems and language as well as the ramifications of the continued U S military presence and the effects of globalization on traditional Filipino society He examines the American influence on its architecture and introduces to the reader the American expatriate business community people who have lived in the Philippines for decades and continue to help shape the nation *The MacArthur*

Highway and Other Relics of American Empire in the Philippines is an absorbing look at how American military intervention and colonial rule have indelibly shaped a nation decades after the fact **A Companion to World War II** Thomas W. Zeiler, Daniel M. DuBois, 2012-12-21 A Companion to World War II brings together a series of fresh academic perspectives on World War II exploring the many cultural social and political contexts of the war Essay topics range from American anti-Semitism to the experiences of French African soldiers providing nearly 60 new contributions to the genre arranged across two comprehensive volumes A collection of original historiographic essays that include cutting edge research Analyzes the roles of neutral nations during the war Examines the war from the bottom up through the experiences of different social classes Covers the causes key battles and consequences of the war *Men Of Destiny: The American And Filipino Guerillas During The Japanese Occupation Of The Philippines* Major Peter T. Sinclair II, 2015-11-06 The American and Filipino guerrillas that fought against the Japanese occupation of the Philippines were key in providing direction to resistance efforts and in the eventual liberation of the islands The guerrillas escaped the aggressive counter guerrilla efforts of the Imperial Japanese Army The Japanese failure to deal with isolated soldiers and civilians provided the time they needed to organize into guerrilla groups and prepare for American forces liberation of the Philippines This analysis of American and Filipino insurgents covers the effectiveness of Japanese counter guerrilla efforts the intelligence structure created by General Douglas MacArthur s staff to support the guerrillas the guerrilla s contributions to the liberation of the Philippines and it examines how Americans would form guerrilla groups and fight as insurgents behind enemy lines if circumstances warranted Additionally it provides general insight as to how resistance movements form *The Leatherneck* ,1996 **Loyalty First** David A. Foy, 2023-08-31 Finalist 2023 Army Historical Foundation Distinguished Writing Awards provides critical texture to a historical figure often left pilloried without full context The balanced treatment of a complex flawed leader is valuable to understanding MacArthur s command and an instructive lesson for today s intelligence professionals and those who rely on intelligence to guide their decisions *Aether A Journal of Strategic Airpower Spacepower* Major General Charles A Willoughby served as Douglas MacArthur s stalwart chief intelligence officer G 2 for over a decade throughout World War II and the Korean War This first full biography examines Willoughby s shadowy origins in his native Germany his curious arrival in the United States and his military service in World War I as well as his work during the interwar years as a junior diplomat budding historian and neophyte intelligence officer His chance encounter with MacArthur in the mid 1930s would prove to be the genesis of a near symbiotic relationship between the two with significant consequences for both Throughout his life Willoughby identified with strong authoritarian leaders notably Franco and especially MacArthur The author also assesses Willoughby s performance as a professional intelligence officer both in World War II and Korea where he is often vilified for his inaccurate assessments of enemy strength and most likely courses of action as well as his sycophantic relationship with his commander Willoughby is most often criticized for his failing to foresee the entry of Chinese forces into the Korean War

and its impact upon the US Army and the prosecution of the war Following MacArthur's removal by President Truman in 1951 Willoughby retired and spent the rest of his days engaged in right wing political activity and in staunchly defending his much maligned boss The legacy he left is one filled with lingering and important questions about loyalty to superiors in civilian as well as military environments how far that loyalty should extend and walking the tightrope involved in telling truth to power

World War II in Literature for Youth Patricia Hachten Wee, Robert James Wee, 2004 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource [Air Force Magazine](#) , 1995-07

The Yamato Dynasty Sterling Seagrave, Peggy Seagrave, 2001-08-14 In The Yamato Dynasty Sterling Seagrave who divulged the secrets of Mao Tse tung and the ruthlessness of Chiang Kai shek in the New York Times bestseller The Soong Dynasty and his wife and longtime collaborator Peggy present the controversial never before told history of the world's longest reigning dynasty the Japanese imperial family from its nineteenth century origins through today In the first collective biography of both the men and women of the Yamato Dynasty the Seagraves take a controversial comprehensive look at a family history that crosses two world wars the bombing of Hiroshima and Nagasaki the American occupation of Japan and Japan's subsequent phoenix like rise from the ashes of the Second World War The Yamato Dynasty tells the story of the powerful men who have stood behind the screen the shoguns and financiers controlling the throne from the shadows taking readers behind the walls of privilege and tradition and revealing in uncompromising detail the true nature of a dynasty shrouded in myth and legend

Behind the Lines Michael F. Dilley, 2013-09-30 The array of new technologies that came on the scene in the early 20th century resulted in widely varied new forms of military special operations once civilization embarked on its greatest war Suddenly fighting men could be delivered by parachute submarine glider jeeps and fast amphibious craft deep into enemy territory to perform special tasks yet others would continue to perform missions the same as their ancestors in previous wars on foot using stealth endurance and patience This work contains discussions of the employment of various special purpose special mission organizations during World War II These units operated in Allied and Axis countries and in various theaters of war including Europe North Africa the Pacific Asia and the continental United States Representing every major combatant the operations include various kinds of raids intelligence gathering missions support to partisan guerrilla groups prisoner rescues direct action missions and at least two where the object was simply to steal something Some missions would have been officially denied if the operations had been caught in the act The book is divided into two sections Behind Enemy Lines and Behind Friendly Lines to demonstrate that special purpose organizations can be employed wherever needed even in areas controlled by military units

of their own or allied countries Many of the units described run the gamut of special mission types from commando to parachute units reconnaissance to sabotage units and partisan training units as well as those with combined missions Many of the operations described in this book continue to serve as templates for modern Special Operations missions while still others the first attempts of their kind continue to serve as examples of what not to try under the circumstances Michael F Dilley served for 20 years in the U S Army s Military Intelligence branch After retiring from the Army the author served for about ten years as an employee of the Department of Defense then as a contractor for various U S Government agencies in several fields for 15 years Author of several books and many articles a number of these chapters are based on his previous writings for the legendary Behind the Lines magazine

War and Resistance in the Philippines, 1942-1944 James K Morningstar, 2021-04-15 War and Resistance in the Philippines 1942 1944 repairs the fragmentary and incomplete history of events in the Philippine Islands between the surrender of Allied forces in May 1942 and MacArthur s return in October 1944 No book has comprehensively examined the Filipino resistance during this crucial period Here James Kelly Morningstar provides for the first time a comprehensive history of the protracted fighting by 260 000 guerrillas in 277 units across the archipelago Beginning with the Japanese occupation the collapse of the United States Forces Far East USAFFE and the simultaneous rise of the complex diverse Philippine guerrilla movements Morningstar exposes the inadequacy of MacArthur s conventional plans while revealing his inchoate preparation for guerrilla resistance Morningstar then recounts in detail the impromptu resistance led by refugee American and Filipino soldiers local politicians and social revolutionaries left to battle the Japanese and each other with emphasis on how Japanese American and Filipino actions influenced and proscribed each other From a distance MacArthur contacted select guerrillas and organized agents to deliver supplies and radios to them by submarine In this way he empowered some to gain power as part of a united framework under his leadership This not only kept alive the resistance that denied the Japanese exploitation of the Philippines while setting the conditions for MacArthur s return it also ensured that no one guerrilla leader could challenge America s supremacy MacArthur s selective support to guerrilla groups that encouraged continued Filipino dependence on the United States would prove fatal for the incipient Maoist social revolution on Luzon Even so the Filipinos shared sacrifice in their act of resistance fueled a national consciousness that created a sense of deserved nationhood War and Resistance in the Philippines 1942 1944 concludes with a brief discussion of legacies of the guerrilla resistance MacArthur s return reestablished the power of American and Filipino political elites Guerrillas and other citizens who had experienced exceptional hardship now had to fight for recognition However the war had resulted in a more united Philippine national identity along with new political institutions to repair the divisions between the formerly exiled government the collaborationists and the members of resistance These momentous years of struggle in the Philippines changed the tide of history and challenge our understanding of war and resistance

Great Military Leaders William T. Worthington, 2002 Great Military Leaders A Bibliography with Vignettes

Political Leaders and Military Figures of the Second World War Steven D. Chambers,1996 This bibliography is a compilation of approximately 3500 English language works by and about the major political leaders and military figures of the Second World War The bibliography is intended to aid librarians in answering reference questions concerning what works are available on a certain individual to aid graduate and undergraduate students in researching potential historical topics and to aid the general reader in choosing a good biography of a particular individual

US Special Warfare Units in the Pacific Theater 1941-45 Gordon L. Rottman,2013-08-20 The bitter fighting in the Pacific Theater required new forms of warfare and the gathering of detailed intelligence information on the remote and varied islands and their determined defenders As a result new scout raider and reconnaissance units were formed the pioneers of today s special forces Some units were small while others comprised thousands of men All contributed significantly to the war effort This book examines a wide range of PTO special warfare units including the Alaskan and Alamo scouts 5217th 1st Recon Battalion Marine Amphibious Recon and Raider units Amphibious Scouts and 6th Ranger Battalion

Military Review ,1997

Professional Journal of the United States Army ,1997

The Luzon Campaign 1945 Nathan N. Prefer,2025-08-05 A full account of the Luzon campaign from the planning stages to the surrender of the Japanese general Yamashita The Luzon campaign of 1945 was the longest island campaign of the Pacific War lasting from January 1945 to September 1945 and only ended with the surrender of Imperial Japan It is often overlooked or mentioned in passing by most histories of that war yet hundreds of thousands of Americans and Japanese fought in some of the worst conditions imaginable for eight months to clear Luzon of the invaders This full account of the Luzon campaign stretches from planning stages to the end of the war and the surrender of over 50 000 Japanese troops under the noted Japanese general Yamashita The landings at Lingayen Gulf the Battle for Manila and the recapture of Corregidor are all included as well as lesser known battles for the summer capital of Baguio the battle for Manila s water supply constant jungle fighting the raids to rescue Allied POWs the recapture of Bataan destruction of the only Japanese armored division to fight in the Pacific American parachute drops on Corregidor and Aparri and much more Individual acts of heroism are highlighted as are the interactions among the senior commanders involved including General MacArthur General Krueger 6th Army and General Eichelberger 8th Army The book ends with the surrender of Imperial Japan and the end of the Luzon Campaign in September 1945

Organizing Global Technology

Flows Pierre-Yves Donzé,Shigehiro Nishimura,2013-11-12 Research on the international transfer of technology in economics and management literature has primarily focused on the role of countries and that of companies in particular multinational enterprises MNEs Similarly economic and business historians have tended to view international technology transfer as a way for economically backward countries to acquire new technologies in order to catch up with more developed economies This volume provides a more in depth understanding of how the international transfer of technologies is organized and in particular challenges the core periphery model that is still dominant in the extant literature By looking beyond national

systems of innovation and statistics on foreign trade patent registration and foreign direct investment the book sheds more light on the variety of actors involved in the transfer process including engineers entrepreneurs governments public bodies firms etc and on how they make use of a broad set of national and international institutions facilitating technology transfer Put differently the volume offers a better understanding of the complexity of global technology flows by examining the role and actions of the different actors involved By bringing together a number of original case studies covering many different countries over the period from the late 19th to the 21st century the book demonstrates how technology is being transferred through complex processes involving a variety of actors from several countries using the national and international institutional frameworks

Vendetta! William B. Breuer, 2008-04-21 1960 As the Cold War reaches its height so does postwar prosperity and the American people celebrate their optimism by electing as president the young charismatic John F Kennedy Just 90 miles from the United States the Cuban people are celebrating the rise of Fidel Castro their own young and charismatic populist leader who overthrew Batista's oppressive regime Around the world a rising tide of Communism is absorbing one country after another President Kennedy vowing to keep Communism out of the Western Hemisphere knows he must confront Castro It will mean not only testing his own resolve but maintaining a precarious balancing act Kennedy cannot allow the United States to be seen as weak yet he cannot be too aggressive and risk nuclear annihilation How then to weaken Castro's grip on Cuba without forcing a showdown between the United States and the Soviet Union With the aid of his attorney general his younger brother Robert the new president in effect declares a secret war against Fidel Castro enlisting the CIA and Cuban refugees During the next few years the Kennedys and Castro engage in the most dangerous and covert duel of the Cold War a fierce vendetta that will take the world to the brink of nuclear confrontation Now in this powerful eye opening new book William B Breuer reveals the startling truth behind the Cuban crisis of the early 1960s From the Bay of Pigs to Guantanamo Bay and the October 62 missile crisis Breuer exposes how John and Robert Kennedy worked together to expand the clandestine sometimes illegal activities to eliminate Castro *Vendetta* is a riveting account of recent history complete with spies saboteurs guerrillas murder plots and kidnappings told in the hard hitting dramatic style that has won the author critical acclaim as a chronicler of military intrigue Based on new firsthand interviews with many of the people who directed and participated in the Kennedys secret war *Vendetta* includes candid recollections from a host of government officials who are talking about these events for the first time among them W Raymond Wannall former assistant director of the FBI and Theodore Shackley the CIA official who directed the covert actions from Miami As this fascinating chapter of modern day intrigue unfolds we are swept into the middle of the action from tense conferences in the Oval Office to terrifying encounters at Guantanamo Bay where American backed forces stood outnumbered and surrounded by Cuban troops *Vendetta* is William B Breuer at his very best real life espionage political fact and folly thrilling adventure and intrigue Critical Acclaim for William B Breuer *SHADOW WARRIORS* Absorbing with colorful yarns as suitable for serious students of

history as for fans of cloak and dagger mayhem military style Publishers Weekly An engrossing tale of unsung heroes and high risk missions penetrates the little known espionage propaganda and guerrilla operations of the Korean War Kirkus Reviews FEUDING ALLIES A valuable resource highly recommended Booklist
