Macmillan Dictionary Of Irish Literature:

The Macmillan dictionary of Irish literature Macmillan and Co. Ltd, 1985 *Dictionary of Irish Literature* Robert Goode Hogan, 1997-01-31 Though Ireland is a small island with some four million inhabitants it has produced one of the most remarkable bodies of literature in the world Many Irish authors such as Jonathan Swift Oscar Wilde George Bernard Shaw William Butler Yeats and James Joyce are among the most widely read and closely studied writers in the English language The Irish literary renaissance during the earlier decades of the 20th century prompted authors to incorporate traditional Irish myths and legends in their works and the last 15 years have witnessed a dramatic explosion of publishing activity in Ireland Dictionary of Irish Literature , 1985 **Dictionary of Irish Literature** , 1996 **The Language of Irish Literature** Loreto Todd, 1989-06-19 The Language of Irish Literature is the first book on the market to discuss Irish Literature in terms of the history of and the linguistic contacts in the island It provides a description of the development of the varieties of English in Ireland concentrating on the input from Irish Gaelic and Scots as well as English It examines the history of English in Ireland the nature of Irish and of Irish Englishes oral traditions songs and stories and the three main literary genres drama poetry and prose *Dictionary of Irish Literature* , 1996 Irish Literature Maureen O'Rourke Murphy, James MacKillop, 1987 Irish Writing in the Twentieth Century David Pierce, 2000 With five Nobel Prize winners seven Pulitzer Prize winners and two Booker Prize winning novelists modern Irish writing has contributed something special and permanent to our understanding of the twentieth century Irish Writing in the Twentieth Century provides a useful comprehensive and pleasurable introduction to modern Irish literature in a single volume Organized chronologically by decade this anthology provides the reader with a unique sense of the development and richness of Irish writing and of the society it reflected It embraces all forms of writing not only the major forms of drama fiction and verse but such material as travel writing personal memoirs journalism interviews and radio plays to offer the reader a complete and wonderfully varied sense of Ireland's contribution our literary heritage David Pierce has selected major literary figures as well as neglected ones and includes many writers from the Irish diaspora The range of material is enormous and ensures that work that is inaccessible or out of print is now easily available The book is a delightful compilation including many well known pieces and captivating discoveries which anyone interested in literature will long enjoy browsing and dipping into **The Prose Literature of the Gaelic Revival, 1881-1921** Philip O'Leary, 2011-12-31 The Gaelic Revival has long fascinated scholars of political history nationalism literature and theater history yet studies of the period have neglected a significant dimension of Ireland's evolution into nationhood the cultural crusades mounted by those who believed in the centrality of the Irish language to the emergent Irish state This book attempts to remedy that deficiency and to present the lively debates within the language movement in their full complexity citing documents such as editorials columns speeches letters and literary works that were influential at the time but all too often were published only in Irish or were difficult to access Cautiously

employing the terms nativist and progressive for the turnings inward and toward the European continent manifested in different authors this study examines the strengths and weaknesses of contrasting positions on the major issues confronting the language movement Moving from the early collecting or retelling of folklore through the search for heroes in early Irish history to the reworking of ancient Irish literary materials by retelling it in modern vernacular Irish O Leary addresses the many debates and questions concerning Irish writing of the period His study is a model for inquiries into the kind of linguistic literary movement that arises during intense nationalism *A Source Book for Irish English* Raymond Hickey, 2002-01-01

Volume 5 Eve Patten, 2020-03-12 This volume explores the history of Irish writing between the Second World War or the Emergency in 1939 and the re emergence of violence in Northern Ireland in the 1970s It situates modern Irish writing within the contexts of cultural transition and transnational connection often challenging pre existing perceptions of Irish literature in this period as stagnant and mundane While taking into account the grip of Irish censorship and cultural nationalism during the mid twentieth century these essays identify an Irish literary culture stimulated by international political horizons and fully responsive to changes in publishing readership and education The book combines valuable cultural surveys with focussed discussions of key literary moments and of individual authors such as Se n O Faol in Samuel Beckett Edna O'Brien and John McGahern *History and Violence in Anglo-Irish Literature*, 2022-07-11 **A Reference Guide for English**

Studies Michael J. Marcuse, 2023-11-15 *Mid-Victorian Poetry, 1860-1879* Catherine Reilly, 2000-01-01 These two volumes list late and mid Victorian poets with brief biographical information and bibliographical details of published works The major strength of the works is the discovery of very many minor poets and their work unrecorded elsewhere **Unauthorized**

Versions José Lanthers, 2000 Certain moments in history especially periods of cultural turmoil and political change appear to be conducive to the writing of Menippean satire Unauthorized Versions is the first integral study of Menippean satires written in Ireland in the three decades following the declaration of the Irish Free State in 1922 The book discusses works by Darrell Figgis Eimar O'Duffy Austin Clarke Flann O'Brien and Mervyn Wall in the context of political and social developments particularly relating to economic policy the role of the Church and censorship Mikhail Bakhtin defines Menippean satire as an unresolved dialogue between actual and or implied voices designed to test a truth or philosophical idea The Irish satirists of the first half of the twentieth century use medieval Ireland as a setting for addressing contemporary concerns or borrow characters from medieval Irish texts that they place in a modern context Each satire thus creates a series of dialogues between the past and present between characters who represent opposing values and ideologies and between the older texts and their modern reworkings Unauthorized Versions reveals the double bind at the core of every Menippean satire Each writer discussed in the book expresses an awareness of the paradox of an author writing in the vacuum created by official

censorship seeking to engage his audience in the dethroning of the very authorities by whom he is deprived of his audience. By revealing his own ambiguous position the satirist knowingly subverts his own authority along with that of his opponents. This study will appeal to students and scholars interested in Irish literature, genre studies, the reception of the Middle Ages, and the relationship between literature and history. Jos Lanters, associate professor of classics at the University of Oklahoma, will begin her position as associate professor of English at the University of Wisconsin Milwaukee in Fall 2000. She is author of *Missed Understandings: A Study of Stage Adaptations of the Works of James Joyce* and coeditor of *Troubled Histories: Troubled Fictions: Twentieth Century Anglo Irish Prose*. Irish satire in the twentieth century has awaited a critic as intelligent and well informed as Jose Lanters, whose *Unauthorized Versions* nicely complements Vivian Mercier's pioneering efforts. For several of the works she discusses, Lanters here provides the only substantial criticism they have received to date. Her approach combines sensitivity to form and expression with a constant attentiveness to historical context, while her study is anchored in a lucid and suggestive use of Bakhtin. Every library with an interest in Irish writing will want this book. R. Brandon Kershner, Alumni Professor of English, University of Florida. Lanters' well argued volume will be a valuable resource for the study of modern Irish prose at the upper division undergraduate level and above. *Choice*. Works discussed in *Unauthorized Versions*: Darrell Figgis, *The Return of the Hero*; Eimar O'Duffy, *King Goshawk and the Birds*; *The Spacious Adventures of the Man in the Street*; Asses in Clover; Austin Clarke, *The Bright Temptation*; *The Singing Men at Cashel*; *The Sun Dances at Easter*; Flann O'Brien, *At Swim Two Birds*; *The Third Policeman*; Mervyn Wall, *The Unfortunate Fursey*; *The Return of Fursey*. *The Church and Literature*. Ecclesiastical History Society. Summer Meeting, Ecclesiastical History Society. Winter Meeting, 2012. A wide ranging and impressive collection which illuminates the enduring relationship between the Church and literary creation. *The Indigenous Voice of Poetomachia*. Sayan Dey, Robert Masterson, 2018-04-18. In the present era when all of human civilization is struggling to preserve their individualities as a result of global commercialism and totalitarianism, theatre and drama play a metonymic role in composing and shaping aspects of human existence. However, there is debate as to how much the text and the stage are able to play a significant role towards staging individual voices on the vast global platform. This book, a collection of twelve essays and two interviews from scholars across the world, explores the different perspectives of textuality and performance. The analytical mode of the plays analysed here reveals different possible directions of dramatic reading. It represents a comprehensive study of drama and theatre, and the contributions will serve as an asset for both undergraduate and graduate students. The indigenous perspectives, both in terms of theatre and drama, provided here push the reader beyond the prevailing clichéd drama and theatre studies. **Walford's Guide to reference material.** Albert John Walford, 1995. **Post/Imperial Encounters**. Juan E. Tazón Salces, Isabel Carrera Suárez, 2021-11-22. Spanish and English are two of the most widely spoken languages in today's world and are linked by a colonial presence in the Americas that has often provoked turbulent relations between Britain and Spain. Despite abundant exchanges between

Spain and the British Isles and evident contact in the Americas cross cultural analyses are infrequent and ironically language barriers still prevail in a world the media and globalization would appear to render borderless English and Hispanic Studies have seldom converged the islands of the Caribbean continue to be separated by language while the new empire the United States has difficulty in admitting to its Hispanic component let alone recognizing that the name America encompasses a wider continent Post Imperial Encounters Anglo Hispanic Cultural Relations attempts to bridge this gap through articles on literature history and culture that concentrate primarily on three periods the colonial interventions of Britain and Spain in the Americas the Spanish Civil War and the present world with its global culture and new forms of colonialism **Women**

Writers in the Romantic Age John Claiborne Isbell, 2025-04-17 This groundbreaking book offers a comprehensive review of six hundred and fifty women writers from over fifty national traditions spanning Europe and the Americas during the transformative years of 1776 to 1848 Framed by revolutionary upheavals the book explores how women writers shaped and reflected Romanticism's global currents It fills a critical scholarly gap connecting disparate traditions and uncovering voices often overlooked in male dominated literary histories Through concise entries the book names every woman writer identified in its vast research from celebrated figures like Phillis Wheatley to lesser known authors whose manuscripts lay buried in archives Each entry provides essential biographical details while select excerpts in seventeen languages bring these voices to life revealing how women navigated the era's revolutionary ideals and patriarchal barriers Structured democratically the volume treats all writers equally whether anonymous pseudonymous or celebrated in their time It highlights their diverse experiences poets and novelists abolitionists and suffragists mothers and mill workers From memoirs to political tracts their works testify to the rich tapestry of women's contributions to Romanticism By illuminating these stories this book challenges national silos offering a panoramic view of Romanticism as a truly transnational female inclusive phenomenon It represents a go to resource for students and interested readers while setting the ground for future scholars to expand this vital field of study
