Mad About Us Gary J. PhD Oliver, Carrie Oliver, 2007-10-01 Gary and Carrie Oliver have written a practical book to help couples focus their passion in ways that lead to trust understanding and intimacy They want Christian couples to develop Christ centered marriages and that includes dealing with issues that prevent intimacy such as fear frustration and anger They demonstrate how the energy or passion of the God given emotion anger can actually be harnessed in ways that build and strengthen a marriage relationship and free couples from one of Satan's most destructive weapons unhealthy anger For more than a quarter of a century Dr Gary Oliver has pioneered and served the needs of pre married and married couples nationwide I know Gary to be a good man and an authentic man who has faithfully loved and cared for the needs of his wife Carrie as she has battled cancer for the last couple of years There is no greater statement of a man's life than the private love and commitment that he shows for his wife Dennis Rainey Dr Gary Oliver is not only my key mentor in life but the person who actually helped me really understand what's beneath the power of anger and what you can do about it Gary Smalley

Mad About Maddie Cheryl Anne Porter, 2014-11-25 Everybody of picturesque Hanscomb Harbor knows about pretty shop owner Maddie Copeland's bad luck Getting bitten by a dog has made her absolutely phobic about the critters getting left at the altar has made her just as scared of romance But when a summer resident a dear yet quirky old man named James dies and leaves a will behind naming Maddie as his heir her luck starts to look up that is until she meets James's handsome bachelor grandson When Henry Hank Madison III hears the terms of his wealthy grandfather's will he is outraged If he wants

to remain acting CEO of James's corporation Hank must live in Hanscomb Harbor for six weeks with not a laptop in sight And if that isn't bad enough he has to share his inheritance with some blond bombshell But Hank isn't about to let some gold digger rob him of what's rightfully his even if she does take his breath away every time she is near and even if he is hopelessly losing his heart to her

God Is Not Mad at You Joyce Meyer, 2013-09-03 When bestselling author Joyce Meyer posted God's not mad at you on Facebook she didn't anticipate that her words would trigger thousands of responses of gratitude and relief Apparently many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge In GOD IS NOT MAD AT YOU Joyce will help those who haven't truly received God's love because they are afraid of His anger and disapproval She explores the source of this confusion so His genuine character can be better understood and His love can be experienced on an entirely new level Chapter titles include Perfectionism and Approval The Pain of Rejection Guilt and Shame Developing Your Potential Run to God Not from Him Getting Comfortable with God It is important for us to remember that God's anger is directed toward our sinful behavior rather than toward us If you feel guilty right now and are afraid that God is mad at you then you are miserable But your misery can be immediately changed to peace and joy by simply believing God's Word Believe that God loves you and that He is ready to show you mercy and forgive you completely Believe that God has a good plan for your life Believe that God is not mad at you Joyce Meyer

Sometimes They Came Back Ron Neff Ph.D, 2022-08-11 Markus owned and was duly proud of a well used but still fast and flashy Porsche sports coupe Was that flashy car one of the reasons that young

pretty after young pretty came chasing after him Only a freshman in college Markus had no idea Women were a mystery to be sure Albeit a welcome mystery Sometimes he thought he d really like to find the one But what was the rush In the meantime this fledging undergraduate had become a collector When one of his flames dumped him she would often leave behind a bracelet an earring or two a scarf or some other personal item Markus would stash away any such item with care It was a way to keep a part of every one of those lovers with him Besides sometimes they came back Markus was a dreamer He was also an incurable romantic That s why he stashed away every little item a lost partner might leave behind Every one of those cuties was special to him And maybe just maybe one of those special cuties would come back someday not to claim her lost item or two But to claim him If only it were that simple Love never is of course Instead Markus finally had to admit that his heart had made a claim of its own

MAD AT GOD David M. Leyden,2013-12-30 Over the past few years as I have worked with teens and young adults I have witnessed an increasing sense of restlessness and despair in young people in today s world They feel rejected by a world that many of them view as cold sterile uncaring and void of love Physical activity as a form of recreation is being replaced by thumbs tapping on keypads True friends are being replaced by media acquaintances Teens find themselves trapped in a world where morals are eroding and electronic bullying is the standard Music movies YouTube and social media celebrate sex violence and evil The family unit is becoming a thing of the past The world as they see it is spiraling out of control and there is nowhere for them to turn for moral guidance and love More and more teens tell me they are disillusioned by the world they live in and many have lost hope Increasingly high school students are considering suicide Because of the violence and corruption done in the name of religion today many young people reject God as an answer to their hopelessness They want no part of a God who would create a world like the one they live in today Mad At God is about one such teenager It is my hope that this book will help teenagers discover the truth about God This book gives honest and straightforward answers to the questions teens are asking about God today They are challenging and frank questions that demand answers It has been my experience that once their questions are answered teens begin to look at God in a different light Many teens today are uncertain and fearful about the future They are bombarded with images of a world coming to an end I have included a section in this book that outlines the future for the world as set out in the Bible in a manner that is logical and easy for young people to understand Once presented with this information many teens discover their need for God The purpose of this book is to help teens find faith in God If they are mad at God perhaps they won t be after reading this book

The Words and Music of Sting Christopher R. Gabel, Christopher Gable, 2008-12-30 Sting has successfully established himself as one of the most important singer songwriters in Western popular music over the past twenty years His affinity for collaborative work and disparate musical styles has pushed his music into an astonishing array of contexts but no matter what the style or who the collaborator Sting s voice always remains distinct and this fact has earned him success amongst a correspondingly broad audience The Words and Music of Sting subdivides Sting s life and works into rough periods of creative activity and offers a fantastic opportunity to view Sting s many stylistic changes within a coherent general framework After analyzing Sting s musical output album by album and song by song author Christopher Gable sums up Sting s accomplishments and places him on the continuum of influential singer songwriters showing how he differs and relates to other artists of the same period Aside from his commercial success Sting is also interesting for the use of recurring themes in his lyrics such as family relationships love war spirituality and work and for his use of jazz and world music to illustrate or work against the meaning of a song Sting s life also sheds light on his music as his working class roots in Newcastle England are never far removed from his international superstardom Throughout his life he has been musically open minded and inquisitive always seeking out new styles and often incorporating them into his compositions
