Mad As Hell:

Mad as Hell Dave Itzkoff, 2014-02-18 The Riveting Story Behind the Iconic Film Network and Its Prophetic Vision of Media Power and Society I m mad as hell and I m not going to take this anymore Those words spoken by an unhinged anchorman named Howard Beale the mad prophet of the airwaves took America by storm in 1976 when Network became a cultural sensation With a superb cast including Faye Dunaway William Holden Peter Finch and Robert Duvall directed by Sidney Lumet the film won four Academy Awards and indelibly shaped how we think about corporate and media power In Mad As Hell Dave Itzkoff of The New York Times recounts the surprising and dramatic story of how Network made it to the screen Such a movie rarely gets made any more one man s independent vision free from studio testing or market research And that man was Paddy Chayefsky the tough driven Oscar winning screenwriter whose outlandish vision is all too real today Itzkoff uses interviews with the cast and crew as well as Chayefsky s notes letters and drafts to re create the action in front of and behind the camera at a time of swirling cultural turmoil The result is a riveting account that enriches our appreciation of this prophetic and still startling film Itzkoff also speaks with today s leading broadcasters and filmmakers to assess Network s lasting impact on television and popular culture They testify to the enduring genius of Paddy Chayefsky who foresaw the future and whose life offers an unforgettable lesson about the true cost of self expression **Mad as Hell** Willis Rowell, 1984 **Dodgerland** Michael Fallon, 2016-06-01 The 1977 78 Los Angeles Dodgers came close Their tough lineup of young and ambitious players squared off with the New York Yankees in consecutive World Series The Dodgers run was a long time in the making after years of struggle and featured many homegrown players who went on to noteworthy or Hall of Fame careers including Don Sutton Steve Garvey Davey Lopes and Steve Yeager Dodgerland is the story of those memorable teams as Chavez Ravine began to change baseball was about to enter a new era and American culture experienced a shift to the me era Part journalism part social history and part straight sportswriting Dodgerland is told through the lives of four men each representing different aspects of this L A story Tom Lasorda the vocal manager of the Dodgers gives an up close view of the team s struggles and triumphs Tom Fallon a suburban small business owner witnesses the Dodgers season and the changes to California s landscape physical social political and economic Tom Wolfe a chronicler of California s ever changing culture views the events of 1977 78 from his Manhattan writer s loft and Tom Bradley Los Angeles s mayor and the region s most dominant political figure of the time gives a glimpse of the wider political demographic and economic forces that affected the state at the time The boys in blue drew baseball s focus in those two seasons but the intertwining narratives tell a larger story about California late 1970s America and great promise unrealized *The Promise and Perils of Populism* Carlos de la Torre, 2015-01-13 From the protesters in Cairo s Tahrir Square to the Tea Party in the United States to the campaign to elect indigenous leader Evo Morales in Bolivia modern populist movements command international attention and compel political and social change When citizens demand power to the people they evoke corrupt politicians imperialists or oligarchies that

have appropriated power from its legitimate owners These stereotypical narratives belie the vague and often contradictory definitions of the concept of the people and the many motives of those who use populism as a political tool In *The Promise and Perils of Populism* Carlos de la Torre assembles a group of international scholars to explore the ambiguous meanings and profound implications of grassroots movements across the globe These trenchant essays explore how fragile political institutions allow populists to achieve power while strong institutions confine them to the margins of political systems Their comparative case studies illuminate how Latin American African and Thai populists have sought to empower marginalized groups of people while similar groups in Australia Europe and the United States often exclude people whom they consider to possess different cultural values While analyzing insurrections in Latin America advocacy groups in the United States Europe and Australia and populist parties in Asia and Africa the contributors also pose questions and agendas for further research This volume on contemporary populism from a comparative perspective could not be more timely and scholars from a variety of disciplines will find it an invaluable contribution to the literature

Extremism in America George Michael, 2013-12-10

The American Republic was born in revolt against the British crown and ever since political extremism has had a long tradition in the United States To some observers the continued presence of extremist groups and the escalation of their activities portends the fragmentation of the country while others believe such is the way American pluralism works The word extremism often carries negative connotations yet in 1964 Barry Goldwater famously said Extremism in the defense of liberty is no vice Extremism in America is a sweeping overview and assessment of the various brands of bigotry prejudice zealotry dogmatism and partisanship found in the United States including the extreme right the antiglobalization movement Black Nationalism Chicano separatism militant Islam Jewish extremism eco extremism the radical antiabortion movement and extremist terrorism Many of these forms of single minded intolerance are repressed by both the state and society at large but others receive significant support from their constituencies and enjoy a level of respectability in some quarters of the mainstream The essays in this volume written by area specialists examine the relationship between these movements and the larger society dissect the arguments of contemporary American anarchist activists look at recent trends in political extremism and suggest how and why such arguments resonate with a considerable number of people

Dogfight Calvin Trillin, 2012-11-20 In his latest laugh out loud book of political verse Calvin Trillin provides a riotous depiction of the 2012 presidential election campaign Dogfight is a narrative poem interrupted regularly by other poems and occasionally by what the author calls a pause for prose Callista Gingrich Aware That Her Husband Has Cheated On and Then Left Two Wives Who Had Serious Illnesses Tries Desperately to Make Light of a Bad Cough With the same barbed wit he displayed in the bestsellers Deciding the Next Decider Obviously On He Sails and A Heckuva Job America's deadline poet trains his sights on the Tea Party These folks were quick to vocally condemn All handouts but the ones that went to them and the slapstick field of contenders for the Republican nomination Though first tier candidates were mostly out Republicans were asking What about The second tier or what about the third Has nothing from those other tiers been heard There is an ode to Michele Bachmann sung to the tune of a Beatles classic Michele our belle Thinks that gays will all be sent to hell and passages on the exit of candidates like Herman Cain Although his patter in debates could tickle Cain's pool of knowledge seemed less pool than trickle and Rick Santorum The race will miss the purity That you alone endow We'll never find another man Who's holier than thou On its way to the November 6 finale Trillin's narrative takes us through such highlights as the January caucuses in frigid Iowa To listen to long speeches is your duty And getting there could freeze off your patootie the Republican convention It seemed like Clint his chair and their vignette Had wandered in from some adjoining set and Mitt Romney's secretly recorded 47 percent speech which inspired the I Got the Mitt Thinks I'm a Moocher a Taker not a Maker Blues
