t take a proper decision My intent is not to harm Islam in any way but to encourage more critical thinking using reason and logic It s the accepting of ideas hammered into your head from childhood without critically examining those ideas with an adult mind It s the idea of being so committed to something being true one loses all ability to reason and think logically My goal for this book is to make you think about certain ideas harder than you ever did before I want to make you question your own beliefs and think about how you came to hold those beliefs in the first place I want you to challenge any of my ideas that do not make sense to you or ideas with which you disagree I am simply going back to the very beginning literally and critically examine some of the more universally accepted beliefs that we hold today As you follow me on this journey it s my hope that you will see that the idea of divine revelation may just be a lot more human than divine      *The Naked And The Undead* Cynthia Freeland, 2018-03-05 Horror is often dismissed as mass art or lowbrow entertainment that produces only short term thrills Horror films can be bloody gory and disturbing so some people argue that they have bad moral effects inciting viewers to imitate cinematic violence or desensitizing them to atrocities In *The Naked and the Undead* Evil and the Appeal of Horror Cynthia A Freeland seeks to counter both aesthetic disdain and moral condemnation by focusing on a select body of important and revealing films demonstrating how the genre is capable of deep philosophical reflection about the existence and nature of evil both human and cosmic In exploring these films the author argues against a purely psychoanalytic approach and opts for both feminist and philosophical understandings She looks at what it is in these movies that serves to elicit specific reactions in viewers and why such responses as fear and disgust are ultimately pleasurable The author is particularly interested in showing how gender figures into screen presentations of evil The book is divided into three sections Mad Scientists and Monstrous Mothers which looks into the implications of male rationalistic scientific technology gone awry The Vampire s Seduction which explores the attraction of evil and the human ability or inability to distinguish active from passive subject from object and virtue from vice and Sublime Spectacles of Disaster which examines the human fascination with horror spectacle This section concludes with a chapter on graphic horror films like *The Texas Chainsaw Massacre* Written for both students and film enthusiasts the book examines a wide array of films including *The Silence of the Lambs* *Repulsion* *Frankenstein* *The Fly* *Dead Ringers* *Alien* *Bram Stoker s Dracula* *Interview with the Vampire* *Frenzy* *The Shining* *Eraserhead* *Hellraiser* and many others      *The Bookman's Wake* John Dunning, 2012-08-21 Denver cop turned bookdealer Cliff Janeway is lured by an enterprising fellow ex policeman into going to Seattle to bring back a fugitive wanted for assault burglary and the possible theft of a priceless edition of Edgar Allan Poe s *The Raven* The bail jumper turns out to be a vulnerable young woman calling herself Eleanor Rigby who is also a gifted book finder Janeway is intrigued by the woman and by the deadly history surrounding the rare volume Hunted by people willing to kill for the antique tome a terrified Eleanor escapes and disappears To find her and save her Janeway must unravel the secrets of the book s past and its mysterious maker for only then can he stop the hand of death from turning another page      **Skipper Worse** Alexander L.
