Modern Drama and Opera, 1911 *Bulletin of Bibliography*, 1912 *Bulletin of Bibliography Magazine Subject Index-dramatic Index*, 1909 **Bulletin of Bibliography and Magazine Subject-index**, 1909 **Giacomo Puccini**

Linda B. Fairtile, 2013-10-08 Scholarly recognition of Giacomo Puccini's achievements as a musical dramatist has been growing steadily for more than 75 years. This useful volume surveys and evaluates close to 700 books and articles about the composer written in English, Italian, German, French, and Spanish. Additional features include an essay on the evolution of Puccini studies, an annotated discography, videography, a guide to manuscript materials, and a list of organizations devoted to Puccini. This useful volume surveys and evaluates close to 700 books and articles about the composer written in English, Italian, German, French, and Spanish. Additional features include an essay on the evolution of Puccini studies, an annotated discography, videography, a guide to manuscript materials, and a list of organizations devoted to Puccini. *Madama Butterfly/Madamu Batafurai* Arthur Groos, 2023-02-16 Puccini's famous but controversial *Madama Butterfly* reflects a practice of temporary marriage between Western men and Japanese women in nineteenth-century treaty ports. Groos's book identifies the plot's origin in an eye-witness account and traces its transmission via John Luther Long's short story and David Belasco's play. Archival sources many unpublished reveal how Puccini and his librettists imbued the opera with differing constructions of the action and its heroine. Groos's analysis suggests how they constructed a contemporary music drama with multiple possibilities for interpreting the misalliance between a callous American naval officer and an impoverished fifteen-year-old geisha, providing a more complex understanding of the heroine's presumed marriage. As an orientalizing tragedy with a racially inflected representation of Cio Cio San, the opera became a lightning rod for identity politics in Japan while also stimulating decolonizing transpositions into indigenous theatre traditions such as Bunraku puppet theatre and Takarazuka musicals. **Sexual Naturalization** Susan Koshy, 2004 Situating her discussion within the context of the history of antimiscegenation regulation in the United States and its construction of power relations and racial meaning, Koshy, English and Asian American studies, U of Illinois at Urbana-Champaign, conducts close readings of narratives of white Asian miscegenation in order to track the shifts in racial and sexual ideologies encoded in the texts. Paying particular attention to the differences in the way Asian man/white woman dyads and white man/Asian woman dyads signified, differing representations of Asian assimilability, she looks at John Luther Long's *Madame Butterfly*, D.W. Griffith's film *Broken Blossoms*, the writings of Filipino American Carlos Bulosan and *Wife and Jasmine* by Indian American Bharati Mukherjee. *Theatre Histories* Bruce McConachie, Tobin Nellhaus, Carol Fisher Sorgenfrei, Tamara Underiner, 2016-02-26 This thoroughly revised and updated third edition of the innovative and widely acclaimed *Theatre Histories: An Introduction* offers a critical overview of global theatre and drama spanning a broad wealth of world cultures and periods. Bringing together a group of scholars from a diverse range of backgrounds to add fresh perspectives on the history of global theatre, the book illustrates

historiographical theories with case studies demonstrating various methods and interpretive approaches Subtly restructured sections place the chapters within new thematic contexts to offer a clear overview of each period while a revised chapter structure offers accessibility for students and instructors Further new features and key updates to this third edition include A dedicated chapter on historiography New up to date case studies Enhanced and reworked historical cultural and political timelines helping students to place each chapter within the historical context of the section Pronunciation guidance both in the text and as an online audio guide to aid the reader in accessing and internalizing unfamiliar terminology A new and updated companion website with further insights activities and resources to enable students to further their knowledge and understanding of the theatre

The Birth of Whiteness Daniel Bernardi,1996 As indelible components of the history of the United States race and racism have permeated nearly all aspects of life cultural economic political and social In this first anthology on race in early cinema fourteen scholars examine the origins dynamics and ramifications of racism and Eurocentrism and the resistance to both during the early years of American motion pictures Any discussion of racial themes and practices in any arena inevitably begins with the definition of race Is race an innate and biologically determined essence or is it a culturally constructed category Is the question irrelevant Perhaps race exists as an ever changing historical and social formation that regardless of any standard definition involves exploitation degradation and struggle In his introduction Daniel Bernardi writes that early cinema has been a clear partner in the hegemonic struggle over the meaning of race and that it was steadfastly aligned with a Eurocentric world view at the expense of those who didn t count as white The contributors to this work tackle these problems and address such subjects as biological determinism miscegenation Manifest Destiny assimilation and nativism and their impact on early cinema Analyses of *The Birth of a Nation* *Romona* *Nanook of the North* and *Madame Butterfly* and the directorial styles of D W Griffith Oscar Micheaux and Edwin Porter are included in the volume

Choreographing Asian America Yutian Wong,2011-07-21 Poised at the intersection of Asian American studies and dance studies *Choreographing Asian America* is the first book length examination of the role of Orientalist discourse in shaping Asian Americanist entanglements with U S modern dance history Moving beyond the acknowledgement that modern dance has its roots in Orientalist appropriation Yutian Wong considers the effect that invisible Orientalism has on the reception of work by Asian American choreographers and the conceptualization of Asian American performance as a category Drawing on ethnographic and choreographic research methods the author follows the work of Club O Noodles a Vietnamese American performance ensemble to understand how Asian American artists respond to competing narratives of representation aesthetics and social activism that often frame the production of Asian American performance

Madama Butterfly (Madam Butterfly) Giacomo Puccini, 2011-02 English National Opera Guides are ideal companions to the opera They provide stimulating introductory articles together with the complete text of each opera in English and the original *Madama Butterfly* is one of the most popular operas of all time despite its disastrous premiere after which it was immediately withdrawn and revised This guide explores how and why the libretto was softened to suit the tastes of European opera goers and the different variants are set out side by side Professor Jean Pierre Lehmann introduces the story and shows how the theme of a Japanese girl deserted by a heartless foreigner became a classic Since John Luther Long s novella on which the opera was based is included as well it is possible to judge how successful Puccini was in catching its essence in his hauntingly beautiful score
