*Madams* Fergus Linnane, 2011-10-24 At a time when there were almost no career openings for women a group of intrepid and gifted females scaled the heights of what was literally a man's world they became bawds Mother Clap women bawds were often known as Mother ran male brothels or Molly Houses Elizabeth Holland had an immense moated mansion built on Bankside and for thirty years entertained the aristocracy including royalty When troops attempted to stop her trade and eject her from the house she and her girls drove them off The Georgian bawd Charlotte Hayes held a Cyprian Fete at which gentlemen of the highest breeding first watched athletic young men copulating with nubile whores and then joined in themselves Fergus Linnane reveals the other side of London's years of pomp and splendour painting a vivid picture of the bawds their girls and their clients *Madams* is fresh and original offering humour insight and a very candid view of the sexual behaviour of Londoners through the ages

*Merchants, Barons, Sellers and Suits* Christa Mahalik, 2010-08-11 *Merchants Barons Sellers and Suits* The Changing Images of the Businessman through Literature originally began as a conversation about a hybrid course at Quinnipiac University Its purpose was to take an online English course for non traditional business majors and create a theme that would be relevant to the business world Being given the task to create this course from the ground up was exciting and intriguing There turned out to be a lot more material that could be used for this theme than previously thought To gauge the temperature of the topic a panel was set up with the theme of businessmen or women and their changing image through literature At the 2009 NeMLA Northeast Modern Language Association conference in Boston the panel was held and many ideas such as some of the ones presented in this book were discussed A secondary theme evolved out of the construction of the first Participants discussed the environment as a catalyst in the change of what a person actually thinks a businessman or woman looks like Many of these images were formed based upon pop culture such as the traveling salesman in the Looney Tunes cartoons who sells brushes door to door and hails from Walla Walla Washington Others were based on the images read about in books such as Willy Loman from *Death of a Salesman* The essays included in this volume presented by doctoral candidates and scholars from across a range of geographical regions and disciplines result in a collection that investigates the idea of the changing image of the businessman throughout literature both in America and in Europe The arrangement of the collection is a comparative timeline allowing the changing images of business to evolve with each essay

the High Court     **Mr. Darley's Arabian** Christopher McGrath,2017-03-07 In 1704 a bankrupt English merchant sent home the colt he had bought from Bedouin tribesmen near the ruins of Palmyra Thomas Darley hoped this horse might be the ticket to a new life back in Yorkshire But he turned out to be far more than that and although Mr Darley s Arabian never ran a race 95% of all thoroughbreds in the world today are descended from him In this book for the first time award winning racing writer Christopher McGrath traces this extraordinary bloodline through twenty five generations to our greatest modern racehorse Frankel The story of racing is about man s relationship with horses and Mr Darley s Arabian also celebrates the men and women who owned trained and traded the stallions that extended the dynasty McGrath expertly guides us through three centuries of scandals adventures and fortunes won and lost our sporting life offers a fascinating view into our history With a canvas that extends from the diamond mines of South Africa to the trenches of the Great War and a cast ranging from Smithfield meat salesmen to the inspiration for Mr Toad and from legendary jockeys to not one but two disreputable Princes of Wales and a very unamused Queen Victoria Mr Darley s Arabian shows us the many faces of the sport of kings     **Eclipse** Nicholas Clee,2012-03-29 Watching Eclipse is the man who wants to buy him An adventurer and rogue who has made his money through gambling Dennis O Kelly is also a known companion to the madam of a notorious London brothel Under O Kelly s management Eclipse would go on a winning streak unparalleled for the next two centuries As journalist Nicholas Clee explores in this captivating romp while O Kelly was destined to remain an outcast to the racing establishment his horse would go on to become the undisputed undefeated champion of the sport Not only a consummate winner Eclipse exemplified the perfect thoroughbred a status he retains even today Eclipse s male line descendants include Secretariat Barbaro and all but three of the Kentucky Derby winners of the past fifty years     Samuel Adams and the Vagabond Henry Tufts Nathaniel Parry,2024-05-17 One a revolutionary leader and the other a vagabond who deserted from the Continental Army Samuel Adams and Henry Tufts appear opposites yet they were two sides of the same coin While one devoted his life to overthrowing British colonial rule and the other to rambling womanizing and stealing horses Adams and Tufts represented the self interested capacity for survival as well as the lofty ideals that made the American Revolution possible When they crossed paths in 1794 with Adams serving as governor of Massachusetts and Tufts a hapless prisoner facing the gallows it was the serendipitous climax of three decades of revolutionary activity and crime Recalling the sometimes complementary roles of virtue and vice in the early republic the story of these two men reflects themes of the American Revolution including class differences among colonists the importance of education in fostering republicanism and the founders emphasis on improving criminal justice It is also a story of redemption both for these two imperfect individuals and for the revolution that they participated in     **Prodigal Daughters** Marion Rust,2012-12-01 Susanna Rowson novelist actress playwright poet school founder and early national celebrity bears little resemblance to the title character in her most famous creation Charlotte Temple Yet this best selling novel has long been perceived as the prime exemplar of female passivity and subjugation in the

early Republic Marion Rust disrupts this view by placing the novel in the context of Rowson's life and other writings Rust shows how an early form of American sentimentalism mediated the constantly shifting balance between autonomy and submission that is key to understanding both Rowson's work and the lives of early American women Rust proposes that Rowson found a wide female audience in the young Republic because she articulated meaningful female agency without sacrificing accountability to authority a particularly useful skill in a nation that idealized womanhood while denying women the most basic rights Rowson herself an expert at personal reinvention invited her readers theatrical audiences and students to value carefully crafted female self presentation as an instrument for the attainment of greater influence *Prodigal Daughters* demonstrates some of the ways in which literature and lived experience overlapped especially for women trying to find room for themselves in an increasingly hostile public arena
