originates in the unconscious When his conscious mind hears them for the first time it is as if they came from another place and so we are in a way an audience to our own humor This approach applied throughout makes complex ideas not only accessible but entertaining and enjoyable as well The result is far from the predictable dry academic thesis This is a learned thoroughly researched study and dazzlingly bright The effervescent approach to writing makes its 951 pages fly by Fritz's dedication is to that miniscule fragment of humanity who read books like this Studies as brilliant as this one deserve a far wider audience An engrossing and mind expanding examination of morality Kirkus Indie Kirkus Media LLC 6411 Burleson Rd Austin TX 78744 indie kirkusreviews      **Billboard** ,2005-02-26 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      **Corpsman** ,1969-06
