**The A to Z of Fantasy Literature** Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

The Star Scroll Melanie Rawn,2005-07-05 Second in the bestselling Dragon Prince series returns to a lush epic fantasy world replete with winged beasts power games of magical treachery and a realm of princedoms hovering on the brink of war Marvelous Anne McCaffrey When Rohan was crowned High Prince and his Sunrunner wife Sioned became High Princess they swore to keep the peace of the lands and preserve the secret of the dragons an inheritance they would one day pass on to their only child Pol heir to both princely and Sunrunner powers But the evil influence of the former High Prince Roelstra had not ended with his death at Rohan's hands And even as Pol grew to manhood other young men were being trained in the ways of war youths

descended from Roelstra and claimed by Rohan's enemies as willing pawns in what could become a bloody battle for succession. Yet not all players in these games of power fought merely with words or swords. For now a foe vanquished by the Sunrunners ages ago was once again growing in strength, an enemy determined to destroy Sunrunners and High Prince alike. And the only hope of defeating these masters of dark sorcery lay in reclaiming the knowledge so carefully concealed in the long lost Star Scroll.

**Exiles** Melanie Rawn, 1995-11-01 The first in a trilogy full of action and romance, politics, subterfuge and magic as family secrets and intrigue threaten an entire nation. Locus A thousand years ago Mageborns fled prejudice and persecution to colonize the planet Lenfell, a pristine, untouched, a perfect refuge for those whose powers were perceived as a threat by people not gifted with magic. But the greater the magic, the greater the peril, and Lenfell was soon devastated by a war between rival Mageborn factions that polluted land, sea and air with Wild Magic and unleashed the hideous specters known as Wraithenbeasts. Generations after that terrible war, with the land recovered from crippling wounds and the people no longer threatened by genetic damage, Mageborns still practice their craft but under strict constraints. Yet so long as the rivalry between the Mage Guardians and the Lords of Malerris continues, the threat of another war is ever present. And someone has been planning just such a war for many long years, the final strike in a generations-old bid for total power.

**Skybowl** Melanie Rawn, 1994-03-01 With her widely acclaimed fantasy trilogy *Dragon Prince*, Melanie Rawn opened an enchanted gateway to a spellbinding universe of Sunrunner's magic and sorcerous evil, telling the tale of one man's crusade to bring peace to a land divided into often warring kingdoms. In the first two novels of the bestselling *Dragon Star* trilogy, the peaceful reign of High Prince Rohan was shattered by a mysterious invasion force which began a devastating campaign against the people of the Desert and the Sunrunners. And now *Skybowl* brings this magnificent epic work of fantasy to its dramatic close. With High Prince Pol's wife Meiglan held prisoner by the Warlord of the enemy and *Skybowl Keep* purposefully abandoned to this deadly foe, Pol's mother Sioned leads a daring mission into the castle, using all her years of experience as High Princess in a cunning attempt to strike at the heart of the invasion force. And even as Sioned carries out this perilous plan, Pol and his cousin Andry, Lord of the Sunrunners of Goddess Keep, are forced into an uneasy alliance. For only if they can overcome their longtime rivalry and suspicions of one another and draw upon their combined powers of Sunrunning and Sorcery do they stand any chance of defeating the invaders who have sworn to destroy the people of the Desert down to the last newborn child.

**Dragon Prince** Melanie Rawn, 2005-06-07 Introducing a lush epic fantasy world replete with winged beasts, power games of magical treachery and a realm of princedoms hovering on the brink of war, combining dragons, a family full of passion and hate, and medieval style politics and warfare, this first installment in the *Dragon Prince* series has all the ingredients to please Locus. When Rohan became the new prince of the Desert, ruler of the kingdom granted to his family for as long as the Long Sands spewed fire, he took the crown with two goals in mind. First and foremost, he sought to bring permanent peace to his world of divided princedoms. And in a land where dragon slaying was a

proof of manhood Rohan was the sole champion of the dragons fighting desperately to preserve the last remaining lords of the sky and with them a secret which might be the salvation of his people Sioned the Sunrunner witch who was fated by Fire to be Rohan's bride had mastered the magic of sunlight and moonglow catching hints of a yet to be formed pattern which could irrevocably affect the destinies of Sunrunners and ordinary mortals alike Yet caught in the machinations of the Lady of Goddess Keep and of Prince Rohan and his sworn enemy the treacherously cunning High Prince could Sioned alter this crucial pattern to protect her lord from the menace of a war that threatened to set the land ablaze Marvelous Anne
