Masculine Domination in Henry James's Novels Wibke Schniedermann, 2020-07-20 This book proposes a new interdisciplinary approach to the gendered power relations in James s novels Reading James s narrative form through the lens of relational sociology specifically Pierre Bourdieu s concept of symbolic domination reconciles some of the most fiercely disputed positions in James studies of the past decades The close readings focus on three novels The Portrait of a Lady The Wings of the Dove and The Golden Bowl providing a systematic relational analysis into the specifically Jamesian method of narrating the socio psychological embodied responses to masculine power and oppression James persistently narrates his characters as social agents whose perception affects and bodily practices are products of the social structures that they in turn continue to shape and reproduce The chapters trace a development throughout James s career that reflects a growing sensitivity for the concealment and attendant misrecognition of gendered domination A Thing Divided John Landau, 1996 The subject of the book is representation in the three major novels of the late phase of James s work The Ambassadors The

Wings of the Dove and The Golden Bowl A chapter is also devoted to a discussion of The Tragic Muse written some ten years earlier which shows James's schematic focus on this question at the middle stage of his career *Reforming Fictions* Carol J. Batker, 2000 A fresh multicultural reading of the work of women writers of the Progressive era that places their fiction in the context of their reform journalism and political activism *Joyce's Love Stories* Christopher DeVault, 2013 In his comprehensive study of love in James Joyce's writings DeVault shows that Joyce frequently ties his characters' personal and political pursuits to their ability to affirm both their loved ones and their fellow Dubliners For Joyce love for others need not compromise one's personal desires but rather offers the possibility of a broader social compassion that creates a more progressive body politic **Alias "Paine"** Betty J. Ownsbey, 2015-01-24 The most enigmatic of the associates of Lincoln assassin John Wilkes Booth Confederate soldier Lewis Thornton Powell using the alias Lewis Paine was a key player in the postwar attempt to undermine the Federal government On the night Lincoln was shot 20 year old Powell burst into the house of William Seward and attempted to assassinate the secretary of state Captured shortly after the assassination Powell stood trial for his crime and was hanged three months later Powell and his role in the conspiracy has been the subject of debate for many years Who was this man This biography attempts to unveil his true character *Henry James and the Suspense of Masculinity* Leland S. Person, 2013-06-15 Using insights from feminist studies men's studies and gay and queer studies Leland Person examines Henry James's subversion of male identity and the challenges he poses to conventional constructs of heterosexual masculinity Sexual and gender categories proliferated in the nineteenth and early twentieth centuries and Person argues that James exploited the taxonomic confusion of the times to experiment with alternative sexual and gender identities In contrast to scholars who have tried to give a single label to James's sexuality Person argues that establishing James's gender and sexual identity is less important than examining the novelist's shaping of male characters and his richly metaphorical language as an experiment in gender and sexual theorizing Just as an author's creations can be animated by his or her own sexuality Person contends James's sexuality may be most usefully understood as something primarily aesthetic and textual As Person shows in chapters devoted to some of this author's best known novels *Roderick Hudson* *The American* *The Portrait of a Lady* *The Bostonians* *The Ambassadors* *The Golden Bowl* James conducts a series of experiments in gender sexual construction and deconstruction He delights in positioning his male characters so that their gender and sexual orientations are reversed ambiguous and even multiple Ultimately he keeps male identity in suspense by pluralizing male subjectivity **Aestheticism** Leon Chai, 1990 [LIFE](#) , 1964-02-07 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **How To Mess Up Your Life With Astrology** , **The Fiery Vixen: A Spicey Historical Enemies to Lovers Regency Romance** Laura A.
