

Me Mother Crow

My brother said mother crows throw their babies
out of the nest; so, it wasn't a kidnaping, but a rescue mission.

Me Mother Crow:

Me Mother Crow Roger William King, 2004-12-01 In *Strays* a woman's hunger for fulfillment leads her into difficulty when she meets a stranger in the course of her volunteer work at an animal shelter. He adopts one of her charges and against her better judgment the two become uneasy friends although he is something of a shady character and the two have nothing in common on the surface. Their love for animals and their need for companionship brings them together and the relationship grows deeper and deeper until the woman is forced to confront her dissatisfaction with her role as wife and mother. The story is a morality play demonstrating the eternal lure of the unfamiliar and the ever-present curiosity about the roads not taken. Jan the heroine would be good if left in peace in fact she knows no other way to be but the vagaries of fate put something irresistible in her path and the impulse to explore the new opportunity becomes more than she can overcome because of her inexperience rather than because of any inner need to break rules or do evil. She is a stray herself cut off from her usual patterns of behavior by the changing family roles and personal values. Her exploration of this new landscape leads her into pain for herself and for those she most cherishes.

The Story King Matt Mikalatos, 2021-06-08 In the third and final installment in the *Sunlit Lands* series the magic of the *Sunlit Lands* has been reset but that doesn't mean all is well. Unrest and discord are growing by the day and Hanali is positioning himself as ruler of the *Sunlit Lands*. But in order for Hanali to seize control there must be a sacrifice one that very few are willing to make. Jason Shula Bailey and others must work together to save the lives of those Hanali would sacrifice for his own gain.

Theatre for Young Audiences Coleman A. Jennings, 2005-03 A collection of plays many of which are based on favorite children's tales including such titles as *Charlotte's Web*, *Really Rosie*, *Wiley and the Hairy Man*, *Wise Men of Chelm* and *The Crane Wife*.

The Sunlit Lands Trilogy Matt Mikalatos, 2023-06-06 A cursed heir with a privileged past. A runaway prankster wanted dead or alive. A daredevil warrior called Black Skull. Join a diverse cast of characters led by Madeline Jason and Darius as they are thrust into a thrilling adventure in the *Sunlit Lands*, an epic fantasy world brimming with magical cures and granted wishes. Soon they'll discover that even in this safe haven power has its price. Unravel the dark secrets and soul-searing revelations in this war-torn land wrestling with social justice, racial justice, and elitism. How far will they go for power? The *Sunlit Lands* books engage timely themes of racism, injustice, prejudice, power, and the importance of knowing our history. The writing is witty which makes the challenging themes feel accessible and not too heavy. The characters are diverse in personality, ethnicity, and areas for personal growth and provide lots of different connection points for readers. It asks the questions: How far would you be willing to go for power? Who decides what justice is and how it is carried out? And don't miss these short stories from the *Sunlit Lands* series: *Our Last Christmas Together* and *Jason Wu and the Kidnapped Stories*, each available separately e-book only.
