Meet Samantha An American Girl The American Girls Collection:

Meet Samantha, an American Girl Susan S. Adler,1998 Each subset of cassettes explores one time period in American history and the life of one young girl Kirsten a Swedish immigrant in 1854 Samantha an upper class child in 1904 and Molly on the home front in 1944 **An American Girl Anthology** Justine Orlovsky-Schnitzler,KC Hysmith,2025-05-15

Contributions by Mary Berman Mary M Burke Abigail C Fine Juliette Holder KC Hysmith Mackenzie Kwok Esther Martin Hannah Matthews Janine B Napierkowski Justine Orlovsky Schnitzler Samantha Pickette Sheena Roetman Wynn Rebekkah Rubin Marissa J Spear Tara Strauch Cary Tide and Laura Traister An American Girl Anthology Finding Ourselves in the Pleasant Company Universe turns American Girl dolls and the ever growing ecosystem surrounding them inside out Editors Justine Orlovsky Schnitzler and KC Hysmith along with an expansive list of contributors across multiple disciplines and within different research areas explore Pleasant Company American Girl s parent corporation and the social and cultural impact the dolls and broader American Girl universe continue to have for generations of American consumers through thoughtful and fun essays This collection serves as an ode to the democratizing power of the internet and the intoxicating power of nostalgia while also looking toward the future as the eldest American Girl fans become parents themselves It is also a critical account of the ways in which American Girl has shaped senses of self worth and hopes for the future securing a base of lifelong consumers and also serves as a love letter to the kids we collectively used to be Along the way readers will take seriously American Girl s influence and place within larger cultural conversations They will find essays focusing on topics as diverse as food and historical recipes in American Girl publications the advent of tag yourself memes the struggle to find authentic and long lasting Asian American representation within the pages of the American Girl catalog and the enduring power of The Care and Keeping of You as a resource for finding joy in our bodies **Meet Samantha** Susan S. Adler,1986-01 In 1904 nine year old Samantha an orphan living with her wealthy grandmother and her servant friend Nellie have a midnight adventure when they try to find out what has happened to the seamstress who suddenly left her job

Meet Samantha Susan S. Adler,1986 Girls' Series Fiction and American Popular Culture LuElla D'Amico,2016-03-01 Girls Series Fiction and American Popular Culture examines the ways in which young female heroines in American series fiction have undergone dramatic changes in the past 150 years changes which have both reflected and modeled standards of behavior for America s tweens and teen girls Though series books are often derided for lacking in imagination and literary potency that the majority of American girls have been exposed to girls series in some form whether through books television or other media suggests that this genre needs to be studied further and that the development of the heroines that girls read about have created an impact that is worthy of a fresh critical lens Thus this collection explores how series books have influenced and shaped popular American culture and in doing so girls everyday experiences from the mid nineteenth century until now The collection interrogates the cultural work that is performed through the series genre contemplating the

messages these books relay about subjects including race class gender education family romance and friendship and it examines the trajectory of girl fiction within such contexts as material culture geopolitics socioeconomics and feminism

Delinquents and Debutantes Sherrie A. Inness,1998-08-01 The contributors including such leading scholars as Vicki L Ruiz Jennifer Scanlon and Miriam Formanek Brunell examine myriad ways in which a variety of discourses and activities from popular girls magazines and advertisements to babysitting and the Girl Scouts help form girls experiences of what it means to be a girl and later a woman in our society The essays address such topics as board games and the socialization of adolescent girls dolls and political ideologies Nancy Drew and the Filipina American experience the queering of girls detective fiction and female juvenile delinquency to demonstrate how cultural discourses shape both the young and teenage girl in America Although girls culture has until now received comparatively little attention from scholars this work confirms that understanding the culture of girls is essential to understanding how gender works in our society Making a significant contribution to a long neglected area of social and cultural inquiry Delinquents and Debutantes will be of central interest to those in women s studies American studies history literature and cultural studies American Girls Library: Meet Samantha
