Memoirs Of A Foxhunting Man:

Memoirs of a Fox-hunting Man Siegfried Sassoon, 2022-08-16 Siegfried Sassoon's *Memoirs of a Fox hunting Man* presents a semi autobiographical glimpse into the pastoral pre war British countryside and the subsequent visceral reality of World War I. Written with an elegiac tone that both mourns and cherishes a bygone era, Sassoon masterfully employs a narrative that is both intimate and evocative. Through its lyrical prose and deft character sketches, the novel exists not only as a literary memoir but as a poignant reflection on the contrasts between the innocence of youth and the disillusionment of experience, earning its place as a canonical text within 20th century literature. The work is inextricably linked to Sassoon's own transition from a leisurely life of privilege to his decorated and traumatic service in the Great War. His descriptions of fox hunting undoubtedly derived from his personal passion for the sport, evolve into an underlying critique of the romanticized notions of honor and valor which Sassoon himself initially embraced but came to question through his wartime experiences. His narrative acts as both a literary escapade and a subtle act of wartime testimony. Reading *Memoirs of a Fox hunting Man* is not merely an act of engaging with historical fiction; it is an immersion into the journey of a poet who channels the upheavals of an era. Recommended to readers who appreciate works that fuse the pastoral with the political and the personal with the universal, Sassoon's memoir offers a richly textured account of one man's coming of age amidst the tremors that would reshape the modern world.

Memoirs of a Fox-hunting Man Siegfried L. Sassoon, 1986 *Memoirs of a Fox-hunting Man* Siegfried Sassoon, 1929 The story is a series of episodes in the youth of George Sherston, ranging from his first attempts to learn to ride to his experiences in winning point to point races. The title is somewhat misleading as the book is mainly concerned with a series of landmark events in Sherston's childhood and youth and his encounters with various comic characters. The Flower Show Match, an account of an annual village cricket match, an important fixture for those involved in which young Sherston plays a significant part, was later published separately by Faber as a self-contained story. The book as a whole is a frequently humorous work in which fox hunting, one of Sassoon's major interests, comes to represent the young man's innocent frame of mind in the years before war broke out. The book ends with his enlistment in a local regiment, the Sussex Yeomanry, and his subsequent transfer with a commission to the Flintshire Fusiliers, a battalion of the Royal Welsh which was sent to France. The story is continued in two sequels, *Memoirs of an Infantry Officer* and *Sherston's Progress*.

Memoirs of a Fox-hunting Man Siegfried Loraine SASSOON, 1964 *Memoirs of a Fox-Hunting Man* Siegfried Sassoon, 2013-05-28 The first volume in Siegfried Sassoon's beloved trilogy, *The Complete Memoirs of George Sherston*, with a new introduction by celebrated historian Paul Fussell. A highly decorated English soldier and an acclaimed poet and novelist, Siegfried Sassoon won fame for his trilogy of fictionalized autobiographies that wonderfully capture the vanishing idylls of Edwardian England and the brutal realities of war. In this first novel of the semiautobiographical George Sherston trilogy, Sassoon wonderfully captures the vanishing idylls of the Edwardian English countryside. Never out of print.

since its original publication in 1928 when it won the James Tait Black Memorial Prize Sassoon's reminiscences about childhood and the beginning of World War I are channeled through young George Sherston whose life of local cricket tournaments and fox hunts falls apart as war approaches and he joins up to fight Sassoon's first novel though rife with comic characters and a jaunty sense of storytelling presents his own loss of innocence and the destruction of the country he knew and loved For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
