course of writing the memoir portion I actually had a lot of living to look back on with a semblance of pride and a fair share of variety given my experiences as a proud Western New Yorker by birth with an even more interesting smorgasbord of work experiences once moving REALLY upstate to Lake Placid I became a Jersey guy upon graduation from college in Ohio and embraced the Garden State as my new home and found it just as hospitable and appealing as The Empire State had been I discovered my professional niche while working in a well regarded private psychiatric hospital and fell in love with being part of the healing which transpired there In the past 10 years since full time retirement I have endeavored to capitalize on the food funnery by writing the recipes I had collected over so many years and spreading the wealth as it were to anyone who loves to cook good unostentatious grub I thought I might just as well add the lyrical musings amassed over the years as a cherry on the top of the recipes The only question remaining will people appreciate a life journal a handful of recipes and some fine arts literature all in the same book That remains to be seen Here s hoping *Biographical Books, 1876-1949* R.R. Bowker Company,1983 This book is a companion volume to Biographical books 1950 1980 completing a comprehensive one hundred and five year bibliography of biographical and autobiographical works published or distributed in the United States Preface **The Complete Works of Shakespeare.
