

Moral realism: key claims

A robust, full-blown realism has these commitments.

- (1) **Meaning:** moral discourse aims to report the moral facts.
- (2) **Metaphysics:** there exist moral facts (or properties) and they are distinct class of facts (N.B differences among realists on type of facts and reduction)
- (3) **Epistemology:** We possess moral knowledge, which is to have knowledge of (some of) the moral facts.
- (4) **Objectivity:** moral facts are objective or independent of any particular beliefs or thoughts we might have about them. Although N.B the notion of objective will need to be carefully specified.
- (5) **Moral psychology:** internalism v. externalism – more on this later
