Mysteries Of John:

Mysteries Of John Charles Fillmore, 2014-05-12 Metaphysical Bible students recognize in the Gospel of John a certain spiritual quality that is not found in the other Gospels Although this is not true of all Bible readers it may be said that those who look for the mystical find it in the language of this book The book is distinctive in this respect and is so successful in setting forth metaphysical truths that little interpretation is necessary Only in a few instances does the original writing conceal the deep truths that the student seeks to discern Written language is at best a reflection of inner ideas and even though a teacher couples ideas and words as adroitly as Jesus does elucidation is sometimes difficult **Seven Mysteries in the First Epistle of John** Witness Lee, 1992-06 *Secret Mysteries of the Gospel of John* Daniel Speck, 2017-07-07 The Gospel of John is a book of mysteries and secrets and hidden prophecies Even its mysteries have mysteries A careful study of this Gospel s prophetic types reveals details of God s plans for the Church and Israel in the Last Days Even though there is little in this book that explicitly describes Second Coming events on its deeper symbolic level it speaks volumes about the Tribulation Rapture Resurrection Day of the Lord and Israel s restoration Even the exact year that Jesus will return is coded within these stories of the life of Christ **John's Gospel** Hermann Beckh, 2021-11-10 That there is a living stream of Johannine Christianity can no longer be doubted There is now an abundant literature from Rosicrucian and esoteric traditions from the deepest prayer and meditation that addresses the exalted nature of John the Evangelist as expressed through his Gospel Letters and the Book of Revelation Yet it fell to Hermann Beckh to elucidate clearly how the individual known as John became the source of such undying love and wisdom in Christ According to Rudolf Steiner John was the ailing Lazarus called from death to a new life as the disciple Jesus loved Beckh demonstrates how John s invaluable writings were based on personal spiritual knowledge and experience expressing the divine work of the Cosmic Christ on human nature and on the Earth leading far into the future Whilst Beckh s authorship originated within the context of the emerging Christian Community founded in 1922 his profoundly original books could not be confined to its framework Not only could Beckh tackle original texts in Tibetan Sanskrit and Avestan but through his independent vision he was able to establish new links with philosophical Alchemy Jakob B hme Goethe Nietzsche and Novalis He thereby stands with these figures as a co worker in a greater community Having prepared the way with his Mark s Gospel of 1928 John s Gospel could be described as the capstone of Beckh s writings as a triumphant announcement that theology and the study of John s Gospel have finally come of age Appearing here in a freshly revised translation by Alan Stott the current volume is enhanced by a series of valuable addenda that shed further light on Beckh s significant achievements *Parables* John F. MacArthur, 2015-10-27 Discover how Jesus parables can help you better understand God s Word and how to live today Have you ever wondered why Jesus often spoke in parables Are you curious about what lessons we can learn from these parables today Pastor and bestselling author John MacArthur breaks down the parables and teaches you how we can apply these deceptively simple stories to

modern Christianity Jesus was a master storyteller and the parables he often told were no exception Beneath these unassuming stories were deeply profound spiritual lessons that were designed to reach all who heard them from the faithful to the faithless and they re still relevant today In Parables MacArthur argues that these short memorable stories represented more than just symbolism or a clever teaching style they were carefully crafted tales that made the mysteries of the Gospel more accessible to everyday believers Parables will help you see Jesus teachings in a brand new light addressing some of the most common questions on the topic including When did Jesus start teaching in parables What makes parables so accessible How can we interpret these stories What common threads link each of the parables together What do parables teach us about the kingdom of God John MacArthur has spent a lifetime sharing the Word of God in clear and comprehensible terms with believers of all walks of life Let him be your guide as he sheds light on the essential lessons contained in the most infamous and influential short stories the world has ever known

Mysticism in the Gospel of John Jey

Kanagaraj,1998-04-01 This is the first detailed study of Johannine mysticism against a Palestinian Jewish background has been previously undertaken This book investiages whether there was a mystical practice in first century Palestine and whether John can be better understood in the light of such practice if there was any In analysis two strands of Jewish mysticism the early forms of Ma aseh Merkabah and of Ma aseh Bereshit emerge as existing in first century Palestine While the former narrates by means of Ezek 1 the experience of seeing God in His kingly glory the latter describes the same expereince by using Gen 1 This book consists of three parts Part one analyses Hellenistic mysticism as expressed by the Hermetica and Hellenistic Jewish mysticism as presented by Philo Part two traces the important elements of Merkabah mysticism from the later Hekhalot literature and the Jewish and Christian writings belonging to 2 cent BCE 1 cent CE by defining the term mysticism in terms of the fourteen aspects of Jewish mysticism an exegetical study of seven themes is undertaken in Part Three The study shows that the conceptual parallels in John with Hellenistic mysticism and Hellenistic Jewish mysticism are very slender but indicates John s polemical motive against the Merkabah mystics of his time He calls them to believe in Jesus as the Christ the Son of God by proclaiming that the divine glory claimed by them to be revealed in human like form on the throne is now visible in the historical person Jesus particularly in his death on the Cross Thus Jewish Throne mysticism seems to have been reinterpreted by John as Cross mysticism

Prophetic Mysticism of John of the Cross

(Collected Works) John ofthe Cross,2021-11-25 This is the 16 century collection of spiritual mystical works regarding the search for unity with the divine The author wrote part of the works during his imprisonment In those times the author experienced bad health and spiritual condition which inspired him for an inner spiritual search The result of this search was the poem The Dark Night of the Soul telling about the soul s journey to unity with God which goes through three stages purgation illumination and unity Ascent of Mount Carmel is a treatise to the poem mentioned above which gives practical advice on the ascetic life Finally the Spiritual Canticle is a metaphoric poem about the soul searching the unity with Christ

presented as a story of a wife seeking her beloved husband *Imperial Cults and the Apocalypse of John* Steven J. Friesen, 2001-10-25 After more than a century of debate about the significance of imperial cults for the interpretation of Revelation this is the first study to examine both the archaeological evidence and the Biblical text in depth Friesen argues that a detailed analysis of imperial cults as they were practiced in the first century CE in the region where John was active allows us to understand John's criticism of his society's dominant values He demonstrates the importance of imperial cults for society at the time when Revelation was written and shows the ways in which John refuted imperial cosmology through his use of vision myth and eschatological expectation The Mysteries of the Holy Scriptures John Wittner, 19?? **A**

Perpetual Commentary on the Revelation of St. John. Wherein is Contain'd Charles Daubuz, 1720 Sherlock Holmes and John Watson: The Day They Met Wendy C. Fries, 2015-01-22 Sherlock Holmes and John Watson have wandered far from the light of Victorian gas lamps As Holmes and Watson they've tangled with Nazis as Sherlock and John they roam the corridors of New Scotland Yard In a world of so many fresh adventures why not fresh beginnings to those adventures From an 1879 Kabul train station to a King's College lecture theatre in 2015 *The Day They Met* includes stories both classic and contemporary offering fifty intriguing new ways that the world's most legendary partnership might have begun

Egyptian Wisdom in the Revelation of John the Divine Gerald Massey, 2008-11-01 The drama opens in Revelation the same as in the Book of the Dead with the resurrection and the glory of the coming Son Behold He cometh with the clouds and every eye shall see Him It is the risen Lord of Resurrection who says I was dead and behold I am alive evermore and I have the keys of death and of hades Ch i 18 This is Horus of the resurrection risen from Amenta in his triumph over death and hell or Sut and Akar He proclaims himself to be the all one Har Sum tau i Neb U Jesus like Horus is the faithful witness for the Father from Egyptian Wisdom in the Revelation of John the Divine It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerard Massey's massive *Ancient Egypt The Light of the World* first published in 1907 and the crowning achievement of the self-taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs Here Cosimo proudly presents Book 11 of *Ancient Egypt* in which Massey demonstrates how Scripture was created from the remains of Egypto-gnostic traditions with little knowledge of the ancient wisdom upon which it drew through the specific example of the Biblical story of the Book of Revelation and John the Divine Using Egyptian mythology Massey makes sense of the apocalyptic visions of Revelation by showing how they are actually the work of Taht Aan a pre-Christian John the Divine Peculiar and profound this work will intrigue and delight readers of history religion and mythology British author GERALD MASSEY 1828-1907 published works of poetry spiritualism Shakespearean criticism and theology but his best known works are in the realm of Egyptology including *A Book of the Beginnings* and *The Natural Genesis* **The Gospel of St. John and Its Relation to the other Gospels** Rudolf

Steiner,1982-03-01 Beginning at the turn of the century Rudolf Steiner began to express a passionate interest in Christianity For him the event he called the Mystery of Golgotha is more than the central event of Christianity it is in fact the turning point in time for all human and earthly evolution In his Autobiography Steiner clarified his views on Christianity Some of what I said and wrote during that period 1890s seems to contradict the way I described Christianity later on This is because when I wrote the word Christianity I was referring to the teachings of a world beyond that was active in all Christian doctrines at the time The whole meaning of religious experiences pointed to a world of spirit one that was supposed to be unattainable by human intellect Whatever religion might have to say and whatever precepts for moral life it might offer arise from what is revealed to human beings from outside My own direct inner perception of spirit objected to this it wanted to experience the worlds of both spirit and the physical in perceptions of the human being and nature And my ethical individualism objected to this It rejected the external support of commandments for morality such support came instead as the result of spiritual soul development within the human being where divinity lives That was a trying time for my soul as I looked at Christianity This period lasted from the time I left the Weimar work until I wrote my book Christianity as Mystical Fact These kinds of tests are obstacles placed in one s path by destiny or karma and they must be overcome through spiritual development In these talks Rudolf Steiner offers his profound insights into the essential truths behind the Christ event as well as the historic and prehistoric events on Earth and in the spiritual worlds leading up to the turning point in time He shows that the ancient mysteries of the East the Persians the Egyptians the Greeks and the streams behind those impulses going back to Atlantis and Lemuria all lead to the event of Christ s incarnation and the Mystery of Golgotha through which the Earth became the body of Christ Further Steiner talks about what those events mean for the future of humanity and the Earth The Gospel of St John and Its Relation to the Other Gospels is an essential document in the literature of Christology and for understanding the central place of esoteric Christianity in Anthroposophy **The Collected Works of St. John of the Cross, Volume II: The Dark Night of the Soul, Spiritual Canticle of the Soul and the Bridegroom Christ, the LIV Saint John of the Cross,2007-06-01 **John of the Cross and the Cognitive Value of Mysticism** S. Payne,2012-12-06**

Among Anglo American philosophers interest in mysticism has typically been limited to the question of whether or not mystical and religious experiences provide evidence for or knowledge of the existence and nature of God Most authors conclude that they do not because such experiences lack certain qualities needed in order to be counted as cognitive In this study I examine some current philosophical opinions about mysticism and objections to its epistemic significance in the context of a detailed study of the writings of a single mystical author the Spanish Carmelite Saint John of the Cross 1542 1591 I argue that from his works one can draw a coherent theory of what takes place in the Christian mystical life and will indicate how acceptance of this theory might be defended as rational through a type of inference often referred to as the Argument to the Best Explanation In this way I hope to show that mysticism still has a significant bearing on the justification

of religious faith even if it cannot be used to prove the existence of God The nature and advantages of my own somewhat unusual approach to mysticism can perhaps best be explained by contrasting it with the way other authors have dealt with the subject One of the most striking developments in recent decades has been the growing fascination with mysticism meditation and the experiential aspects of religion

A Perpetual Commentary on the Revelation of St. John Charles Daubuz, 1720

The Works of Thomas Goodwin ... With General Preface by John C. Miller ... and Memoir by Robert Halley Thomas GOODWIN (D.D.), 1862

St John's Rudolf Steiner, 2013-05-09 Rudolf Steiner the often undervalued multifaceted genius of modern times contributed much to the regeneration of culture In addition to his philosophical teachings he provided ideas for the development of many practical activities including education both general and special agriculture medicine economics architecture science religion and the arts Steiner's original contribution to human knowledge was based on his ability to conduct spiritual research the investigation of metaphysical dimensions of existence With his scientific and philosophical training he brought a new systematic discipline to the field allowing for conscious methods and comprehensive results A natural seer from childhood he cultivated his spiritual vision to a high degree enabling him to speak with authority on previously veiled mysteries of life Samples of Steiner's work are to be found in this introductory reader in which Matthew Barton brings together excerpts from Steiner's many talks and writings on the festival of St John's The volume also features an editorial introduction afterword commentary and notes Chapters
