Pauline Theology A Survey Of His Missionary Labours And Theology:

Paul as Missionary Trevor J. Burke, Brian S. Rosner, 2011-03-17 Paul as Missionary Identity Activity Theology and Practice takes the view that before anything else Paul must first and foremost be identified as a missionary Using the entire Pauline corpus the contributors to this volume assess what Paul's correspondence can tell us about how he perceived his role and identity The work comprises four parts in section one Paul's identity as priest eschatological herald and missionary pastor are explored while in part two topics such as the apostle's activity among pagans his suffering and Paul's missionary message to the church at Rome are considered Section three comprises essays on the Spirit as the governing dynamic the glory of God as the apostle's missionary goal and the importance of Paul's Christology in shaping his mission to the Gentiles Finally part four addresses Paul's missionary praxis including his support of his missionary enterprise **Pauline Theology and**

Mission Practice Dean S. Gilliland, 1996-08-01 Not since Roland Allen's book in 1912 has there appeared such a thorough study of the Apostle Paul's mission theology and methodology The value of this comprehensive survey writes Harry R Boer in the foreword lies in part in its grounding in careful expository studies of Paul's ministry as revealed in Acts and in the corpus of the Pauline epistles Again and again the author illustrates the abiding relevance of Paul's first century insights for missionary thought and practice in the twentieth century He draws not only on Scripture but also on personal insights and illustrations arising from two decades of missionary service And he enters into significant dialogue with representative missionary literature of the modern period The book's five parts cover theology the sources and nature of Paul's theology and his theological assumptions for mission conversion Paul's conversion in Acts conversion as reality experience and process and conversion and the real world the convert's new life what its spiritual basis is and how to live it the church its oneness diversity and contextuality its leadership worship discipline and finance and the missionary his or her credentials and ministry Paul's theology was irresistible because it was energized by a fresh life changing experience and supported by a new love for all people writes the author in the introduction He then elaborates on four characteristics of that theology it is dynamic evangelical pastoral and holistic The absolute commitment of mind and body soul and spirit that was Paul's his love for the Lord Jesus and lost people everywhere concludes the author in the epilogue must be the very heart of the church

Paul's Missionary Methods Robert L. Plummer, John Mark Terry, 2012-11-21 Robert L Plummer and John Mark Terry edit this collection of entry points into the missionary methods of the Apostle Paul Conducting a major reappraisal of Roland Allen's *Missionary Methods St Paul's or Ours* Michael Bird Eckhard Schnabel and others reconsider the relevance of Paul's missionary activities for the church today **Humble Confidence** Paul Weston, 2023-05-09 Lesslie Newbigin remains one of the most important missionary theologians of the twentieth century In responding to the challenges of late modernity he developed a fresh paradigm of missionary theology and cultural engagement that continues to be compelling and prophetic This book also explores the way in which Michael Polanyi's understanding of personal knowledge helps to give language and

metaphor to Newbigin's convictions about cultural engagement and responsive witness and suggests vibrant insights and applications for mission today

Lesslie Newbigin Lesslie Newbigin, 2006 Monumental figure in the twentieth century worldwide church Internationally esteemed British pastor and missionary theologian Ecumenical statesman and prolific writer Lesslie Newbigin 1909-1998 was all of these and more This reader fills a long standing need for a comprehensive introduction to Newbigin and his legacy Opening with a short biography of Newbigin and a discussion of his major theological and missiological themes the volume sets selected readings in context with brief introductions and offers suggestions for further reading from Newbigin's corpus Praise for Lesslie Newbigin and his writings Newbigin has made a bold and major step forward in the debate on Christianity pluralism and Western self understanding Lamin Sanneh in The Christian Century When my students finally realize what Newbigin is saying they panic When they realize that even the most faithful circles they know have been seduced by sectarianism solipsism Gnosticism and nihilism they worry that apostasy is unavoidable Yet despite the surrounding darkness Newbigin never loses hope because he stays focused on the light that has come Telford Work in Pro Ecclesia Newbigin is most impressive indeed awesome when defending the universality of the Christian gospel and exposing the muddleheadedness and loss of nerve that have turned many Western churches into domestic chaplaincies rather than launching pads for cross cultural mission at home and abroad Vinod Ramachandra in Themelios Seeing both liberal and fundamentalist Christians imprisoned in the epistemological presuppositions of the Enlightenment Lesslie Newbigin offers them liberation by pointing to the fiduciary character of all human knowledge The best form of apologetics he contends is the preaching of the particular yet universal gospel Geoffrey Wainwright on Newbigin's Proper Confidence

Gospel and Mission in the Writings of Paul Peter Thomas O'Brien, 1995-01-01 Although Paul's writings have been studied closely by missiologists surprisingly the missionary dimension of his theology has not always been recognized Since the 1960s however there has been a paradigm shift and the notion that Paul was both a missionary and a theologian has gained ground among biblical scholars This book is a tightly woven and highly developed Pauline theology of mission and evangelism for college and seminary students Publisher **The Missionary-Theologian** E. D. Burns, 2020-07-03 Gospel doctrine is the lifeblood of mission Most missionaries in church history have in preparation for the field committed themselves to rigorous study and extraordinary theological training but there has been a move away from that in recent times E D Burns contends that this is dangerous leaving those who need it most ill equipped to deal with the difficulties mission life brings This brotherly and friendly plea challenges those who are already in or are considering joining the mission field to rest in Christ's work and abide in His Word

Paul's Theology of Mission to the Nations in Romans Subhro Sekhar Sircar, 2017 The book is meant to investigate the preaching of the gospel of God as Paul's mission to the nations in the letter to the Romans The work begins with an explanation of the topic and its importance in the mission context which sets the stage for the main body of the book As evidence to this purpose this work first explores the epistolary

frame of the letter and contends that Paul basically had a missionary purpose for writing the Romans. The letter opening and closing affirm this divine commission and authority for preaching the gospel to all the nations. Paul skillfully establishes the universal significance of the gospel he was called to preach. Then it further examines God's identity in Paul's mission to the nations. God is the foundation and starting point for Paul's mission to the nations. Paul frequently uses descriptive statements regarding God's acts. He has made it plain that God's true identity is bounded by his actions for his people. These statements clearly demonstrate that the biblical God is not only the divine being who encompasses divine attributes and nature. He is additionally the one who acts which forms the distinct Christian identity of God revealed fully and only in Jesus. This scholarly work further considers Paul's mission in the context of his missionary function. Paul was commissioned to preach the gospel and specifically his call was to be an apostle to the Gentiles; he was set apart for the gospel of God. The gospel's authority lies with God who owns it and originated it. The preaching of the gospel concerns God's Son, a promise God made in the Old Testament which is now fulfilled in the incarnate crucified, risen Christ. Paul's missionary calling was bringing the nations, both Jews and Gentiles together as one people of God by preaching the gospel. The ultimate goal of Paul's missionary task was joining the Jews and the Gentiles in praise and worship of God. It is evident from this research that Paul's calling and commission were serving as a missionary to the nations. This calling was an integral part of God's redemptive plan which was marked by the promise of blessing for the nations. Thus Paul's worldwide mission underscores the Romans purpose. Jacket flap

Humble Confidence Paul Weston, 2025-01-01. Lesslie Newbigin's development of a fresh paradigm of missionary theology and cultural engagement has solidified his reputation as not just one of the most important missionary theologians of the twentieth century but as continually relevant in the twenty-first. Paul Weston focusses on how the engagement with Michael Polanyi's understanding of personal knowledge illuminates Newbigin's work and contributes to its ongoing significance. Interlinking themes of Revelation, Knowing and Story and tracing through Newbigin's engagements with modernity and post-modernity, Weston suggests how the logic of Newbigin's approach continues to provide insight to mission theologians and practitioners. It is Weston's conviction that Humble Confidence presents Newbigin's thinking in a way that can serve the continuing mission of the church.

Missionary Methods Roland Allen, 2017-02-15. Newly updated revised edition. A complete missionary manual for evangelical missionaries. Missionary Methods is an enduring classic, a how-to that every single missionary should read as well as any lay person who desires to be a useful part of the body of Christ. The author, Roland Allen, takes a thorough look at the practice and principle of arguably the most successful church planter in history, the biblical apostle Paul. Every missionary difficulty and success can be found in Acts and the apostle Paul's letters, which cover such topics as training, discipleship, finances and sustainability. The methods are built on the foundation of a relationship with God, salvation through Christ and the indwelling and leading of the Holy Spirit.
