Archaeologists in Print Amara Thornton, 2018-06-25 Archaeologists in Print is a history of popular publishing in archaeology in the nineteenth and twentieth centuries a pivotal period of expansion and development in both archaeology and publishing It examines how British archaeologists produced books and popular periodical articles for a non scholarly audience and explores the rise in archaeologists public visibility Notably it analyses women's experiences in archaeology alongside better known male contemporaries as shown in their books and archives In the background of this narrative is the history of Britain's imperial expansion and contraction and the evolution of modern tourism in the Eastern Mediterranean and Middle East Archaeologists exploited these factors to gain public and financial support and interest and build and maintain a reading public for their work supported by the seasonal nature of excavation and tourism Reinforcing these publishing activities through personal appearances in the lecture hall exhibition space and site tour and in new media film

radio and television archaeologists shaped public understanding of archaeology It was spadework scripted The image of the archaeologist as adventurous explorer of foreign lands part spy part foreigner eternally alluring solidified during this period That legacy continues undimmed today Praise for Archaeologists in Print This beautifully written book will be valued by all kinds of readers you don't need to be an archaeologist to enjoy the contents which take you through different publishing histories of archaeological texts and the authors who wrote them From the productive partnership of travel guide with archaeological interest to the women who feature so often in the history of archaeological publishing via closer analysis of the impact of John Murray Macmillan and Co and Penguin this volume excavates layers of fascinating facts that reveal much of the wider culture of the late nineteenth and twentieth centuries The prose is clear and the stories compulsive Thornton brings to life a cast of people whose passion for their profession lives again in these pages Warning the final chapter on Archaeological Fictions will fill your to be read list with stacks of new titles to investigate This is a highly readable accessible exploration into the dynamic relationships between academic authors publishers and readers It is in addition an exemplar of how academic research can attract a wide general readership as well as a more specialised one a stellar combination of rigorous scholarship with lucid pacy prose Highly recommended Samantha Rayner Director of UCL Centre for Publishing Deputy Head of Department and Director of Studies Department of Information Studies UCL

Reading Biography Carl Rollyson, 2004-11-25 Most book reviewers know very little about the history or the art of biography Indeed if there is any art in biography it is the rare reviewer that acknowledges it or knows how to discuss it Usually the reviewer regards biography as an occasion to wax eloquent about what he or she thinks of the subject Little space if any is devoted to the biography's structure or style to the biographer's peculiar problems or to how the biography relates to others about the same subject Carl Rollyson a professional biographer and weekly columnist On Biography for The New York Sun explores the ramifications of authorized and unauthorized biographies investigates the relationship between biography and history biography and fiction biography and autobiography as well commenting on certain perennial biographical subjects such as Napoleon on sub genres such as children's biography and on the most recent developments in life writing Rollyson's aim is to reach not merely scholars but that vast general audience addicted to reading biography enhancing their pleasure by providing insight or you might say the inside word on how biographies are put together

Shall We Dance? The True Story of the Couple Who Taught The World to Dance Douglas Thompson, 2014-10-12 On the eve of the Great War they had the world at and watching their feet If God is in the details they were divine Vernon and Irene Castle were the world's first true celebrity couple He an Englishman was tall and slim as poised as an elegant evening out a template for the Hollywood idols who would follow In a

staid age she a New Yorker was a glorious modern beauty with her haired cropped into a shock a disdain for crippling corsets a love of a martini and a good time Together they beat the censors and made their vibrant dancing acceptable for all In the fashionable quarters of New York they opened a dance school and night clubs to which Society flocked They broke the rules by touring with black musicians and led the way forward to the Charleston galloping Gatsby Generation They enlightened and enchanted from London to Paris to New York spreading a breathless joy as though their music had one note and their dances one step too many Launching one racy dance craze after another they taught the world to dance and often dress the way we do today Adored and acclaimed they were stars long before the celebrity constellations grew crowded Yet the whirlwind story of perhaps the most influential dance team ever is also one of tragedy Their timing so perfect in everything else saw Vernon Castle at the height of their fame return to England to enlist in the Royal Flying Corps he saw action as a pilot on the Western Front winning the Croix de Guerre while his wife made special appearances to support the Allied war effort And then in February 1918 he was killed in a flying accident in Texas while training American pilots for war Irene received a last note from him When you receive this letter I shall be gone out of your sweet life You may be sure that I died with your sweet name on my lips be brave and don t cry my angel She and many others did cry for as far as the world was concerned Vernon and Irene Castle could have danced all night and for ever The afternoon was already planned they were going dancing for those were the great days Maurice was tangoing in Over the River the Castles were doing a stiffed leg walk in the third act of the Sunshine Girl a walk that gave the modern dance a social position and brought the nice girl into the caf thus beginning a profound revolution in American life The great rich empire was feeling its oats and was out for some not too plebeian yet not too artistic fun F Scott Fitzgerald The Perfect Life one of the Basil and Josephine Stories first published in the Saturday Evening Post 5 January 1929

Environmentalism in Popular Culture Noël Sturgeon, 2022-04-12 In this thoughtful and highly readable book No l Sturgeon illustrates the myriad and insidious ways in which American popular culture depicts social inequities as natural and how our images of nature interfere with creating solutions to environmental problems that are just and fair for all Why is it she wonders that environmentalist messages in popular culture so often naturalize themes of heroic male violence suburban nuclear family structures and U S dominance in the world And what do these patterns of thought mean for how we envision environmental solutions like green businesses recycling programs and the protection of threatened species Although there are other books that examine questions of culture and environment this is the first book to employ a global feminist environmental justice analysis to focus on how racial inequality gendered patterns of work and heteronormative ideas about the family relate to environmental

questions Beginning in the late 1980s and moving to the present day Sturgeon unpacks a variety of cultural tropes including ideas about Mother Nature the purity of the natural and the allegedly close relationships of indigenous people with the natural world She investigates the persistence of the myth of the frontier and its extension to the frontier of space exploration She ponders the popularity and occasional controversy of penguins and penguin family values and questions assumptions about human warfare as natural The book is intended to provoke debates among college students and graduate students among their professors among environmental activists and among all citizens who are concerned with issues of environmental quality and social equality

The Auto/biographical I Liz Stanley,1992 This feminist literary study discusses postmodern ideas about the self particularly about the way in which selves are constructed by biography and autobiography The author particularly examines the manner in which women write about themselves

New Realism in Alice Munro's Fiction Li-Ping Geng,2022-07-29 The book studies Alice Munro s inheritance of and contribution to realism in fiction Nobel Prize winner Munro follows the empirical tradition of the Enlightenment and draws on her life as a daughter wife mother and professional writer while composing her fiction to reflect Canadian reality She infuses her intellectual moral and aesthetic vision into her stories This study analyzes her innovative realism in three respects Her views on feminism and women s issues her firm yet sympathetic moral stance and her reconstitution of traditional and modernist post modernist methods of portraying character in time and space Munro s brand of realism is underpinned by her philosophical perception her level headed morality her dialectical mind and her versatile narrative style This monograph a voice from China offers a deep philosophical reading of Munro Students of the Canadian author graduate or undergraduate may find this book useful
