Committee on Un-American Activities, 1968 **Hearings** United States. Congress. House. Committee on Un-American Activities, 1967 *Vietnam and America* Marvin E. Gettleman, 1995 No single event since World War II has marked this country's foreign policy and national image as deeply as did the war in Vietnam Vietnam and America is a complete history of the war as documented in essays by leading experts and in original source material With generous selections from the documentary records the book dispels distortions and illuminates in depth the many facets of the war from Vietnam's history before the war to Washington's insider policy making to troop perspectives to the impact back on the home front In essays introducing each major stage of the war the editors elucidate the issues foreign policy choices and consequences of U S involvement Substantial headnotes put each document in historical perspective This comprehensive anthology is an invaluable reference for anyone who wants to understand the Vietnam War *Translations on Sub-Saharan Africa* United States. Joint Publications Research Service, 1978 **A Precarious Balance** Antwain K. Hunter, 2025-10-14 Spanning the 1720s through the end of the Civil War this book explores how free and enslaved Black North Carolinians accessed possessed and used firearms both legal and otherwise and how the state and white people responded North Carolinians whether free or enslaved Black or white had different stakes on the issue all of which impacted the reality of Black people's gun use Antwain K Hunter reveals that armed Black people used firearms for a wide range of purposes They hunted to feed their families and communities guarded property protected crops and defended maroon communities from outsiders Further they resisted the institution of slavery and used guns both against white people and within their own community Competing views of Black people's firearm use created social political and legal points of contention for different demographics within North Carolina and left the general assembly and white civilians struggling to harness Black people's armed labor for white people's benefit **A Precarious Balance** challenges readers to rethink how they understand race and firearms in the American past **A People's History of Florida, 1513-1876** Adam Wasserman, 2010 Howard Zinn author of *A People's History of the United States* predicted that the bottom class perspective of history would eventually gain ground enveloping the old way of narrating history as told by the powerful Since then numerous historical events have been redefined through the outlook of common people that were involved from the bottom up forever altering how we understand history No more romantic diatribes glittered in patriotic myths No more traditional heroes standardized viewpoints unquestionable facts or generalized falsehoods Just plain raw truth that is not afraid to stampede powerful governments with the herd of popular outrage *A People's History of Florida* follows the *People's History* tradition

Self Defense Elsa Dorlin,2022-09-27 A brilliant study of violent self defense in the struggle for liberation by an award winning philosopher Is violent self defense ethical In the history of colonialism racism sexism capitalism there has long been a dividing line between

bodies worthy of defending and those who have been disarmed and rendered defenseless In 1685 for example France's infamous Code Noir forbade slaves from carrying weapons under penalty of the whip In nineteenth century Algeria the colonial state outlawed the use of arms by Algerians but granted French settlers the right to bear arms Today some lives are seen to be worth so little that Black teenagers can be shot in the back for appearing threatening while their killers are understood by the state to be justified That those subject to the most violence have been forcibly made defenseless raises for any movement of liberation the question of using violence in the interest of self defense Here philosopher Elsa Dorlin looks across the global history of the left from slave revolts to the knitting women of the French Revolution and British suffragists training in ju jitsu from the Warsaw Ghetto Uprising to the Black Panther Party from queer neighborhood patrols to Black Lives Matter to trace the politics philosophy and ethics of self defense In this history she finds a martial ethics of the self a practice in which violent self defense is the only means for the oppressed to ensure survival and to build a liveable future In this sparkling and provocative book drawing on theorists from Thomas Hobbes to Fred Hampton Frantz Fanon to Judith Butler Michel Foucault to June Jordan Dorlin has reworked the very idea of modern governance and political subjectivity Translated from the French by Kieran Aarons

The Top Books of the Year People Armed And Free The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. People Armed And Free : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
