Reincarnation In The Bible:

The Voice L. Edward VanHoose, 2004-06 This work is the result of arduous hours of research entitled Biblical Cases of the Reincarnation Type developed during my graduate studies Many have marveled at the findings persuasiveness and have suggested their publication The result is the very upbeat and reader friendly volume now in your hands The Voice like its previous incarnation offers the first demonstrable case for reincarnation in the Bible that is objective It doesn't solely rely on how an author interprets a verse or suggests the subject was surreptitiously removed from the scriptures My research methods essentially emulated those of University of Virginia Psychiatrist Ian Stevenson M D For forty years he investigated cases of young children remembering a past life His landmark work Twenty Cases Suggestive of Reincarnation has been in print since 1966 The Soul's Long Journey Edward Reaugh Smith, 2003 Here are amazing insights showing reincarnation to be deeply and powerfully revealed in the Bible's most fundamental aspects How and why have these insights escaped attention for so long At last they are uncovered here by a confluence of conventional Bible study and the epochal spiritual discoveries of Rudolf Steiner With particular emphasis on the organic provisions of the Old Testament Smith shows both what the assumptions of the Master's hearers were and how the New Testament confirms the ancient heritage Arising from the fullness of the canon is an exciting story of the long journey of humanity and every human soul each a beloved sheep whom the Creator is unwilling to lose Combining a lifetime of biblical study and teaching fifteen years investigating and contemplating Rudolf Steiner's vast works and almost three decades of applying the analytical skill required in an intense law practice Smith has produced a potential classic the serious Bible student can ill afford to ignore Reincarnation in the Bible Katie Myers, 2014-07-02 Find out what the Bible says about reincarnation Learn how attempts to purge reincarnation from the Bible failed Learn who in the Bible believed in reincarnation and who did not understand its concepts But most important of all learn who the most outspoken teacher of reincarnation was **Reincarnation in the Bible?** Dan Carlton, 2013-10-24 In my early twenties I read a book that started me in a completely different direction Up to that time I had been taught to be agnostic and believed the Bible to be the result of ignorant men trying to explain what they did not understand with superstition fables exaggerated history etc The book is There is a River by Thomas Sugrue A few years ago I started writing down my conclusions in order to clarify to myself just what I did believe I could not accept the idea that I could be right when everyone I talked to disagreed with me And yet my conclusions do seem to me to agree with Scripture including my belief in reincarnation which I believe is not only a fact revealed in the Bible but is a necessary part of God's plan of salvation A motivating factor in my desire to share my understanding of truth is my belief that all of the problems in the world can be traced to erroneous beliefs If everyone correctly understood and applied truth I believe our problems would vanish God says we become what we think Pr 23:7 My belief that the Bible teaches that reincarnation is a fact hasn't endeared me to those who not only reject such an idea but also sincerely believe such a belief comes from the pit of hell and

smells of smoke After reading Reincarnation in the Bible perhaps you can show me where I am in error if you disagree with me Or who knows perhaps you will agree with me At any rate I hope you find my book interesting and enjoyable if not enlightening

Nothing Merciful Than Reincarnation Kevin R Williams, 2019-05-25 Part 1 is an introduction to reincarnation in Christian history including the biblical evidence of John the Baptist as the reincarnation of Elijah the Prophet The religious concept of the Resurrection of the Dead a massive worldwide reanimation of corpses at the end of time is a foreign concept originating from ancient Persia not Judaism or Christianity Part 2 describes more biblical reincarnating prophets and other holy people also Jesus teachings on bodily and spiritual rebirth Jesus taught Nicodemus that You must be born again which has a literal meaning of bodily rebirth reincarnation but is also used metaphorically to mean spiritual rebirth regeneration by the Holy Spirit Part 3 proves it is God s will that everyone is saved which can only realistically occur through reincarnation Part 3 also describes how God s law of divine justice also known universally as karma is the same as the law of reincarnation Universal salvation like preexistence and reincarnation was widely believed by Christians and Jews during the first 500 years of Christianity and was championed by the early Church Father Origen Part 4 describes the biblical case of how God s demand for human perfection and holiness can only realistically occur through reincarnation Part 4 also describes how God s salvation and judgment according to works also can only realistically occur through reincarnation The belief in the soul resting in peace until a final corpse resurrection at the end times makes any personal identity of the soul salvation and personal spiritual growth after death impossible Part 5 describes the biblical doctrines of the preexistence of the soul and the Christian mystery of God within human beings as important principles involving Christian reincarnation The nature of an eternal immortal and indestructible human soul spirit shows that all human beings partake in the divine spirit as Jesus did Jesus taught the Kingdom of God is within you Luke 17 20 21 which implies divinity within humanity An immortal human soul spirit makes reincarnation a necessity The Bible describes a Trinity the Father Son and Holy Spirit three parts of Christ the Mind of Christ the Body of Christ and the Spirit of Christ and three dimensions of God light life and love which the three dimensional enlightened Christian shares mind body and spirit Part 6 describes more reincarnating biblical personalities including fallen angels as reincarnating human beings Fallen angels reincarnating as human beings including Satan and the fallen human soul are described in the Bible the Book of Enoch the Book of Jubilees and the New Testament Apocrypha Part 7 describes the biblical case for the past lives of Jesus Christ as King David Melchizedek Joseph and Adam Part 7 includes a final summary of this the book and a final conclusion by the author Both David and Jesus share titles such as the anointed one Messiah the Holy One only begotten son firstborn Root of Jesse priest of Melchizedek and most exalted king of the Earth The Bible clearly states that David himself will be reincarnated in the Last Days Hosea 3 4 5 Ezekiel 34 13 24 Ezekiel 37 22 24 Jeremiah 30 1 9 In Acts 15 12 19 the apostle Peter equated rebuilding David s fallen tent with the resurrection of Jesus body In the Bible tent is a metaphor for the human body 2 Corinthians 5 1 2 Peter 1 12 13 Part 8
