Ford, 2013-09-23 This popular text has been updated to ensure that it continues to provide a current and comprehensive overview of the main Christian theologies of the twentieth and twenty first centuries Each chapter is written by a leading theologian and gives a clear picture of a particular movement topic or individual New and updated treatments of topics covered in earlier editions with over half the chapters new to this edition or revised by new authors New section singling out six classic theologians of the twentieth century Expanded treatment of the natural sciences gender Roman Catholic theology since Vatican II and African Asian and Evangelical theologies Completely new chapters on spirituality pastoral theology philosophical theology postcolonial biblical interpretation Pentecostal theology Islam and Christian theology Buddhism and Christian theology and theology and film As in previous editions the text opens with a full introduction to modern theology Epilogue discussing the present situation and prospects of Christian theology in the twenty first century The Theological Vision of Reinhold Niebuhr's "The Irony of American History" Scott R. Erwin, 2013-06-13 Reinhold Niebuhr remains at the center of a national conversation about America s role in the world and commentators with divergent political and religious positions draw upon his 1951 work The Irony of American History in support of their views In this study Scott R Erwin argues that an appreciation of Niebuhr s theological vision is necessary for understanding the full measure of Irony An appreciation of Niebuhr s theology is important because the majority of individuals reading Irony today fail to acknowledge the central role that his Christian beliefs played in its formulation Niebuhr described his theological vision as being in the battle and above it and in more extensive terms explained it to be a combination of moral resoluteness about the immediate issues with

a religious awareness of another dimension of meaning and judgment. It was this perspective that led Niebuhr in *Irony* to assert that America must both take morally hazardous action in combating the aggression of the Soviet Union and engage in critical self evaluation to prevent the country from assuming the most odious traits of its Cold War foe. Niebuhr developed this theological vision over the course of the 1930s and 1940s through engagement with Christian doctrine as most readily seen in his academic works such as *The Nature and Destiny of Man* and engagement with current history as seen in his many journalistic writings during this period. By focusing primarily on Niebuhr's writings between 1931 and 1951, Erwin traces the development of his Christian interpretation of human nature and history, establishes how it informed his theological vision, and reveals how that theological vision underlay his writings on current affairs. Such excavation is necessary given the fact that Niebuhr became less explicit about the theological nature of his later writings. Indeed, rather than clearly advance his theological vision in *Irony*, Niebuhr chose to communicate it implicitly through the historical figure of Abraham Lincoln. In multiple writings over the course of his career, Niebuhr referred to the sixteenth president as both America's greatest statesman and theologian and ultimately portrayed him as the personification of his own religious beliefs. Erwin demonstrates that the study of both Niebuhr's theological vision and his application of this vision throughout his life is instructive as the contemporary generation engages with global problems.

A Companion to Public Theology, 2017-01-23. Winner of the 2017 Choice Outstanding Academic Title Award. Public theology has emerged in the twentieth and twenty-first centuries as theologians have increasingly entered the public square to engage complex issues. This *Companion to Public Theology* brings a much needed resource to this relatively new field. The essays contained here bring a robust and relevant faith perspective to a wide range of issues as well as foundational biblical and theological perspectives which equip theologians to enter into public dialogue. Public theology has never been more needed in public discourse, whether local or global. In conversation across disciplines, its contribution to the construction of just policies is apparent in this volume as scholars examine the areas of political, social, and economic spheres as well as issues of ethics and civil societies and draw on contexts from six continents. Contributors are Chris Baker, Andrew Bradstock, Luke Bretherton, Lisa Sowle Cahill, Letitia M. Campbell, Cludio Carvalho, Katie Day, Frits de Lange, Jolyon Mitchell, Elaine Graham, Paul Hanson, Nico Koopman, Sebastian Kim, Esther McIntosh, Clive Pearson, Scott Paeth, Larry L. Rasmussen, Hilary Russell, Nicholas Sagovsky, Dirk J. Smit, William Storrar, David Tombs, Rudolf von Sinner, Jenny Anne Wright, and Yvonne Zimmerman.

Must Global Politics Constrain Democracy? Alan Gilbert, 2012-01-06. As each power vies for its national interests on the world stage, how do its own citizens' democratic interests fare at home? Alan Gilbert speaks to an issue at the heart of current international relations debate. He contends that in spite of neo-realists' assumptions, a vocal citizen democracy can and must have a role in global politics. Further, he shows that all the major versions of realism and neo-realism, if properly stated with a view of the national interest as a common good, surprisingly lead to democracy. His most striking example focuses on realist criticisms of the Vietnam War. Democratic

internationalism as Gilbert terms it is really the linking of citizens interests across national boundaries to overcome the antidemocratic actions of their own governments Realist misinterpretations have overlooked Thucydides theme about how a democracy corrupts itself through imperial expansion as well as Karl Marx s observations about the positive effects of democratic movements in one country on events in others Gilbert also explodes the democratic peace myth that democratic states do not wage war on one another He suggests instead policies to accord with the interests of ordinary citizens whose shared bond is a desire for peace Gilbert shows through such successes as recent treaties on land mines and policies to slow global warming that citizen movements can have salutary effects His theory of deliberative democracy proposes institutional changes that would give the voice of ordinary citizens a greater influence on the international actions of their own government

Religion and Politics in the Contemporary United States R. Marie Griffith, Melani McAlister, 2008-06-09

This collection of essays from a special issue of *American Quarterly* explores the complex and sometimes contradictory ways that religion matters in contemporary public life *Religion and Politics in the Contemporary United States* offers a groundbreaking cross disciplinary conversation between scholars in American studies and religious studies The contributors explore numerous modes through which religious faith has mobilized political action They utilize a variety of definitions of politics ranging from lobbying by religious leaders to the political impact of popular culture Their work includes the political activities of a very diverse group of religious believers Christians Jews Muslims Hindus Buddhists and others In addition the book explores the meanings of religion for people who might contest the term those who are spiritual but not religious for example as well as activists who engage symbols of faith and community but who may not necessarily consider themselves members of a specific religion Several essays also examine the meanings of secular identity humanist politics and the complex evocations of civil religion in American life No other book on religion and politics includes anything like the diversity of religions ethnicities and topics that this one does from Mormon political mobilization to attempts at Americanizing Muslims in the post 9 11 United States from Cesar Chavez to James Dobson from interreligious cooperation and conflict over Darfur to the global politics surrounding the category of Hindus and South Asians in the United States

The Manufacture of Consent Stephen M. Underhill, 2020-02-01 The second Red Scare was a charade orchestrated by a tyrant with the express goal of undermining the New Deal so argues Stephen M Underhill in this hard hitting analysis of J Edgar Hoover s rhetorical agency Drawing on Classification 94 a vast trove of recently declassified records that documents the longtime FBI director s domestic propaganda campaigns in the mid twentieth century Underhill shows that Hoover used the growing power of his office to subvert the presidencies of Franklin D Roosevelt and Harry S Truman and redirect the trajectory of U S culture away from social democracy toward a toxic brand of neoliberalism He did so with help from Republicans who opposed organized labor and Southern Democrats who supported Jim Crow in what is arguably the most culturally significant documented political conspiracy in U S history a wholesale domestic propaganda program that brainwashed Americans and

remade their politics Hoover also forged ties with the powerful fascist leaders of the period to promote his own political ambitions All the while as a love letter to Clyde Tolson still preserved in Hoover s papers attests he strove to pass for straight while promoting a culture that demonized same sex love The erosion of democratic traditions Hoover fostered continues to haunt Americans today Wiley Blackwell Companion to Political Theology William T. Cavanaugh, Peter Manley

Scott, 2019-03-11 Offers a comprehensive survey and interpretation of contemporary Christian political theology in a newly revised and expanded edition This book presents the latest thinking on the topic of contemporary Christian political theology with original and constructive essays that represent a range of opinions on various topics With contributions from expert scholars in the field it reflects a broad range of methodologies ecclesial traditions and geographic and social locations and provides a sense of the diversity of political theologies It also addresses the primary resources of the Christian tradition which theologians draw on when constructing political theologies and surveys some of the most important figures and movements in political theology This revised and expanded edition provides the most comprehensive and accessible introduction to this lively and growing area of Christian theology Organized into five sections Wiley Blackwell Companion to Political Theology Second Edition addresses the many changes that have occurred over the last 15 years within the field of political theology It features new essays that address social developments and movements such as Anglican Social Thought John Milbank Anabaptist Political Theologies African Political Theologies Postcolonialism Political Economy Technology and Virtuality and Grass roots Movements The book also includes a new essay on the reception of Liberation Theology Offers essays on topics such as the Trinity atonement and eschatology Features contributions from leading voices in the field of political theology Includes all new entries covering fresh developments and movements like the urgency of climate change virtuality and the digital age the economic crisis of 2008 the discourse of religion and violence and new modalities of war Addresses some important social movements from a theological point of view including postmodernism grass roots movements and more Provides both Islamic and Jewish responses to political theology Written for academics and students of political theology Wiley Blackwell Companion to Political Theology 2nd Edition is an enlightening read that offers a wide range of authoritative essays from some of the most notable scholars in the field **With the Grain of the Universe**

Stanley Hauerwas, 2013-06-15 This major work by one of the world s top theologians offers a provocative and closely argued perspective on natural theology Stanley Hauerwas shows how natural theology divorced from a confessional doctrine of God inevitably distorts our understanding of God s character and the world in which we live This critically acclaimed book winner of a Christianity Today Book Award is now in paper It includes a new afterword that sets the book in contemporary context and responds to critics Faith and Freedom David Neville, Philip Matthews, 2003 Australian Christians like Christians in many societies live in a pluralistic culture This makes the issues of faith freedom and their interrelationship all the more critical In a pluralist context Christian faith and freedom must be expressed and embodied in a coherent rather than discordant way

The authors of these reflections on key ethical concerns represent the Anabaptist Anglican Baptist Lutheran Methodist Presbyterian Roman Catholic and Uniting Church traditions yet there is a harmony within this plurality of theological and ecclesiological voices Contributors include John Howard Yoder Charles Birch Stanley Hauerwas and Thorwald Lorenzen

Augustine and Social Justice Teresa Delgado, John Doody, Kim Paffenroth, 2015-01-14 This volume brings into dialogue the ancient wisdom of Augustine of Hippo a bishop of the early Christian Church of the fourth and fifth centuries with contemporary theologians and ethicists on the topic of social justice Each essay mines the major themes present in Augustine's extensive corpus of writings from his Confessions to the City of God with an eye to the following question how can this early church father so foundational to Christian doctrine and teaching inform our twenty first century context on how to create and sustain a more just and equitable society In his own day Augustine spoke to conditions of slavery conflict and war violence and poverty among many others These conditions while reflecting the characteristics of our technological age continue to obstruct our collective efforts to bring about the common good for the global human community The contributors of this volume have taken great care to read Augustine through the lens of his own time and place at the same time they provide keen insights and reflections which advance the conversation of social justice in the present **An American Conscience** Sabella, Jeremy, 2017 Reinhold Niebuhr 1892 1971 was an inner city pastor ethics professor and author of the famous Serenity Prayer Time magazine's 25th anniversary issue in March 1948 featured Niebuhr on its cover and Time later eulogized him as the greatest Protestant theologian in America since Jonathan Edwards Cited as an influence by public figures ranging from Billy Graham to Barack Obama Niebuhr was described by historian Arthur Schlesinger Jr as the most influential American theologian of the twentieth century In this companion volume to the forthcoming documentary film by Martin Doblmeier on the life and influence of Reinhold Niebuhr Jeremy Sabella draws on an unprecedented set of exclusive interviews to explore how Niebuhr continues to compel minds and stir consciences in the twenty first century Interviews with leading voices such as Jimmy Carter David Brooks Cornel West and Stanley Hauerwas as well as with people who knew Niebuhr personally including his daughter Elisabeth provide a rich trove of original material to help readers understand Niebuhr's enduring impact on American life and thought CONTRIBUTORS interviewees Andrew J Bacevich David Brooks Lisa Sowle Cahill Jimmy Carter Gary Dorrien Andrew Finstuen K Healan Gaston Stanley Hauerwas Susannah Heschel William H Hudnut III Robin W Lovin Fr Mark S Massa SJ Elisabeth Sifton Ronald H Stone Cornel West Andrew Young *Christian Nationalism and the Paradox of Secularism* Andrew Fiala, 2025-05-08 Christian nationalism is a backlash against the success of secularism and the growth of nonreligion Its proponents go so far as to claim that secularism is diabolical This rejection of secularism poses a significant challenge for secular systems which aim to be inclusive of diverse religious ideas This book explains the depth of this challenge while recounting the views of Christian nationalists including Donald Trump It shows how key figures in the American tradition Adams Jefferson Madison and others promoted political secularism It uses

Christian theology and modern political philosophy to argue in defence of secularism and against Christian nationalism

Beyond the Pale Miguel A. De La Torre, Stacey M. Floyd-Thomas, 2011-01-01 How should Augustine Aquinas Bonhoeffer Kant Nietzsche and Plato be read today in light of postcolonial theory and twenty first century understandings This book offers a reader friendly introduction to Christian liberationist ethics by having scholars from the margins explore how questions of race and gender should be brought to bear on twenty four classic ethicists and philosophers Each short chapter gives historical background for the thinker describes that thinker's most important contributions then raises issues of concern for women and persons of color Contributors include George Tink Tinker Asante U Todd Traci West Darryl Trimiew Ada Mar a Isasi D az Robyn Henderson Espinoza and many others

From Logos to Christos Ellen M. Leonard, Kate Merriman, 2011-06-27 From Logos to Christos is a collection of essays in Christology written by friends and colleagues in memory of Joanne McWilliam McWilliam was a pioneer woman in the academic study of theology specializing in Patristic studies and internationally recognized for her work on Augustine For countless students she was a teacher a mentor an inspiration These fourteen essays are a fitting tribute to her memory Written by recognized North American scholars the essays explore various aspects of Christology inviting the reader to probe the meaning and significance of Jesus Christ for today They address a broad range of issues including the Christology of the Acts of Thomas Hooker on divinization and Christ figures in contemporary Canadian culture Teachers of theology and religious studies pastors and informed general readers will find the essays stimulating and instructive They present the readers with considered mature and current scholarship These are the questions that engaged Joanne McWilliam throughout her life and she was happy to know that the critical dialogue would continue in this volume as friends and colleagues wrestled with Christological questions For her In Jesus we come to know the compassion the power the wisdom the love and the faithfulness of God
