Reinterpreting The Spanish American Essay Women Writers Of The 19th And 20th Centuries:

Reinterpreting the Spanish American Essay Doris Meyer, 2010-06-25 Latin American women have long written essays on topics ranging from gender identity and the female experience to social injustice political oppression lack of educational opportunities and the need for female solidarity in a patriarchal environment But this rich vein of writing has often been ignored and is rarely studied This volume of twenty one original studies by noted experts in Latin American literature seeks to recover and celebrate the accomplishments of Latin American women essayists Taking a variety of critical approaches the authors look at the way women writers have interpreted the essay genre molded it to their expression and created an intellectual tradition of their own Some of the writers they treat are Flora Tristan Gertrudis G meiz de Avellaneda Clorinda Matto de Turner Victoria Ocampo Alfonsina Storni Rosario Ferr Christina Peri Rossi and Elena Poniatowska This book is the first of a two volume project that reexamines the Latin American essay from a feminist perspective The second volume also edited by Doris Meyer contains thirty six essays in translation by twenty two women authors

Rereading the Spanish American Essay Doris Meyer, 2010-07-22 Latin American intellectual history is largely founded on essayistic writing Women s essays have always formed a part of this rich tradition yet they have seldom received the respect they merit and are often omitted entirely from anthologies This volume and its earlier companion *Reinterpreting the Spanish American Essay Women Writers of the 19th and 20th Centuries* seek to remedy that neglect This book collects thirty six notable essays by twenty two women writers including Flora Tristan Gertrudis G meiz de Avellaneda Clorinda Matto de Turner Victoria Ocampo Alfonsina Storni Rosario Ferr Christina Peri Rossi and Elena Poniatowska All of the essays are here translated into English for the first time many by the same scholars who wrote critical studies of the authors in the first volume Each author s work is also prefaced by a brief biographical sketch

Rereading the Spanish American Essay Doris Meyer, 1995 Companion volume to *Reinterpreting the Spanish American essay* see item bi 97002053 this anthology collects work of 22 essayists including G omez de Avellaneda Ocampo Peri Rossi Castellanos and others less known Many treat topics related to women Excellent translations short introductory essays on each writer First rate contribution to revisionist literary history *Handbook of Latin American Studies* v 58

Spanish American Women's Use of the Word Stacey Schlau, 2022-10-18 Women s participation both formal and informal in the creation of what we now call Spanish America is reflected in its literary legacy Stacey Schlau examines what women from a wide spectrum of classes and races have to say about the societies in which they lived and their place in them Schlau has written the first book to study a historical selection of Spanish American women s writings with an emphasis on social and political themes Through their words she offers an alternative vision of the development of narrative genres critical fictional and testimonial from colonial times to the present The authors considered here represent the chronological yet nonlinear development of women s narrative They include Teresa Romero Zapata accused before the Inquisition of being a false visionary In s Su rez nun and writer of spiritual autobiography Gertrudis G meiz de Avellaneda

author of an indigenist historical romance Magda Portal whose biography of Flora Tristán furthered her own political agenda Dora Alonso who wrote revolutionary children's books Domitila Barrios de Chungara political leader and organizer Elvira Orphé whose novel unpacks the psychology of the torturer and several others who address social and political struggles that continue to the present day Although the writers treated here may seem to have little in common all sought to maneuver through institutions and systems and insert themselves into public life by using the written word often through the appropriation and modification of mainstream genres In examining how these authors stretched the boundaries of genre to create a multiplicity of hybrid forms Schlau reveals points of convergence in the narrative tradition of challenging established political and social structures Outlining the shape of this literary tradition she introduces us to a host of neglected voices as well as examining better known ones who demonstrate that for women simply writing can be a political act

Performing Women and Modern Literary Culture in Latin America Vicky Unruh, 2009-06-03 Women have always been the muses who inspire the creativity of men but how do women become the creators of art themselves This was the challenge faced by Latin American women who aspired to write in the 1920s and 1930s Though women's roles were opening up during this time women writers were not automatically welcomed by the Latin American literary avant-gardes whose male members viewed women's participation in tertulias literary gatherings and publications as uncommon and even forbidding How did Latin American women writers celebrated by male writers as the New Eve but distrusted as fellow creators find their intellectual homes and fashion their artistic missions In this innovative book Vicky Unruh explores how women writers of the vanguard period often gained access to literary life as public performers Using a novel interdisciplinary synthesis of performance theory she shows how Latin American women's work in theatre poetry declamation song dance oration witty display and bold journalistic self-portraiture helped them craft their public personas as writers and shaped their singular forms of analytical thought cultural critique and literary style Concentrating on eleven writers from Argentina Brazil Cuba Mexico Peru and Venezuela Unruh demonstrates that as these women identified themselves as instigators of change rather than as passive muses they unleashed penetrating critiques of projects for social and artistic modernization in Latin America

The Palgrave Handbook of Transnational Women's Writing in the Long Nineteenth Century Claire Emilie Martin, Clorinda Donato, 2024-03-14 This handbook explores the rich and as yet understudied field of women's writing during the nation-building years that characterized the global politics of the long nineteenth century In the wake of the American and French Revolutions the waning of the Spanish Empire subsequent Latin American uprisings and the Italian Risorgimento nineteenth-century women writers cracked wide open the myths of gender race and class that had sustained the ancien régime This volume shows that the transnational networks of women writing about politics sexuality economics and the forging of the modern nation were much broader and more inclusive at a global level than has previously been understood The handbook uniquely foregrounds French Italian Latin American and Spanish women writers focusing on the transnational

nature of their relationships and cultural production within a growing body of research that casts an ever wider net in the effort to document women's voices

Jewish Writers of Latin America Darrell B. Lockhart, 2013-08-21 Jewish writing has only recently begun to be recognized as a major cultural phenomenon in Latin American literature. Nevertheless, the majority of students and even Latin American literary specialists remain uninformed about this significant body of writing. This Dictionary is the first comprehensive bibliographical and critical source book on Latin American Jewish literature. It represents the research efforts of 50 scholars from the United States, Latin America, and Israel who are dedicated to the advancement of Latin American Jewish studies. An introduction by the editor is followed by entries on 118 authors that provide both biographical information and a critical summary of works. Argentina, Brazil, and Mexico home to the largest Jewish communities in Latin America are the countries with the greatest representation, but there are essays on writers from Venezuela, Chile, Uruguay, Peru, Colombia, Costa Rica, and Cuba.

World Literature in Spanish Maureen Ihrie, Salvador Oropesa, 2011-10-20 Containing roughly 850 entries about Spanish language literature throughout the world, this expansive work provides coverage of the varied countries, ethnicities, time periods, literary movements, and genres of these writings. Providing a thorough introduction to Spanish language literature worldwide and across time is a tall order. However, *World Literature in Spanish: An Encyclopedia* contains roughly 850 entries on both major and minor authors, themes, genres, and topics of Spanish literature from the Middle Ages to the present day, affording an amazingly comprehensive reference collection in a single work. This encyclopedia describes the growing diversity within national borders, the increasing interdependence among nations, and the myriad impacts of Spanish literature across the globe. All countries that produce literature in Spanish in Europe, Africa, the Americas, and Asia are represented, covering both canonical authors and emerging contemporary writers and trends. Underrepresented writings such as texts by women, writers queer and Afro-Hispanic, texts children's literature, and works on relevant but less studied topics such as sports and nationalism also appear. While writings throughout the centuries are covered, those of the 20th and 21st centuries receive special consideration.

Women At Sea NA, 2016-04-30 From cross-dressing pirates to servants and slaves, women have played vital and often surprising roles in the navigation and cultural mapping of Caribbean territory. Yet these experiences rarely surface in the increasing body of critical literature on women's travel writing, which has focused on European or American women traveling to exotic locales as imperial subjects. This stellar collection of essays offers a contestatory discourse that embraces the forms of travelogue, autobiography, and ethnography as vehicles for women's rewriting of flawed or incomplete accounts of Caribbean cultures. This study considers writing by Caribbean women such as the slave narrative of Mary Prince and the autobiography of Jamaican nurse Mary Seacole, and works by women whose travels to the Caribbean had enormous impacts on their own lives, such as Aphra Behn and Zora Neale Hurston. Ranging across cultural, historical, literary, and class dimensions of travel writing, these essays give voice to women writers who have been silenced, ignored, or marginalized.

Ibsen,1997-02-25 During the last decade women s narrative has become a recognized force in Mexican letters The essays in this collection explore the recent work of nine contemporary Mexican women writers Many of the works have been translated into English some like Laura Esquivel s *Like Water for Chocolate* have become international best sellers The unprecedented commercial success of these novels has generated mixed reactions at the same time that the secondary status afforded women s narrative has come to be questioned in many academic circles some authors are dissociating themselves from women s writing The essays in this volume address these issues providing a much needed contribution to the study of women s narrative *Transatlantic Travels in Nineteenth-Century Latin America* Adriana Méndez Rodenas,2013-12-12

Transatlantic Travels in Nineteenth Century Latin America European Women Pilgrims retraces the steps of five intrepid lady travelers who ventured into the geography of the New World Mexico the Southern Cone Brazil and the Caribbean at a crucial historical juncture the period of political anarchy following the break from Spain and the rise of modernity at the turn of the twentieth century Traveling as historians social critics ethnographers and artists Frances Erskine Inglis 1806 82 Maria Graham 1785 1842 Flora Tristan 1803 44 Fredrika Bremer 1801 65 and Adela Breton 1849 1923 reshaped the map of nineteenth century Latin America Organized by themes rather than by individual authors this book examines European women s travels as a spectrum of narrative discourses ranging from natural history history and ethnography Women s social condition becomes a focal point of their travels By combining diverse genres and perspectives women s travel writing ushers a new vision of post independence societies The trope of pilgrimage conditions the female travel experience which suggests both the meta end of the journey as well as the broader cultural frame shaping their individual itineraries **Madres Del**

Verbo Nina M. Scott,1999 A bilingual anthology of writings by both secular and religious women writers from colonial Latin America through the 19th century *Latin American Perspectives on Globalization* Mario Sáenz,2002-10-23 From the most prominent thinkers in Latin American philosophy literature politics and social science comes a challenge to conventional theories of globalization The contributors to this volume imagine a discourse in which revolution is defined not as a temporalized march of progress or takeover of state power but as a movement for local control that upholds standards of material conditions for human dignity Essays on identity equality and ethics propose models of transcultural and intercultural relations that replace center periphery or world systems approaches they impel us to focus on building dialogic relationships rather than on accommodating universalized paradigms Ultimately suggesting a reconstruction of the world in terms of the interests of one of the peripheral regions of the world *Latin American Perspectives on Globalization* argues with cogency and urgency that no one within contemporary globalization debates can afford to ignore the Latin American philosophical tradition *Encyclopedia of Latin American and Caribbean Literature, 1900-2003* Daniel Balderston,Mike Gonzalez,2004 The *Encyclopedia of Twentieth Century Latin American and Caribbean Literature 1900 2003* draws together entries on all aspects of literature including authors critics major works magazines genres schools and movements in these regions from
