Reinventing The Soviet Self Media And Social Change In The Former Soviet Union

James B. Martin

Reinventing The Soviet Self Media And Social Change In The Former Soviet Union:

Reinventing the Soviet Self Jennifer Turpin, 1995-06-30 This work is a study of the role of mass media in political change specifically the recent changes in the Soviet Union The output of publications by the USSR to various constituents is analyzed for content and direction The use of the media to define the new Russia is shown Those involved in Russian studies media studies international studies and similar fields should be interested in this work **Reinventing the Soviet Self**

Jennifer Turpin, 1995-06-30 This work is a study of the role of mass media in political change specifically the recent changes in the Soviet Union The output of publications by the USSR to various constituents is analyzed for content and direction The use of the media to define the new Russia is shown Those involved in Russian studies media studies international studies and similar fields should be interested in this work Unlearning the Soviet Tongue Natalia Kovalyova, 2014-09-24 How do

countries democratize What route does the way out of totalitarianism take Students of Russian politics have pursued answers to these questions by surveying Russians on a variety of attitudes beliefs norms and practices This book attends to political discourse to demonstrate how it creates and constraints political opportunities It examines an important period of Russian political history from Boris Yeltsin's second presidential election in 1996 when democracy was pronounced victorious through its gradual slide toward authoritarian practices during Vladimir Putin's initial two terms in office and to the election of his protégé Dmitry Medvedev in 2008 This analysis challenges the assertions of Russian democracy as doomed by the governing rationalities of the elites Likewise it refutes the notion of Russians as an apathetic nation in chronic need of a strong hand It argues that if we are to understand how Russia lives how it endures and how it can change we need to pay attention to the discourses that shape Russian political identities and the nation's political future **The Mythologies of**

Capitalism and the End of the Soviet Project Olga Baysha, 2014-08-14 The purpose of *The Mythologies of Capitalism and the End of the Soviet Project* is to show that in order to understand popular disillusionment with democratization liberalization and other transformations associated with the attempts of non Western societies to appropriate the ideas of Western modernity one must consider how these ideas are mythologized in the course of such appropriations Olga Baysha argues that the seeds of popular post revolutionary frustration should be sought in pre revolutionary discourses on democracy liberalism and other concepts of Western modernity that are produced outside local contexts and introduced through the channels of global communication and the interpretations of politicians activists and experts Analyzing the opinions of working people and intellectuals published in two Ukrainian newspapers of perestroika times the author shows how the concepts of democracy the market and the West acquired schizophrenic mythical significations The study is situated within the context of Ulrich Beck's theory of world risk society and Gregory Bateson's theory of schizophrenia as communicative disorder The author argues that schizophrenic mythologies constructed through globalized networks can lead to disorientation frustration and the sense of uncertainty and insecurity on the part of mass publics **Democracy,**

Populism, and Neoliberalism in Ukraine Olga Baysha, 2021-12-24 This book explores the reasons behind the unexpected rise to power of Ukraine's President Volodymyr Zelensky a former comedian with no political background and offers an in depth analysis of the populist messages he delivered to the Ukrainian people via his TV show Taking a discourse analysis approach the author draws on two main arguments of critical scholarship the populist explosion of the recent decade came as a reaction to the inequalities and injustices of the global neoliberal order and the success of neoliberalism can be explained by its ability to mask itself under attractive progressive covers Developing these lines of argument the book demonstrates not only how the populist explosion can lead to further neoliberalization but also that the euphemizing effect can be achieved by mixing the virtual and the real as in the case of Zelensky This first of its kind study will resonate with any scholar or upper level student working on populism neoliberalism political communication media studies political science European studies Ukrainian studies and discourse analysis

Governing Soviet Journalism Thomas C. Wolfe, 2005-06-08 The Soviet project of creating a new culture and society entailed a plan for the modeling of new persons who embodied and fulfilled the promise of socialism and this vision was expressed in the institutions of government Using archival sources essays and interviews with journalists Thomas C Wolfe provides an account of the final four decades of Soviet history viewed through the lens of journalism and media Whereas most studies of the Soviet press approach its history in terms of propaganda or ideology Wolfe's focus is on the effort to imagine a different kind of person and polity Foucault's concept of governmentality illuminates the relationship between the idea of the socialist person and everyday journalistic representation from the Khrushchev period to the 1990s and the appearance of the tabloid press This thought provoking study provides insights into the institutions of the Soviet press and the lives of journalists who experienced important transformations of their work

Media, Development, and Institutional Change Christopher J. Coyne, Peter T. Leeson, 2009-01-01 Media Development and Institutional Change investigates mass media's profound ability to affect institutional change and economic development The authors use the tools of economics to illuminate the media's role in enabling and inhibiting political economic reforms that promote development The book explores how media can constrain government how governments manipulate media to entrench their power and how private and public media ownership affects a country's ability to prosper The authors identify specific media related policies governments of underdeveloped countries should adopt if they want to grow They illustrate why media freedom is a critical ingredient in the recipe of economic development and why even the best intentioned state involvement in media is more likely to slow prosperity than to enhance it Scholars and students of economics political science and sociology policy makers analysts and others in the development community and academics in media studies will find this book insightful and provocative

Mass Media and Modern Warfare Greg Simons, 2016-05-06 Mass media are essential to democratic society in contrast the War on Terror has been interpreted as an assault on democracy and freedom by Islamic fundamentalists The building and maintenance of public support is essential in modern warfare due to the increasing

politicization of warfare where losses and gains are measured in political rather than military terms And if progress cannot be demonstrated during a war then by default one is assumed to be losing Greg Simons tackles the complicated yet essential role of mass media in society Taking the Global War on Terror as a prime example the author adopts a multidisciplinary approach to analyze the various facets of war and the role of the media within it Assessing in particular the Russian fight against terrorism this book provides a broader perspective and understanding of contemporary struggles **Crises in Russia** Boris Porfiriev,2016-05-13 This unique book explores the problems of the national crisis management system in Russia a country undergoing political social and economic transition and one which is also prone to natural and man made disasters In detailing policy institutional and legal issues and illustrating a number of case studies the authors offer new ways of resolving the effects of disasters as well as increasing resilience by improving our understanding of the risks and vulnerabilities In the book six chapters offer case studies of various types of disaster written in a unique collaboration between Russian scientists Russian policy makers and Swedish scholars Other chapters relate the role of mass media in Russian society and policy development Taken together the book details changes in a crisis management system policy and approach in a country that has undergone rapid fundamental political economic and social change Mass Media James B. Martin,2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes *Encyclopedia of Violence, Peace, and Conflict* ,2008-09-05 The 2nd edition of Encyclopedia of Violence Peace and Conflict provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully Instead we have increased the lethality of our combat through revolutions in weapons technology and military training The Encyclopedia of Violence Peace and Conflict is designed to help us to take stock of our knowledge

concerning these crucial phenomena Ten years on the need for an authoritative and cross disciplinary approach to the great issues of violence and peace seems greater than ever More than 200 authoritative multidisciplinary articles in a 3 volume set Many brand new articles alongside revised and updated content from the First Edition Article outline and glossary of key terms at the beginning of each article Entries arranged alphabetically for easy access Articles written by more than 200 eminent contributors from around the world

The Rhetorical Rise and Demise of "Democracy" in Russian Political Discourse, Volume 2 David Cratis Williams, Marilyn J. Young, Michael K. Launer, 2022-05-17 Post Soviet Russia in the 1990s saw a surge in civic participation The traditional power structure officially relinquished control of political rhetoric and a nascent civil society had begun to emerge Free elections and political partisanship between reformist and conservative elements of Russian society spurred on by Russia's economic troubles gave a Wild West tenor to public rhetoric that was reflected in the election campaigns of 1993 1995 and 1996 In this volume the authors examine through a series of contemporaneously written essays the arc of government rhetoric during the height of media freedom the quest for a new national identity and the struggle for self government

The Web of Violence Jennifer E. Turpin, Lester R. Kurtz, 1997 An excellent representation of the interdisciplinary thrust of peace studies Paul Joseph Tufts University Violence is a topic of concern everywhere in the media in churches in the halls of governments In every land and in every culture violence is considered by most to be taboo a last resort Yet under certain conditions from the level of the family to the level of nations violence is used as a mechanism of social control Various rationalizations thus emerge to distinguish between legitimate and illegitimate violence The Web of Violence explores the interrelationship among personal collective national and global levels of violence This unique collection brings together a number of internationally known contributors to address the genesis and manifestations of violence in the search for a remedy for this confounding social problem As the global community becomes more intimate we must better understand the nature of violence The Web of Violence supports this aim by examining the dangerous human phenomenon from many perspectives at different levels and using multiple methodologies

A History of Russia, the Soviet Union, and Beyond David MacKenzie, Michael W. Curran, 2002 In this revision of their best selling book MacKenzie and Curran present a clear and objective account of the history of Russians and other eastern Slavs from its beginnings in ancient Rus to the demise of the Soviet Union and most recently the Putin presidency Acclaimed in the field for its clarity comprehensiveness and accuracy the text balances social cultural history with political history The authors approach weaves the external geographic determinism of the Eurasian school and the organic inner oriented approach of Russian historians

News with a View Burton St. John III, Kirsten A. Johnson, 2014-01-10 Modern mainstream journalism faces a very real disturbance of its foundational premise that credible news is gathered and articulated from an objective stance This volume offers new examinations of how the traditional notion

of objectivity is changing as professional journalists grapple with a rapidly evolving news terrain one that has become increasingly crowded by those with no journalistic credentials Examining historical antecedents current dilemmas international aspects and theoretical considerations contributors make the case that the journalist s impulse to hold onto objectivity and to ignore the increasing subjectivities to which citizens are attuned actually contributes to the news media s disconnect from today s news consumer Revealing how traditional journalism needs to incorporate post objective stances these essays stimulate further thought and conversation about news with a view in both theory and practice

Russia and the USSR in the Twentieth Century David MacKenzie, Michael W. Curran, 2002 In this revision of their best selling text MacKenzie and Curran present a succinct updated history from the later imperial tsarist regime to the current Russia Acclaimed in the field for its clarity comprehensiveness and accuracy the text balances social cultural history with political history through the Putin presidency and offers Russian as well as post Soviet views of Russian history

Across Meridians Jinqi Ling, 2012-04-18 Over the course of the last two decades novelist Karen Tei Yamashita has reshaped the Asian American literary imagination in profound ways In *Across Meridians* Jinqi Ling offers readers the most critically engaged examination to date of Yamashita s literary corpus Crafted at the intersection of intellectual history ethnic studies literary analysis and critical theory Ling s study goes beyond textual investigation to intervene in larger debates over postmodern representation spatial materialism historical form and social and academic activism Arguing that Yamashita s most important contribution is her incorporation of a North South vector into the East West conceptual paradigm Ling highlights the novelist s re prioritization through such a geographical realignment of socio economic concerns for Asian American literary criticism In assessing Yamashita s works as such Ling designates her novelistic art as a form of new Asian American literary avant garde that operates from the peripheries of received histories aesthetics and disciplines Seeking not only to demonstrate the importance of Yamashita s transnational art Ling sets new terms for ongoing dialogues in Asian American literary and cultural criticism At the same time he argues for the continuing relevance of Asian American literature as a self reflexive and self renewable critical practice

Encyclopedia of journalism. 6. Appendices Christopher H. Sterling, 2009-09-25 The six volume *Encyclopedia of Journalism* covers all significant dimensions of journalism including print broadcast and Internet journalism US and international perspectives history technology legal issues and court cases ownership and economics

Canadian Slavonic Papers, 1997

The Poetics of Processing Anna J. Osterholtz, 2020-12-01 In 2002 Neil Whitehead published *Dark Shamans* Kanaïm and the Poetics of Violent Death in which he applied the concept of poetics to the study of violence and observed the power of violence in the creation and expression of identity and social relationships The Poetics of Processing applies Whitehead s theory on violence to mortuary and skeletal assemblages in the Andes Mexico the US Southwest Jordan Ethiopia Egypt and Turkey examining the complex cultural meanings of the manipulation of remains after death The contributors interpret postmortem treatment of the physical body through a poetics

lens examining body processing as a mechanism for the re creation of cosmological events and processing s role in the creation of social memory They analyze methods of processing and the ways in which the living use the physical body to stratify society and gain power as evidenced in rituals of body preparation and burial around the world objects buried with the dead and the hierarchies of tomb occupancy the dissection of cadavers by medical students the appropriation of living spaces once occupied by the dead and the varying treatments of the remains of social outsiders prisoners of war and executed persons The Poetics of Processing combines social theory and bioarchaeology to examine how the living manipulate the bodies of the dead for social purposes These case studies ranging from prehistoric to historic and modern and from around the globe explore this complex material relationship that does not cease with physical death This volume will be of interest to mortuary archaeologists bioarchaeologists and cultural anthropologists Contributors Dil Singh Basanti Roselyn Campbell Carlina de la Cova Eric Haanstad Scott Haddow Christina Hodge Christopher Knusel Kristin Kuckelman Clark Spencer Larsen Debra Martin Kenneth Nystrom Adrianne Offenbecker Megan Perry Marin Pilloud Beth K Scaffidi Mehmet Somel Kyle D Waller

Reinventing The Soviet Self Media And Social Change In The Former Soviet Union Introduction

Reinventing The Soviet Self Media And Social Change In The Former Soviet Union Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Reinventing The Soviet Self Media And Social Change In The Former Soviet Union Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Reinventing The Soviet Self Media And Social Change In The Former Soviet Union : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Reinventing The Soviet Self Media And Social Change In The Former Soviet Union : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Reinventing The Soviet Self Media And Social Change In The Former Soviet Union Offers a diverse range of free eBooks across various genres. Reinventing The Soviet Self Media And Social Change In The Former Soviet Union Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Reinventing The Soviet Self Media And Social Change In The Former Soviet Union Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Reinventing The Soviet Self Media And Social Change In The Former Soviet Union, especially related to Reinventing The Soviet Self Media And Social Change In The Former Soviet Union, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your

own Online Searches: Look for websites, forums, or blogs dedicated to Reinventing The Soviet Self Media And Social Change In The Former Soviet Union, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Reinventing The Soviet Self Media And Social Change In The Former Soviet Union books or magazines might include. Look for these in online stores or libraries. Remember that while Reinventing The Soviet Self Media And Social Change In The Former Soviet Union, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Reinventing The Soviet Self Media And Social Change In The Former Soviet Union eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Reinventing The Soviet Self Media And Social Change In The Former Soviet Union full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Reinventing The Soviet Self Media And Social Change In The Former Soviet Union eBooks, including some popular titles.

FAQs About Reinventing The Soviet Self Media And Social Change In The Former Soviet Union Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reinventing The Soviet Self Media And Social Change In The Former Soviet Union is one of the best book in our library for free trial. We provide copy of Reinventing The Soviet Self Media And Social Change In The Former Soviet Union in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reinventing The Soviet Self Media And Social Change In The Former Soviet Union. Where to download Reinventing The Soviet Self Media And Social Change In The Former Soviet Union

online for free? Are you looking for Reinventing The Soviet Self Media And Social Change In The Former Soviet Union PDF? This is definitely going to save you time and cash in something you should think about.
