- Travel Stories Bose Creative Publishers, 2022-07-07 Foreword Wanderlust Travel Stories is our publishing house's first travel stories collection. We consider this project very special since we embarked on this project during the pandemic when borders were still closed and travelling was highly restricted. It is during this time that many of us started recollecting our travel stories talking about trips that we had undertaken just a few years before as if it was a distant memory we dearly wanted to hold on to. That is how we conceptualised this book. We had an open call, one author contacted another author, an ardent traveller or a blogger and within a year we had over fifteen authors penning down their travel memories and exceptional experiences for this book. This book attempts to give a sense of the wealth of these solo family or group journeys. It is rich with anecdotes from sea voyages, hiking and biking trips, fishing and safari trips, a getaway in a resort during the pandemic, a trip to the North Pole and the South Pole and many more unique tales of wondering and wandering. We have tried to group these geographically. The range of writeups that we received surprised us. If one story dealt with painting on a cruise ship to Antarctica, then another talked about fishing in Alaska or restoring the dead in Indonesia, an artist spoke about his experience of painting graffiti on a wall bordering Mexico and a travelling spouse spoke about her memories of visiting Nelson Mandela's prison in South Africa, from a metaphysical journey in the Amazon to trekking expeditions to Armenia, from Cinque Terre in Italy to a waterfall in Argentina, from exploring ancient forts of India to following Napoleon Bonaparte's route across Europe on a bike. Every story is unique and it is precisely this nostalgic and spectacular travel tale we have tried to curate and collect in this book. We wish you an exciting journey ahead. Ship Ahoy Publisher July 7 2022 *Wanderlust: New Adventures in the Northern Sea* Katja Just, 2020-03-20 With her debut memoir *A Tiny Isle in the Northern Sea* Katja Just excited many readers for Hallig Hooge, the tiny marsh island in the middle of the North Frisian Sea. Born in Munich and living and working on Hooge for almost twenty years, she is considered by many to be the ambassador of Hallig Hooge and is tirelessly working for her adopted home. What does the future have in the store for Hooge? Climate change, environmental pollution and structural changes in agriculture and tourism do not stop at the Hallig isles. And what will the upcoming mayoral election bring should Katja Just really let herself be nominated? Once again the author takes her readers to her haven in the rough sea to her little piece of the world with the huge sky. The bestselling author tells very personal stories about challenges and new tasks about saying goodbye and a new roommate about traditions and searching for traces of lost heritages.
