Understanding Marriage, Family, and Intimate

Relationships

Jerry D. Lehman, 2005 This introductory textbook is for students who are interested in learning about and establishing healthy marriage family and intimate relationships With divorce rates high and relationships fragile books and courses are needed that help students address important issues regarding relationships The readers of this text examine many important and relevant issues through the lens of theory and research and do so using a written format that is readable understandable and easy to apply to one's life It was written so that each chapter has information that readers will find helpful as they attempt to establish and maintain meaningful healthy relationships There are questions throughout each chapter that help readers focus not only on the material but also on how the material relates to their present and past relationship and family situations The text provides material on the research of John Gottman the object relations theory of Harville Hendrix the solution focused approach of Michele Weiner Davis and the PREP approach to conflict management of Markman Stanley and Blumberg These and other topics discussed are very relevant to students concerns and are addressed in greater depth than found in most other texts The emphasis is not just on couple relationships but also on family relationships Therefore in this book there is extensive coverage of family systems theory and the influence of family rules and family structure on the development of families There is also material on how change produces transitions in family life that must be assimilated into the family structure for example when a couple has their first child Thus both couple and family issues are addressed throughout the book For instructors who want to focus their courses on marriage family and intimate relationships this book would be an ideal choice A study guide for students and instructional material for instructors can be obtained by visiting www.understandingrelationships.net

Happier at Home

Gretchen Rubin, 2012-09-04 Tolstoy wrote Happy families are all alike every unhappy family is unhappy in its own way This is the statement that inspired bestselling author Gretchen Rubin to wonder whether she could foster an even greater happiness in her home During The Happiness Project the same questions kept tugging at her How can I raise happy children How can I maintain a tender romantic relationship with my spouse after fifteen years of marriage How do I keep my Blackberry from taking over my private life How can I foster a well ordered light hearted atmosphere in my house when no one else will lift a finger to cooperate This book is Gretchen's account of her second journey in pursuit of happiness Prescriptive easy to follow and anecdotal Happier at Home offers readers a way of thinking and being that is positive and life affirming With specific examples following the calendar year an intimate voice and drawing from science and pop culture this book will resonate with anyone looking to strengthen the bonds of family

How to Listen so Parents Will Talk and Talk so Parents Will Listen John Sommers-Flanagan, Rita Sommers-Flanagan, 2011-05-25. In keeping with person-centered theory and therapy, John and Rita Sommers Flanagan have produced a book that will be immensely helpful for professionals who work with parents. Throughout the pages, there are many examples of practitioners honoring and respecting parents and listening deeply to how best to be of help. I am delighted that this book continues to echo and expand on my father's work, Natalie Rogers PhD REAT, author of *The Creative Connection* and *The Creative Connections for Groups*. Because parenting can be such a dizzying task, professionals working with parents need to have intelligible, compassionate, and ethical principles to guide their work. John and Rita Sommers Flanagan have mastered this complex terrain, and we are fortunate in this articulate and accessible book to gain from their exceptional experience and wisdom. Andrew Peterson EdD, author of *The Next Ten Minutes: 51 Absurdly Simple Ways to Seize the Moment*. Step-by-step guidance for building healthy dialogues with parents that open communication and promote positive outcomes. Embracing the uniqueness of every parent/family situation and practitioner. *How to Listen so Parents Will Talk and Talk so Parents Will Listen* helps professionals address the parent-child problems that families often find puzzling or challenging and for which they seek support and guidance. *How to Listen so Parents Will Talk and Talk so Parents Will Listen* features many specific interventions and methods for helping parents implement developmentally appropriate and scientifically supported strategies for building healthy parent-child relationships and working through the most common conflicts encountered in families. It includes: Tips for creating a positive therapist/client experience with parents; Guidelines for working with a variety of parents; Parenting tip sheets and homework assignments; Case studies focusing on many different parenting problems, including the strong-willed child, divorce, homework battles, spanking, and more. *How to Listen so Parents Will Talk and Talk so Parents Will Listen* will help you develop positive relationships with parents so that constructive two-way dialogue can be established. Even the most difficult and resistant parents can be successfully engaged through the helpful strategies, advice, and tools found in this practical guide.
