Relics Revisited Marti Lu Allen, Mauri L. Nelson, 2002 *Relics Revisited* New Perspectives on an Early Twentieth Century Collection is the accompanying exhibition catalogue to *In Search of Relics* an exhibition at the BYU Museum of Peoples and Cultures in Provo Utah It contains a complete photographic and descriptive catalogue of the Pectol Lee Collection of Artifacts from Capitol Reef as well as articles that explore the history of the Capitol Reef region the history of the collection itself and the significance of some of the hallmark objects in the collection a Fremont basketry cradle board a deer headdress and a group of Fremont baskets This is the first time that the collection has ever been published in its entirety *Perspectives on Prehistoric Trade and Exchange in California and the Great Basin* Richard E. Hughes, 2012-03-13 This volume investigates the circumstances and conditions under which trade exchange direct access and or mobility best account for material conveyance across varying distances at different times in the past *Pushing Boundaries in Southwestern Archaeology* Stephen E. Nash, Erin L. Baxter, 2023-04-07 *Pushing Boundaries in Southwestern Archaeology* draws together the proceedings from the sixteenth biennial Southwest Symposium In exploring the conference theme contributors consider topics ranging from the resuscitation of archaeomagnetic dating to the issue of Athapaskan origins from collections based studies of social identity foodways and obsidian trade to the origins of a rock art tradition and the challenges of a deeply buried archaeological record The first of the volume's four sections examines the status history and prospects of Bears Ears National Monument the broader regulatory and political boundaries that complicate the nature and integrity of the archaeological record and the cultural contexts and legal stakes of archaeological inquiry The second section focuses on chronological big data in the context of pre Columbian history and the potential and limits of what can be empirically derived from chronometric analysis of the past The chapters in the third section advocate for advancing collections based research focusing on the vast and often untapped research potential of archives previously excavated museum collections and legacy data The final section examines the permeable boundaries involved in Plains Pueblo interactions obvious in the archaeological record but long in need of analysis interpretation and explanation Contributors James R Allison Erin Baxter Benjamin A Bellorado Katelyn J Bishop Eric Blinman J Royce Cox J Andrew Darling Kaitlyn E Davis William H Doelle B Sunday Eiselt Leigh Anne Ellison Josh Ewing Samantha G Fladd Gary M Feinman Jeffrey R Ferguson Severin Fowles Willie Grayeyes Matthew Guebard Saul L Hedquist Greg Hodgins Lucas Hoedl John W Ives Nicholas Kessler Terry Knight Michael W Lindeman Hannah V Mattson Myles R Miller Lindsay Montgomery Stephen E Nash Sarah Oas Jill Onken Scott G Ortman Danielle J Riebe John Ruple Will G Russell Octavius Seowtewa Deni J Seymour James M Vint Adam S Watson **Dinéí Na`nitin** Robert S. McPherson, 2018-08-20 A knowledgeable and sensitive description of some of the basic aspects of traditional Navajo teachings thought and language Utah Historical Quarterly Traditional teachings derived from stories and practices passed through generations lie at the core of a well balanced Navajo life These teachings are based on a very

different perspective of the physical and spiritual world than that found in general American culture Din j Na nitin is an introduction to traditional Navajo teachings and history for a non Navajo audience providing a glimpse into this unfamiliar domain and illuminating the power and experience of the Navajo worldview Historian Robert McPherson discusses basic Navajo concepts such as divination good and evil prophecy and metaphorical thought as well as these topics relevance in daily life making these far ranging ideas accessible to the contemporary reader He also considers the toll of cultural loss on modern Navajo culture as many traditional values and institutions are confronted by those of dominant society Using both historical and modern examples he shows how cultural change has shifted established views and practices and illustrates the challenge younger generations face in maintaining the beliefs and customs their parents and grandparents have shared over generations This intimate look at Navajo values and customs will appeal not only to students and scholars of Native American studies ethnic studies and anthropology but to any reader interested in Navajo culture or changing traditional lifeways

The Past is a Foreign Country - Revisited David Lowenthal,2015-10 A completely updated new edition of David Lowenthal s classic account of how we reshape the past to serve present needs **Protestant Relics in Early America** Jamie L. Brummitt,2025-05-30 In this book Jamie L Brummitt upends long held assumptions about religion and material culture in the early United States by recovering the forgotten history and presence of Protestant relics This book will be an essential resource for scholars and students of early American history religion politics art and popular culture **Revisiting Museums of Influence** Mark O'Neill,Jette Sandahl,Marlen Mouliou,2020-12-29 Revisiting Museums of Influence presents 50 portraits of a range of European museums that have made striking innovations in public quality over the past 40 years In so doing the book demonstrates that excellence can be found in museums no matter their subject matter scale or source of funding Written by leading professionals in the field of museology who have acted as judges for the European Museum of the Year Award the portraits describe museums that had or should have had an influence on other museums around the world The portraits aim to capture the moment when this potential was identified and the introduction will locate the institutions in the wider history of museums in Europe over the period as well as drawing out common themes of change and innovation that unite the portraits Providing many very diverse portraits Revisiting Museums of Influence captures the immense capacity of the museum to respond to changing societal needs As a result the book will be essential reading for students of museology and museum professionals around the world in shaping the museums they wish to create Scholars and students of art history archaeology ethnography anthropology cultural and visual studies architecture memory studies and history will also find much to interest them **Archaeological Research on the Societies of Late Prehistoric Xinjiang, Vol 2** Guo Wu,2022-11-23 This book presents cutting edge archaeological materials from Xinjiang from the Bronze Age to the early Iron Age Through a systematic topological study of major archaeological cemeteries and sites it establishes chronologies and cultural sequences for three main regions in Xinjiang namely the circum Eastern Tianshan region the circum Dzungarian

Basin region and the circum Tarim Basin region It also discusses the origins and local variants of prehistoric archaeological cultures in these regions and the mutual relationships between them and neighboring cultures By doing so the book offers a panoramic view of the socio cultural changes that took place in prehistoric Xinjiang from pastoral agricultural societies to the mobile nomadic pastoralist states in the steppe regions and the agricultural states of the oasis making it a must read for researchers and general readers who are interested in the archaeology of Xinjiang **Revisiting Vietnam** Julia

Bleakney,2006 First Published in 2007 Routledge is an imprint of Taylor Francis an informa company The Making of Public Historical Culture in the American West, 1880-1910 Amanda Laugesen,2006 This book is a study of the establishment and development of historical societies in the late nineteenth and early twentieth century American West It concentrates on the people who created the historical societies of Kansas Oregon and Wisconsin from the first charter generation through to the first generation of professional historical society workers This study fills an important gap in our knowledge of the role those outside of the academy have held in the process of history making namely the role of state historical societies

Defining Memory Amy K. Levin,2007-03-01 Defining Memory uses case studies of exhibits from around the country to examine how local museums defined as museums whose collections are local in scope or whose audiences are primarily local have both shaped and been shaped by evolving community values and sense of history Levin and her contributors argue that these small institutions play a key role in defining America s self identity and should be studied as seriously as more national institutions like the Smithsonian and the Metropolitan Museum of Art The Indo-European Puzzle Revisited Kristian Kristiansen,Guus Kroonen,Eske Willerslev,2023-05-11 This book examines the impact of ancient DNA research and scientific evidence on our understanding of the emergence of Indo European languages in prehistory Offering cutting edge contributions from an international team of scholars it considers the driving forces behind the Indo European migrations during the 3rd and 2nd millenia BC The volume explores the rise of the world s first pastoral nomads the Yamnaya Culture in the Russian Pontic steppe including their social organization expansions and the transition from nomadism to semi sedentism when entering Europe It also traces the chariot conquest in the late Bronze Age and its impact on the expansion of the Indo Iranian languages into Central Asia In the final section the volumes consider the development of hierarchical societies and the origins of slavery A landmark synthesis of recent exciting discoveries the book also includes an extensive theoretical discussion regarding the integration of linguistics genetics and archaeology and the importance of interdisciplinary research in the study of ancient migration **The Fur Trade Revisited** Jo-Anne Fisk,2011-06-01 The Fur Trade Revisited is a

collection of twenty eight essays selected from the more than fifty presentations made at the Sixth North American Fur Trade Conference held on Mackinac Island Michigan in the fall of 1991 Essays contained in this important new interpretive work focus on the history archaeology and literature of a fascinating growing area of scholarly investigation Underscoring the work s multifaceted approach is an introductory essay by Lily McAuley titled Memories of a Trapper s Daughter This vivid

and compelling account of the fur trade life sets a level of quality for what follows Part one of The Fur Trade Revisited discusses eighteenth century fur trade intersections with European markets The essays in part two examine Native people and the strategies they employed to meet demands placed on them by the market for furs Part three examines the origins motives and careers of those who actually participated in the fur trade Part four focuses attention on the indigenous fur trade culture and subsequent archaeology in the area around Mackinac Island Michigan while part five contains studies focusing on the fur trade culture in other parts of North America Part six assesses the fur trade after 1870 and part seven contains evaluations of the critical historical and literary interpretations prevalent in fur trade scholarship Ethnologia Europaea vol. 44:2 Regina F. Bendix,Marie Sandberg,2015-02-04 The leitmotif of this special issue is revisiting Swedish and Danish scholars pay a visit to concepts and approaches of the field of European ethnology In re examining revising reawakening and relaunching concepts and approaches that might have otherwise been overlooked worn out or rejected they explore and explicate new dimensions of research that have remained tacit knowledge In engaging with past knowledge claims concepts and research endeavours the volume offers original reworkings of the role of everyday life in user driven innovation projects Tine Damsholt and Astrid P Jespersen on the possible links between the historic geographic atlas works and controversy mapping Anders K Munk and Torben Elgaard Jensen understanding the meaning and creation of archival knowledge Karin Gustavsson and of fieldwork engagements Frida Hastrup Discussing the role of continuity and rupture in past and present analyses Signe Mellemgaard and rethinking borders Fredrik Nilsson are further avenues explored Four main themes forge the connections of this volume reworking everyday life fieldwork as craftsmanship mapping connections and conversing with the past create a dynamic matrix of novel takes on ethnologies for the future The six contributions are supplemented with four comments in commenting on the revisits they contribute their own reflections on revisiting European ethnology

China, Cultural Heritage, and International Law Hui Zhong,2017-11-27 China is a country that is rich in antiquities but it is also a victim of looting that occurred during the period from the First Opium War to the end of the Japanese Occupation 1840 1945 when innumerable cultural objects were lost overseas The Chinese Government insists on asserting its interest over its wrongfully removed cultural heritage and has sought for the return of lost cultural heritage by all means in accordance with relevant international conventions and Chinese laws However securing the return has been and continues to be problematic Little research has been done regarding the question as to whether China has a legal basis for recovery which is the first legal hurdle that China needs to get over In addition China does not have a legal basis for all cultural heritage taken during the period of 1840 1945 Claims for return without a legal basis are usually silenced or at best discussed only but very rarely facilitated This book provides an answer for the return of Chinese cultural heritage It examines the law contemporaneous to the removal of Chinese cultural heritage and its application For this lack of a legal basis this book argues that a new customary international law is emerging according to which the interests of the states of origin in their

wrongfully removed heritage should be prioritised This proposed customary rule supports the return of wrongfully removed heritage Once this proposed customary rule is accepted it will provide a stronger argument not only for China but also for other states of origin with a similar dilemma including South Korea Egypt Greece Cambodia Turkey Peru and Italy to recover their wrongfully removed heritage While dealing with a large pool of return cases this book is valuable to museums and art collectors in the event of buying and accepting art objects and settling recovery disputes with states of origin It will also be of interest to researchers academics policymakers and students in the fields of cultural heritage law international law international trade and human rights law

Nomads as Agents of Cultural Change Reuven Amitai, Michal Biran, 2014-12-31 Since the first millennium BCE nomads of the Eurasian steppe have played a key role in world history and the development of adjacent sedentary regions especially China India the Middle East and Eastern and Central Europe Although their more settled neighbors often saw them as an ongoing threat and imminent danger barbarians in fact their impact on sedentary cultures was far more complex than the raiding pillaging and devastation with which they have long been associated in the popular imagination The nomads were also facilitators and catalysts of social demographic economic and cultural change and nomadic culture had a significant influence on that of sedentary Eurasian civilizations especially in cases when the nomads conquered and ruled over them Not simply passive conveyors of ideas beliefs technologies and physical artifacts nomads were frequently active contributors to the process of cultural exchange and change Their active choices and initiatives helped set the cultural and intellectual agenda of the lands they ruled and beyond This volume brings together a distinguished group of scholars from different disciplines and cultural specializations to explore how nomads played the role of agents of cultural change The beginning chapters examine this phenomenon in both east and west Asia in ancient and early medieval times while the bulk of the book is devoted to the far flung Mongol empire of the thirteenth and fourteenth centuries This comparative approach encompassing both a lengthy time span and a vast region enables a clearer understanding of the key role that Eurasian pastoral nomads played in the history of the Old World It conveys a sense of the complex and engaging cultural dynamic that existed between nomads and their agricultural and urban neighbors and highlights the non military impact of nomadic culture on Eurasian history Nomads as Agents of Cultural Change illuminates and complicates nomadic roles as active promoters of cultural exchange within a vast and varied region It makes available important original scholarship on the new turn in the study of the Mongol empire and on relations between the nomadic and sedentary worlds

The Silk Road Revisited Julie Hill, 2006-12-18 In Revisiting the Silk Road experienced author and traveller Julie Hill takes us on a spellbinding journey into the heart of a little known but volatile region stretching from Western China to the shores of the oil rich Caspian Sea and beyond to the Black Sea Hers is not only a series of journeys overland or a march through ancient history but an informed and contemporary view of life in both the liveliest cities and the

farthest flung outposts of what once was the world's stoutest and longest economic artery Julie Hills journey focuses on bazaars as a recurrent motif bazaars being the economic social and cultural centers of the Silk Road and radiates from these bazaars to the life around them Because she speaks their language literally and culturally Julie is often welcomed by her hosts not as a customer or a trader but as a confessor and a friend and she vindicates their trust by bringing their stories to life In Iran the author hears the predicament of women crying for freedom frustrated by the deteriorating economy and the conservatives stranglehold on power While inescapably exotic in its subjects and imagery the book is also a penetrating report on the effects of the recent geopolitical upheavals that have coursed through the region seen not from the distance of spy satellites or high government places but on the ground often literally on the street or in the homes of ordinary folk The realities of today's Silk Road are far more complex than often understood and this book provides an absorbing and authoritative guide to any reader in search of both a magical adventure and a hard nosed investigation into one of the world's most important and dynamic regions
