Henry Davenport Northrop

Relieving Golgotha:

The Gospel According to Mark George Martin, 2005 At the heart of this book is a verse by verse exposition of the New American Bible text of Mark's Gospel Interspersed throughout the text are dozens of short essays giving the social political economic and religious background and questions for reflection *Form Function Finland*, 1986 **Matthew's Memoirs of Jesus Christ: Or a Commentary on the Gospel According to Matthew. By James Morison ... Fourth Edition. [With the Text.]**, 1875 **Opening the Scriptures Bringing the Gospel of Mark to Life** George Martin, 2013-09-01 Jesus said to them Come after me Mark 1:17 The Gospel of Mark may be the briefest of the four Gospels but it is the richest in detail giving us descriptions of miracles and events in the life of Jesus found nowhere else in the Bible In common sense language and easy to understand concepts gifted Catholic writer George Martin brings Mark's words to life focusing on its meaning in the time of its writing as well as how this Gospel is meaningful for our lives today Whether you practice prayerful reading lectio divina prepare homilies lead or participate in Bible study groups are a Scripture teacher or seminarian you will find George Martin to be an enlightening and accessible guide to Mark's Gospel George Martin's expositions of the Gospels are written with admirable clarity They interpret each Gospel in its first century context convey the best insights of modern scholars and challenge readers to apply the text to their own lives Daniel Harrington S J Boston College School of Theology and Ministry **Face to Face** Geoff Barnard, 2016-09-08 The Fountain of Tears was created by my friend Rick Wienecke and we now believe that more than 20 000 people have visited the Fountain which is situated in Rick's backyard in Arad in the south of Israel This involves many 1000's of Israelis including Holocaust Survivors and even some Rabbis The communication of God's love through art touches their hearts This book is my theological contribution to Rick's inspiring creativity My prayer is that it will encourage a greater dialogue between Christian and Jewish theologians For example it has been said by an orthodox Jewish friend that the Fountain is probably one of the greatest arguments against the deception known as Replacement Theology which pervades much of the evangelical church in the western world This book also lays the biblical groundwork to help us understand that our faithful God will fulfill every promise that he has made to the Jewish people and to the Land of Israel *A Practical Commentary on the Gospel According to St. Matthew* James Morison, 1899 *St. Mark: intr., authorized version, revised version with notes, index and map, ed. by S.D.F. Salmond* Mark (st), 1902 **The Second Coming** Cyrene, 2014-04 The Second Coming takes a fresh look at the Gospel of Matthew through the unconditioned eyes of a truth seeker The book reinterprets the Gospel of Matthew from a non dualistic perspective and brings out spiritual insights totally unexpected The book also brings to the forefront the forgotten character of Joseph as the tekton of the Gospel The distinctive feature of the book is that it redefines abstruse or undefined biblical terms such as the Father the Son the Holy Spirit God heaven hell Serpent Satan sin etc in a new light that makes the interpretation internally consistent and also consistent with the external reality According to the book the message of the Gospel is straightforward The human body is

the Savior Therefore turn to the body The book goes beneath the literal content of the Gospel of Matthew to discover its soul

The Secret of the Spear Alec Maclellan, 2011-03-01 The spear used by Longinus the Roman centurion to pierce the side of Christ as he hung on the cross has long been believed to be an object of great supernatural and occult power with the capacity for good or evil It has been sought by the most powerful figures in history who have believed that its power as the Spear of Destiny can change history The spear's history from the Dark Ages to the Twentieth century is a dark one of mystery and death Alec Maclellan tracks the spear from mention in the Bible through sagas of the Middle Ages to its last known resting place as a prized possession of Adolf Hitler

Inside Bluebeard's Castle Carl S. Leafstedt, 1999-11-04 This is the first book length examination of Bartók's 1911 opera Duke Bluebeard's Castle one of the twentieth century's enduring operatic works Writing in an engaging style Leafstedt adopts an interdisciplinary approach to the opera by introducing in addition to music dramatic analysis a number of topics that are new to the field of Bartók studies These new areas of critical and scholarly terrain include a detailed literary study of the libretto and a gender focused analysis of the opera's female character Judith Leafstedt begins with a short introductory chapter that places Duke Bluebeard's Castle within the context of Bartók's early composing career his discovery of folk music and its impact on his later work The book goes on to explore the composition's troubled history its failure to win two early Hungarian opera competitions and the three versions of the ending that resulted discussed here in depth for the first time The core of the book is devoted to the musical and dramatic organization of the opera and offers an analysis of the seven

individual door scenes including a detailed analysis of scene six the lake of tears scene illustrating the work s complex tonal organization and dramatic structure A separate chapter places this darkly psychological version of the Bluebeard story within the broader context of European history and literature Throughout the book Leafstedt draws on original Hungarian source material much of it newly translated by the author and available here for the first time in English and he includes a generous selection of musical examples Inside Bluebeard s Castle is an ideal starting point for research in twentieth century music Hungarian cultural history and opera studies as well as an invaluable guide for anyone interested in Bart k s only opera
