Zinbarg, 2005-01-01 Most books on business ethics approach the

subject philosophically That approach Zinbarg tells us is that it neglects the most important source of most people's understanding of right and wrong their religious tradition While philosophy can shed the light of reason on the ethical dilemmas of economic life it's less than convincing about why we ought to behave well lacking the compelling urgency of religious faith Following a wonderfully lucid and succinct summary of the ethical systems relative to Judaism Christianity Islam Hinduism Buddhism and Confucianism the author presents a variety of case studies in lively dialogue form from the whole gamut of economic life including misrepresentation by sellers truth in advertising the ethics of part time employment child labor and environmental ethics The solutions may vary from tradition to tradition but overall one is struck by the similarities This is a book grounded in the real ethical challenges of modern business practice with a kind of world religious perspective so necessary in an era of globalization

Religious Perspectives on Business Ethics Thomas O'Brien, Scott Paeth, 2006-11-17 In the first anthology of its kind Thomas O'Brien and Scott Paeth have gathered unique pieces from across religious perspectives to illustrate the growing influence and contribution of religion to the field of business ethics Events in the recent past make clear people in business urgently need to focus on the moral dimension of practices and behaviors Courses in business ethics are increasingly more prevalent in business schools and in departments of philosophy and religious studies and yet texts for these courses normally pay scant attention to the much needed religious perspective on what constitutes ethical practice and behavior O'Brien and Paeth now fill that need with this new text Tackling such wide ranging subjects as Jewish environmental ethics Zen in the workplace and Christian social ethics this text is a valuable addition to any business ethics course
