RELIGION IN THE PRACTICE OF  
DAILY LIFE IN WORLD HISTORY

# Religion And Everyday Life

**Peter Nynäs**

## **Religion And Everyday Life:**

**Vernacular Religion in Everyday Life** Marion Bowman, Ulo Valk, 2014-10-14 Vernacular religion is religion as people experience understand and practice it It shapes everyday culture and disrupts the traditional boundaries between official and folk religion The book analyses vernacular religion in a range of Christian denominations as well as in indigenous and New Age religion from the nineteenth century to today How these differing expressions of belief are shaped by their individual communal and national contexts is also explored What is revealed is the consistency of genres the persistence of certain key issues and how globalization in all its cultural and technological forms is shaping contemporary faith practice The book will be valuable to students of ethnology folklore religious studies and anthropology **Lived Religion** Meredith B

McGuire, 2008-08-22 How can we grasp the complex religious lives of individuals such as Peter an ordained Protestant minister who has little attachment to any church but centers his highly committed religious practice on peace and justice activism Or Hannah a devout Jew whose rich spiritual life revolves around her women s spirituality group and the daily practice of meditative dance Or Laura who identifies as Catholic but rarely attends Mass and engages daily in Buddhist style meditation at her home altar arranged with symbols of Mexican American popular religion Diverse religious practices such as these have long baffled scholars whose research often starts with the assumption that individuals commit or refuse to commit to an entire institutionally framed package of beliefs and practices Meredith McGuire points the way forward toward a new way of understanding religion She argues that scholars must study religion not as it is defined by religious organizations but as it is actually lived in people s everyday lives Drawing on her own extensive fieldwork as well as recent work by others McGuire explores the many seemingly mundane ways that individuals practice their religions and develop their spiritual lives By examining the many eclectic and creative practices of body mind emotion and spirit that have been invisible to researchers she offers a fuller and more nuanced understanding of contemporary religion *Religion and Everyday Life*

Stephen Hunt, 2013-01-11 This introductory text explores the historical and contemporary relevance of religion to social life through an examination of practice and belief Author Hunt reconsiders how theories and concepts are lived at the level of selfhood and cultural identity through religious and spiritual belief At the same time he looks at contemporary changes in religious life and how these are impacted by socialization institutional belonging and belief and at the significance of class gender age and ethnicity Individual chapters cover a range of issues such as religion identity and community secularization and pluralism traditional Christianity change and continuity globalization and the global context religion and ethnicity The text challenges much current sociological thought and deals with contemporary Christianity a range of world faiths and new and developing expressions of religion and spirituality With tables and diagrams to illustrate key points and trends it provides an accessible and captivating introduction to the sociology of religion **My Religion in Everyday Life** Josiah

Strong, 1910 Sacred Stories, Spiritual Tribes Nancy Tatom Ammerman, 2014 Nancy Tatom Ammerman examines the

stories Americans tell of their everyday lives from dinner table to office and shopping mall to doctor's office about the things that matter most to them and the routines they take for granted and the times and places where the everyday and ordinary meet the spiritual. In addition to interviews and observation, Ammerman bases her findings on a photo elicitation exercise and oral diaries offering a window into the presence and absence of religion and spirituality in ordinary lives and in ordinary physical and social spaces. The stories come from a diverse array of ninety-five Americans, both conservative and liberal Protestants, African American Protestants, Catholics, Jews, Mormons, Wiccans, and people who claim no religious or spiritual proclivities across a range that stretches from committed religious believers to the spiritually neutral. Ammerman surveys how these people talk about what spirituality is, how they seek and find experiences they deem spiritual, and whether and how religious traditions and institutions are part of their spiritual lives.

Religion and Everyday Life and Culture Vincent F. Biondo, Richard D. Hecht, 2010-03-25 This intriguing three-volume set explores the ways in which religion is bound to the practice of daily life and how daily life is bound to religion. In *Religion and Everyday Life and Culture*, 36 international scholars describe the impact of religious practices around the world using rich examples drawn from personal observation. Instead of repeating generalizations about what religion should mean, these volumes examine how religions actually influence our public and private lives on the ground on a day-to-day basis. Volume one introduces regional histories of the world's religions and discusses major ritual practices such as the Catholic Mass and the Islamic pilgrimage to Mecca. Volume two examines themes that will help readers understand how religions interact with the practices of public life, describing the ways religions influence government, education, criminal justice, economy, technology, and the environment. Volume three takes up themes that are central to how religions are realized in the practices of individuals. In these essays, readers meet a shaman healer in South Africa, laugh with Buddhist monks, sing with Bob Dylan, cheer for Australian rugby, and explore Chicana and Iranian art.

**Religion in Everyday Life** Sir Wilfred Thomason Grenfell, 1926

**Food, Sex and Strangers** Graham Harvey, 2014-09-11 Religion is more than a matter of worshipping a deity or spirit. For many people, religion pervades every part of their lives and is not separated off into some purely private and personal realm. Religion is integral to many people's relationship with the wider world, an aspect of their dwelling among other beings, both human and other than human, and something manifested in the everyday world of eating food, having sex, and fearing strangers. *Food, Sex and Strangers* offers alternative ways of thinking about what religion involves and how we might better understand it. Drawing on studies of contemporary religions, especially among indigenous peoples, the book argues that religion serves to maintain and enhance human relationships in and with the larger-than-human world. Fundamentally, religion can be better understood through the ways we negotiate our lives than in affirmations of belief, and it is best seen when people engage in intimate acts with themselves and others.

*The Spiritual Self in Everyday Life* Richard Rabinowitz, 1989

Religion and Everyday Life and Culture: Religion in the practice of public life Richard D. Hecht, Vincent F. Biondo, 2010 This intriguing three-volume set

explores the ways in which religion is bound to the practice of daily life and how daily life is bound to religion Faith and Reason from Plato to Plantinga Dewey J. Hoitenga, 1991-01-01 Analyse Contient un chapitre sur la connaissance de Dieu dans la thologie de Calvin *Religion and Everyday Life and Culture: Religion in the practice of private life* Richard D. Hecht, Vincent F. Biondo, 2010 This intriguing three volume set explores the ways in which religion is bound to the practice of daily life and how daily life is bound to religion Political Religion, Everyday Religion: Sociological Trends Pål Repstad, 2019-04-09 As the title suggests Political Religion Everyday Religion Sociological Trends reflects upon two important trends that have recently emerged in the sociology of religion Firstly there is an increasing interest in the interplay between religion and politics Religion has moved from being almost ignored by sociologists to being acknowledged some would even say overrated as an important political factor Secondly ordinary people s everyday religion has likewise become an important topic for many researchers In this book James Beckford Inger Furseth and other prominent scholars present critical discussions and empirical studies of both political and everyday religion and the editor P l Repstad shows how these two trends should enter into a closer dialogue The book is essential for both students and experienced researchers in the sociology of religion Contributors are James A Beckford Inger Furseth Kristina Grundetjern Jan Olav Henriksen Ida Marie Heg Nils Martinus Justvik Bjarte Leer Helgesen Paul Leer Salvesen Anne L vland Tomas Rasmussen P l Repstad Tale Steen Johnsen and Irene Trysnes **Religion, Gender and Sexuality in Everyday Life** Peter Nynäs, 2016-04-08 Exploring the intersection between religion gender and sexuality within the context of everyday life this volume examines contested identities experiences bodies and desires on the individual and collective levels With rich case studies from the UK USA Europe and Asia Religion Gender and Sexuality in Everyday Life sheds light on the manner in which individuals appropriate negotiate transgress invert and challenge the norms and models of various religions in relation to gender and sexuality and vice versa Drawing on fascinating research from around the world this book charts central features of the complexities involved in everyday life examining the messiness limits transformations and possibilities that occur when subjectivities religious and cultural traditions and politics meet within the local as well as transnational contexts As such it will be of interest to scholars of sociology anthropology geography and cultural studies examining questions of religion and spirituality gender and sexuality and individual and collective identities in contemporary society **International Handbook of Practical Theology** Birgit Weyel, Wilhelm Gräb, Emmanuel Lartey, Cas Wepener, 2022-09-06 Practical theology has outgrown its traditional pastoral paradigm The articles in this handbook recognize that faith spirituality and lived religion within and beyond institutional communities refer to realms of cultures ritual practices and symbolic orders whose boundaries are not clearly defined and whose contents are shifting The International Handbook of Practical Theology offers insightful transcultural conceptions of religion and religious matters gathered from various cultures and traditions of faith The first section presents concepts of religion Chapters have to do with considerations of the conceptualizing of religion in the fields

of anthropology community family institution law media and politics among others The second section is dedicated to case studies of religious practices from the perspective of their actors The third section presents major theoretical discourses that explore the globally significant diversity and multiplicity of religion Altogether sixty one authors from different parts of the world encourage a rethinking of religious practice in an expanded transcultural globalized and postcolonial world My Religion in Everyday Life Josiah Strong, 2014-03-29 This Is A New Release Of The Original 1910 Edition **Religion and Everyday Life and Culture** Vincent F. Biondo, Richard D. Hecht, 2010-03-25 This intriguing three volume set explores the ways in which religion is bound to the practice of daily life and how daily life is bound to religion In Religion and Everyday Life and Culture 36 international scholars describe the impact of religious practices around the world using rich examples drawn from personal observation Instead of repeating generalizations about what religion should mean these volumes examine how religions actually influence our public and private lives on the ground on a day to day basis Volume one introduces regional histories of the world s religions and discusses major ritual practices such as the Catholic Mass and the Islamic pilgrimage to Mecca Volume two examines themes that will help readers understand how religions interact with the practices of public life describing the ways religions influence government education criminal justice economy technology and the environment Volume three takes up themes that are central to how religions are realized in the practices of individuals In these essays readers meet a shaman healer in South Africa laugh with Buddhist monks sing with Bob Dylan cheer for Australian rugby and explore Chicana and Iranian art Includes contributions from 36 scholars from a dozen countries around the globe *What Happens When We Practice Religion?* Robert Wuthnow, 2020-05-19 An exploration of the interdisciplinary methods used to understand religious practice Religion is commonly viewed as something that people practice whether in the presence of others or alone But what do we mean exactly by practice What approaches help to answer this question What Happens When We Practice Religion delves into the central concepts arguments and tools used to understand religion today Throughout the past few decades the study of religion has shifted away from essentialist arguments that grandly purport to explain what religion is and why it exists Instead using methods from anthropology psychology religious studies and sociology scholars now focus on what people do and say their daily religious habits routines improvisations and adaptations Robert Wuthnow shows how four intersecting areas of inquiry situations intentions feelings and bodies shed important light on religious practice and he explores such topics as the role of religious experiences in sacred spaces gendered social relationships educational settings the arts meditation and ritual Suitable for undergraduate and graduate courses What Happens When We Practice Religion provides insights into the diverse ways that religion manifests in ordinary life Summarizes the latest theories and empirical methods of religious practice Shows how the study of religion has changed Includes chapters on theory situations intentions feelings and bodies Draws from anthropology psychology religious studies and sociology Accessible for undergraduate and graduate courses *The Methodist family*

Young Methodism, 1885      *New Approaches to the Study of Religion: Regional, critical, and historical approaches* Peter Antes, Armin W. Geertz, Randi Ruth Warne, 2004 Internationally recognized scholars from many parts of the world provide a critical survey of recent developments and achievements in the global field of religious studies. The work follows in the footsteps of two former publications: *Classical Approaches to the Study of Religion* edited by Jacques Waardenburg 1973 and *Contemporary Approaches to the Study of Religion* edited by Frank Whaling 1984-85. *New Approaches to the Study of Religion* completes the survey of the comparative study of religion in the twentieth century by focussing on the past two decades. Many of the chapters however are also pathbreaking and point the way to future approaches.
