*Anti-Semitism and Schooling Under the Third Reich* Gregory Wegner, 2014-02-04 This book investigates the anti Semitic foundations of Nazi curricula for elementary schools with a focus on the subjects of biology history and literature Gregory Paul Wegner argues that any study of Nazi society and its values must probe the education provided by the regime Schools according to Wegner play a major role in advancing ideological justifications for mass murder and in legitimizing a culture of ethnic and racial hatred Using a variety of primary sources Wegner provides a vivid account of the development of Nazi education International Labour Review ,1927 *Beyond Eurocentrism and Anarchy* S. Grovogui, 2016-04-30 This book re evaluates international knowledge in light of recent scholarship in the fields of hermeneutics ethnography and historiography regarding the non West the past and the present of international society It offers a view of the present in the form of a critique of Euro centrism and occidentalist views of the postwar order *Roma, Gypsies* Marielle Danbakli, 2001 A collection of texts in a single handy volume issued by the European Community the Council and the European Parliament the Council of Europe including the Committee of Europe CLARAE CAHID and the CDCC and other international institutions including the Conference on Security and Co operation in Europe the United Nations and the UN High Commission for Refugees **The Oxford Handbook of the Jesuits** Ines G. Županov, 2019 Through its missionary pedagogical and scientific accomplishments the Society of Jesus known as the Jesuits became one of the first institutions with a truly global reach in practice and intention The Oxford Handbook of the Jesuits offers a critical assessment of the Order helping to chart new directions for research at a time when there is renewed interest in Jesuit studies In particular the Handbook examines their resilient dynamism and innovative spirit grounded in Catholic theology and Christian spirituality but also profoundly rooted in society and cultural institutions It also explores Jesuit contributions to education the arts politics and theology among others The volume is organized in seven major sections totaling forty articles on the Order s foundation and administration the theological underpinnings of its activities the Jesuit involvement with secular culture missiology the Order s contributions to the arts and sciences the suppression the Order endured in the 18th century and finally the restoration The volume also looks at the way the Jesuit Order is changing including becoming more non European and ethnically diverse with its members increasingly interested in engaging society in addition to traditional pastoral duties Renaissance Humanism , 2014-03-14 By far the best collection of sources to introduce readers to Renaissance humanism in all its many guises What distinguishes this stimulating and useful anthology is the vision behind it King shows that Renaissance thinkers had a lot to say not only about the ancient world one of their habitual passions but also about the self how civic experience was configured the arts the roles and contributions of women the new science the new world and so much more Christopher S Celenza Johns Hopkins University **The Routledge Companion to Global Literary Adaptation in the Twenty-First Century** Brandon Chua, Elizabeth Ho, 2023-03-10 The Routledge Companion to Global Literary Adaptation in the Twenty First Century offers

new perspectives on contemporary literary adaptation as a dynamically global field Featuring contributions from an international team of established and emerging scholars this volume considers literary adaptation to be a complex global network of influences appropriations and audiences across a diversity of media It offers site specific case studies that situate literary adaptation within global market forces while challenging the homogenizing effects of globalization on local literatures and adaptation practices The collection also provides a multi disciplinary and transnational discussion around a wide array of topics in literary adaptation in a global context such as soft power decolonization global justice the posthuman eco criticism and forms of activism This Companion provides scholars researchers and students with a survey of key methodologies current debates and ideologies emerging from a new and exciting phase in literary adaptation *Daily Report* ,1990-07 **International Record of Medicine and General Practice Clinics** Frank Pierce Foster,1901

*International Library of Technology* ,1903 *Bulletin of the Atomic Scientists* ,1972-09 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Portraits of Women in International Law** Immi Tallgren,2023-04-15 Current histories seem to suggest that men alone have been capable of the development of ideas analysis and practice of international law until the 1990s Is this the case Or have others been erased from the collective images of this history including the portrait gallery of notables in international law Portraits of Women in International Law New Names and Forgotten Faces investigates the slow and late inclusion of women in the spheres of knowledge and power in international law The forty two textual and visual representations by a diverse team of passionate portraitists represent women and gender non conforming people in international law from the fourteenth century onwards around the world individuals and groups who imagined developed or contested international law who earned their living in its institutions or who even indirectly may have changed its course This rich volume calls for a critical identification of the formal and informal institutional practices norms and rituals of white masculinities both in the past and in the research of international law today By abandoning reductive histories their biased frames and tacit assumptions this work brings previously unseen glimpses of international law and its agents ideas causes behaviour norms and social practices into the spotlight *The Routledge Handbook of the New African Diasporic Literature* Lokangaka Losambe,Tanure Ojaide,2024-05-16 The Routledge Handbook of the New African Diasporic Literature introduces world literature readers to the transnational multivocal writings of immigrant African authors Covering works produced in Europe North America and elsewhere in the world this book investigates three major aesthetic paradigms in African diasporic literature the Sankofan wave late 1960s early 1990s the Janusian wave 1990s 2020s and the Offshoots of the New Arrivants those born and growing up outside Africa Written by well established and emerging scholars of African and diasporic literatures from across the world the chapters in the book cover the works of well known and not so well known Anglophone Francophone and

Lusophone writers from different theoretical positionalities and critical approaches pointing out the unique innovative artistic qualities of this major subgenre of African literature The focus on the diasporic consciousness of the writers and their works sets this handbook apart from others that solely emphasize migration which is more of a process than the community of settled African people involved in the dynamic acts of living reflected in diasporic writings This book will appeal to researchers and students from across the fields of Literature Diaspora Studies African Studies Migration Studies and Postcolonial Studies

The Top Books of the Year Roma Gypsies Texts Ibued By International Institutions The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. Roma Gypsies Texts Ibued By International Institutions : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Roma Gypsies Texts Ibued By International Institutions : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
