Roman Banquet Images Of Conviviality:

The Roman Banquet Katherine M. D. Dunbabin, 2003 Dining was an important social occasion in the classical world Scenes of drinking and dining decorate the wall paintings and mosaic pavements of many Roman houses They are also painted in tombs and carved in relief on sarcophagi and on innumerable smaller grave monuments Drawing frequently upon ancient literature inscriptions as well as archaeological evidence this book examines the visual and material evidence for dining through Roman antiquity Richly illustrated *Roman Banqueting* offers the fullest and varied picture of the role of the banquet in Roman life

Art and Inscriptions in the Ancient World Zahra Newby, Ruth Leader-Newby, 2007 This book explores the juxtapositions of image and text in a wide variety of ancient works of art

Romans Disarmed Sylvia C. Keesmaat, Brian J. Walsh, 2019-05-21 Globalization Homelessness Ecological and economic crisis Conflicts over sexuality Violence These crisis level issues may seem unique to our times but Paul's Letter to the Romans has something to say to all of them Following their successful *Colossians Remixed* Sylvia Keesmaat and Brian Walsh unpack the meaning of Romans for its original context and for today The authors demonstrate how Romans disarms the political economic and cultural power of the Roman Empire and how this ancient letter offers hope in today's crisis laden world *Romans Disarmed* helps readers enter the world of ancient Rome and see how Paul's most radical letter transforms the lives of the marginalized then and now Intentionally avoiding abstract debates about Paul's theology Keesmaat and Walsh move back and forth between the present and the past as they explore themes of home economic justice creation care the violence of the state sexuality and Indigenous reconciliation They show how Romans engages with the lived reality of those who suffer from injustice both in the first century and in the midst of our own imperial realities

A Cultural History of Food in Antiquity Paul Erdkamp, 2014-05-22 From Archaic Greece until the Late Roman Empire c 800 BCE to c 500 CE food was more than a physical necessity it was a critical factor in politics economics and culture On the one hand the Mediterranean landscape and climate encouraged particular crops notably cereals vines and olives but with the risks of crop failure ever present control of food resources was vital to economic and political power On the other hand diet and dining reflected complex social hierarchies and relationships What was eaten with whom and when was a fundamental part of the expression of one's role and place in society In addition symbolism and ritual suffused foodstuffs their preparation and consumption *A Cultural History of Food in Antiquity* presents an overview of the period with essays on food production food systems food security safety and crises food and politics eating out professional cooking kitchens and service work family and domesticity body and soul representations of food and developments in food production and consumption globally

The Lord's Supper in Corinth in the Context of Greco-Roman Private Associations Jin Hwan Lee, 2018-11-02 In this socio historical study Jin Hwan Lee offers fresh insights on social aspects of communal banqueting practice in early Christ groups particularly in Corinth With an emphasis on banqueting practice in Greco Roman private associations he attempts to understand social conflicts at communal

gatherings of the Christ group in Corinth His research on the social dynamics of banquet meetings in associations is thorough fresh and even striking readers will be amply rewarded by new ideas to this field Making use of a wide range of ancient literature and epigraphical and papyrological sources from associations Lee helps recover the real issues that the Christ group members encountered at their communal meal described in 1 Cor 11 17 34 boldly claiming that current scholarly approaches to these issues at the Corinthian Christ group communal meal are anachronistic Lee provides a new paradigm for thinking about early Christ movement meals and by and large early Christ movements in the first and second centuries A D Papers in Italian Archaeology VII: The Archaeology of Death Edward Herring,Eoin O'Donoghue,2018-08-13 This volume collects more than 60 papers by contributors from the British Isles Italy and other parts of continental Europe and North and South America focussing on recent developments in Italian archaeology from the Neolithic to the modern period *An Introduction to the Ancient World* Lukas de Blois,R.J. van der Spek,2008-10-24 Integrating the results of scholarly work from the past decade the authors of *An Introduction to the Ancient World* Lukas de Blois and R J van der Spek have fully updated and revised all sixteen chapters of this best selling introductory textbook Covering the history and culture of the ancient Near East Greece and Rome within the framework of a short narrative history of events this book offers an easily readable integrated overview for students of history classics archaeology and philosophy whether at college at undergraduate level or among the wider reading public This revised second edition offers a new section on early Christianity and more specific information on the religions economies and societies of the ancient Near East There is extended coverage of Greek Macedonian and Near Eastern history of the fourth to second centuries BC and the history of the Late Roman Republic The consequences of Julius Caesar s violent death are covered in more detail as are the history and society of Imperial Rome This new edition is comprehensive covers 3 000 years of ancient history and provides the basis for a typical one semester course lavishly illustrated contains maps line drawings and plates to support and supplement the text with updated captions clearly and concisely written two established and respected university teachers with thirty years experience in the subject areas well organized traces the broad outline of political history but also concentrates on particular topics user friendly includes chapter menus an extensive and expanded bibliography organized by subject area and three appendices an improved introduction and the addition of an epilogue ***An Introduction to the Ancient World*** , *Across Space and Time* Patrick Haughey,2017-07-12 Modernity tends to be considered a mostly Western chronologically recent concept Looking at locations in Brazil Java India Georgia and Yugoslavia among others *Across Space and Time* provides architectural and cultural evidence that modernity has had an impact across the globe and for much longer than previously conceived This volume moves through space and time to illustrate the way global modernity has been negotiated through architecture urban planning design pedagogies preservation and art history in diverse locations around the world Bringing together emerging and established architecture and art history scholars each chapter focuses on a particular site where modernity was defined

challenged or reinterpreted The contributors examine how architectures landscapes and design thinking influence and are influenced by conflicts between cultural economic technological and political forces By invoking well researched histories to ground their work in a post colonial critique they closely examine many prevailing myths of modernity Notable topics include emerging architectural history in the Indian subcontinent and the connection between climate change and architecture Ultimately *Across Space and Time* contributes to the ongoing critique of architecture and its history both as a discipline and within the academy The authors insist that architecture is more than a style It is a powerful expression of representational power that reveals how a society negotiates its progress

The Roman Civil Wars Dominik Maschek, 2025-04-11 The late Roman Republic was characterized by severe crises ranging from the time of the Gracchi to the Battle of Actium and finally ending with the Principate of Augustus Individual military leaders such as Marius Sulla and Pompey acquired so much power that the internal cohesion of the Republic was shattered The Roman state descended into civil war By drawing upon a range of case studies from monumental building to public dining Dominik Maschek demonstrates that the harsh realities and disruptions of civil war were intimately bound up with growing wealth and prosperity on the one hand they were fueled by the increasing complexity of urban life and conspicuous consumption which gave rise to greed and violent appropriation on the other hand by the forceful and premature promotion of new controlling generations they also played a vital role in conditioning the worldviews and socio cultural norms that regulated the use of material culture Drawing upon the latest advances in Roman archaeology and history Dominik Maschek uses buildings and images as well as rituals and acts of state to analyze these structural underpinnings and the impact of the late Republican civil wars and for the first time offers an overall interpretation of their cultural history

Through the Eye of a Needle Peter Brown, 2012-09-02 *Through the Eye of a Needle* is a sweeping intellectual and social history of the vexing problem of wealth in Christianity in the waning days of the Roman Empire

A Cultural History of Tragedy in Antiquity Emily Wilson, 2021-05-20 In this volume tragedy in antiquity is examined synoptically from its misty origins in archaic Greece through its central position in the civic life of ancient Athens and its performances across the Greek speaking world to its new and very different instantiations in Republican and Imperial Roman contexts Lively original essays by eminent scholars trace the shifting dramatic forms performance environments and social meanings of tragedy as it was repeatedly reinvented Tragedy was consistently seen as the most serious of all dramatic genres these essays trace a sequence of different visions of what the most serious kind of dramatic story might be and the most appropriate ways of telling those stories on stage Each chapter takes a different theme as its focus forms and media sites of performance and circulation communities of production and consumption philosophy and social theory religion ritual and myth politics of city and nation society and family and gender and sexuality

Inscribing Faith in Late Antiquity Sean V. Leatherbury, 2019-07-26 *Inscribing Faith in Late Antiquity* considers the Greek and Latin texts inscribed in churches and chapels in the late antique Mediterranean c 300 800 CE compares them to similar

texts from pagan Jewish and Muslim spaces of worship and explores how they functioned both textually and visually These texts not only recorded the names and prayers of the faithful but were powerful verbal and visual statements of cultural values and religious beliefs conveying meaning through their words as well as through their appearances In fact the two were intimately connected All of these texts Christian Jewish Muslim and pagan acted visually embracing their own materiality as mosaic paint or carved stone Colourful and artfully arranged the inscriptions framed human relationships with the divine encouraged responses from readers and made prayers material In the first in depth examination of the inscriptions as words and as images the author reimagines the range of aesthetic cultural and religious experiences that were possible in spaces of worship *Inscribing Faith in Late Antiquity* is essential reading for those interested in Roman late antique and Byzantine material and visual culture inscriptions and other texts and religious life in the ancient Mediterranean

Ecologizing Late Ancient and Byzantine Worlds Laura Borghetti, Thomas Arentzen, 2025-07-10 How can we study the late ancient and Byzantine history from ecological perspectives How might one grapple with the more than human in sources and media created by humans Exploring the diverse ways in which pre modern texts engaged with the broader natural world this book presents scholarly ventures into the terrains of the past From the ancient treatises on dreams to monastic tales from the Hexameron literature to the Byzantine romance from the Exeter Book to a mysterious Byzantine icon the chapters investigate a diverse range of literature and other sources uncovering intricate ecosystems of relationships The team of leading international experts behind the volume focuses on encounters between human and more than human beings They pay attention to the entanglement of multiple agencies that cut through texts and other meshes With insights from such theoretical traditions as ecocriticism new materialism and environmental humanities they re expose ancient media to the elements

Death and Rebirth in Late Antiquity Lee M. Jefferson, 2022-08-16 Death and rebirth was of vital importance to early Christians in late antiquity In late antiquity death was all encompassing Mortality rates were high plague and disease in urban areas struck at will and one lived on the knife s edge regarding one s health Religion filled a crucial role in this environment offering an option for those who sought cure and comfort Following death the inhumed were memorialized providing solace to family members through sculpture painting and epigraphy This book offers a sustained interdisciplinary treatment of death and rebirth a theme that early Christians and scholars found important By analysing the theme of death and rebirth through various lenses the contributors deepen our understanding of the early Christian funerary and liturgical practices as well as their engagement with other groups in the Empire

Contested Ethnicities and Images David L. Balch, 2015-04-28 Ethnic values changed as Imperial Rome expanded challenging ethnocentric values in Rome itself as well as in Greece and Judea Rhetorically Roman Greek and Judean writers who eulogized their cities all claimed they would receive foreigners Further Greco Roman narratives of urban tensions between rich and poor proud and humble promoted reconciliation and fellowship between social classes Luke wrote Acts in this ethnic economic political context narrating Jesus

as a founder who changed laws to encourage receiving foreigners which promoted civic missionary growth and legitimated interests of the poor and humble David L Balch relates Roman art to early Christianity and introduces famous pre Roman Corinthian artists He shows women visually represented as priests compares Dionysian and Corinthian charismatic speech and argues that larger assemblies of the earliest Pauline believers sat 1 Cor 14 30 in taverns Also the author demonstrates that the image of a pregnant woman in Revelation 12 subverts imperial claims to the divine origin of the emperor before finally suggesting that visual representations by Roman domestic artists of a category of women who upset expected forms of conduct Bergmann encouraged early Christian women like Thecla Perpetua and Felicitas to move beyond gender stereotypes of being victims Balch concludes with two book reviews one of Nicolas Wiater s book on the Greek biographer and historian Dionysius who was a model for both Josephus and Luke Acts the second of a book by Frederick Brenk on Hellenistic philosophy and mystery religion in relation to earliest Christianity

Housing in Late Antiquity - Volume 3.2 Luke Lavan,Lale Özgenel,Alexander Sarantis,2007-10-01 This book examines a number of themes relating to housing in Late Antiquity Two extensive bibliographic essays provide an overview of published literature relating to housing in this period A selection of thematic essays focus on episcopia lighting privacy vs public access and building regulations These are complemented by regional syntheses covering Spain and Africa and case studies of recently investigated urban houses from across the Mediterranean from Gaul to Jordan Whilst being firmly based in Late Antiquity the volume also looks forward to Middle Byzantine and Early Islamic housing with papers on rock cut houses in Cappadocia and a wealthy dar from Pella in Jordan destroyed by earthquake with its inhabitants inside in A D 749

Petronius Jonathan R. W. Prag,Ian D. Repath,2013-01-22 Petronius A Handbook unravels the mysteries of the Satyricon one of the greatest literary works that antiquity has bequeathed to the modern world Includes a dozen original essays by a team of leading Petronius and Roman history scholars Features the first multi dimensional approach to Satyricon studies by exploring the novel s literary structure social and historic contexts and modern reception Supplemented by illustrations plot outline glossary map bibliography and suggestions for further reading

Domestic Space in Classical Antiquity Lisa C. Nevett,2010-08-05 Housing is shaped by culturally specific expectations about the kinds of architecture and furnishings that are appropriate about how and where different activities should be carried out and by and with whom It is those expectations and the wider social and cultural systems of which they are a part that are explored in this volume At the same time the book as a whole argues two larger points first that while houses households and families have in recent years become increasingly important as objects of inquiry in Greek and Roman contexts their potential as sources of information about broader social historical issues has yet to be fully realised and second that greater weight and independence should be given to material culture as a source for studying ancient history The book will be invaluable for upper level undergraduates graduate students and scholars
