## **Roman Catholicism Christianity And Anonymous Christianity The Role Of The Christian Today Theology Today:**

*Roman Catholicism, Christianity and Anonymous Christianity* John Peter Kenny, 1973 The Church is mission Proclaiming the good news is not a function accessory to her rather it determines her essence By definition the Church is that gathering in the Spirit of the chosen people of God who provide the visible heralds of Christ As the universal sacrament of salvation the Church embodies God's constant offer of salvation to all men of all time But if beyond the frontiers of the visible Church Christ and his Spirit are already at work why bother about the missions What is their aim and meaning If in fact a man can reach Christ and have his Spirit without the structures and paraphernalia of organized Christianity why require him to submit to the Catholic Church and what is the point of being a Christian at all It is to be hoped that the ventilation of these questions which concerns all Christians and even all religious minded men may be enlightening stimulating and comforting

**Penance and Expiatory Sacrifice Among the Ghanaian-Ewe and Their Relevance to the Christian Religion** Ted Nelson-Adjakpey, 1982 Will Many Be Saved? Ralph P. Martin, 2012-08-20 The question of whether and how people who have not had the chance to hear the gospel can be saved goes back to the beginnings of Christian reflection It has also become a much debated topic in current theology In Will Many Be Saved Ralph Martin focuses primarily on the history of debate and the development of responses to this question within the Roman Catholic Church but much of Martin's discussion is also relevant to the wider debate happening in many churches around the world In particular Martin analyzes the Dogmatic Constitution on the Church the document from the Second Vatican Council that directly relates to this question Contrary to popular opinion Martin argues that according to this text the conditions under which people who have not heard the gospel can be saved are very often in fact not fulfilled with strong implications for evangelization

Chryssides,2010-08-01 What Christianity Is Not Douglas John Hall,2013-02-12 What really is Christianity If all the religious packaging in which it is wrapped were removed what would remain These were Bonhoeffer's questions and they must be ours today even more urgently For in many quarters Christianity is being so narrowly identified with some of its parts cultural associations and past ambitions that like all militant religion it represents a threat to the planetary future We may no longer speak clearly of the essence of Christianity as von Harnack and other nineteenth century thinkers did but perhaps we may still have a sufficiently shared sense of the kerygmatic core of this faith to be able in the face of these misrepresentations of it to say what Christianity is not **Religion and Mental Health** ,1980 The Oxford Handbook of Religious Diversity Chad V. Crowley, 2005-11 One hundred years after the birth of Karl Rahner the contributors to this book ask whether and how Rahner's theology can address new religious and cultural realities in the twenty first century particularly those realities found on what has come to be called the Pacific Rim O Stretching from California and Latin America and across the Pacific Ocean to Asia this geographic region manifests an incredible cultural and religious diversity but also many points of intersection and interpenetration resulting in new forms of religion and spirituality The theological categories generated by Rahner such as the anonymous Christian and even the notion of a world church meet steep challenges when read in contexts very different from that of Germany and the theological currents of the O Atlantic O At the same time the encounter between Rahner and the Pacific Rim results in fresh readings of Rahner not previously imagined not only in places like China and Mexico but even Los Angeles Anchored by a seminal essay by Francis X Clooney S J Harvard contributors include Thomas Sheehan Stanford Catherine Bell Santa Clara and George Grier S J Berkeley Each essay examines the possibilities and limitations of Rahner's theology in this newly configured Pacific world      **Christ Among the Medieval Dominicans** Kent Emery, Joseph Peter Wawrykow, 1998 Religious historians and historians of spirituality have developed and exploited the broad categories of Christocentric and Theocentric spirituality in order to differentiate the religious spirit of the Franciscans and the Dominicans In addition the philosophical interests of neo Scholastic thinkers have curtailed attention to the role of the figure of Christ in the thought of Albert the Great Thomas Aquinas and other Dominican thinkers To redress this imbalance editors Kent Emery Jr and Joseph P Wawrykow present this collection of essays to address the long neglected depictions of Christ in the writings and art of the medieval Dominicans *Christ among the Medieval Dominicans* adopts a genuinely multidisciplinary approach to its topic bringing together the research of experts in a wide variety of fields The essays in this volume written by an acclaimed group of international scholars and presented at the University of Notre Dame Conference in Medieval Studies provide many perspectives theology philosophy spirituality institutional and social history art history Latin and vernacular literature and manuscript studies on the life and thought of the Order of Preachers The essays focus on the role of Christ within the devotion and imagination of the Order and in effect expose the state of the question in

studies of this important medieval institution As a whole the volume tests commonplace but often unexamined presuppositions of medieval historiography especially in the history of spirituality and literary criticism The essays are accompanied by ample visual evidence from paintings manuscript illustrations and texts woodcuts and engravings complete with generous indices of manuscripts and names *Christianity and Other Religions* John Hick, Brian
