**Roman Catholic Tradition** William Webster,1999

**Exodus from Rome Volume 1** Dr. Todd D. Baker,2014-05-01

Written by a former Roman Catholic of eighteen years and former candidate for the Roman Catholic priesthood Dr Todd Baker objectively and honestly examines the grandiose claims of the Papacy and the Roman Catholic Church in the critical light of Scripture and the evidence of history to show where Rome has greatly erred This multi volume work provides a controversial overview on the basic doctrines distinctive of Roman Catholicism so the open Catholic can learn how these beliefs practices and traditions of Rome contradict Scripture and do not have the support of a consistent uniform history from the days of Jesus the apostles and the first three centuries of the early church and on With over 1 billion adherents to the Roman Catholic Church it is incumbent for the Bible believer to know the difference between the real Gospel of Scripture versus the Gospel of Rome and how they are not one and the same Gospel in the end In a day of man pleasing ecumenical compromise with Rome this book is sorely needed to remind the Protestant church that the real differences between Rome and the Bible have not changed since the Reformation and must be reiterated and defended today on the exclusive ground of Scripture alone being the supreme authority in faith and practice for every Christian believer Dr Todd D Baker is president of Brit Hadashah Ministries and Pastor of Shalom Shalom Messianic Congregation in Dallas Texas He holds a Bachelor of Science degree in biblical studies a Master of Theology degree from Dallas Theological Seminary and a Ph D in Philosophy and Apologetics from Trinity Seminary under the auspices of Liverpool University at Liverpool England He is the staff theologian and writer for Zola Levitt Ministries and has appeared on the television program Zola Levitt Presents several times With his extensive experience in Jewish evangelism he conducts Gospel outreaches to Israel three times a year

**Sport and Spirituality** R. Scott Kretchmar, John B. White, 2020-05-21 This comprehensive volume explores the interface between sport and religion or more broadly sport and spirituality While most of the contributions come from Western and Christian traditions the volume raises broader questions about the kinds of impact that spirituality can and should have on sport and equally that sport can and should have on spirituality The authors put forth an anti dualistic

message one that argues against any vision of sport and religion existing in separate domains Mind interpenetrates body faith and love interpenetrate competition spirituality and the Divine can interpenetrate secular games This positive book has powerful implications for reforming contemporary sport particularly crass extrinsically driven win at all cost versions of competition It is a book about the incarnation the paradoxical existence of the spirit in the flesh love in competition the myth making power and meaning of games to engage the world transcendent hope found in kicking a ball around and how sport as a liturgy can mediate divine presence This book was originally published as a special issue of the journal Sport Ethics and Philosophy

*Pretensions of Objectivity* Jeffrey L. Morrow, 2019-03-08 Modern historical biblical criticism while having many strengths often operates under the pretensions of objectivity as if such scholarship were neutral and disinterested Examining the history and roots of modern biblical scholarship shows that such objectivity is elusive and was never intended by the method's earliest practitioners Building upon his earlier work in *Three Skeptics and the Bible* and *Theology Politics and Exegesis* Morrow continues this historical investigation into the political and philosophical roots of modern biblical criticism in *Pretensions of Objectivity* in the hope of developing a criticism of biblical criticism and of making space for theological exegesis
