Late Roman Towns in Britain Adam Rogers, 2011-03-28 In this book Adam Rogers examines the late Roman phases of towns in Britain Critically analysing the archaeological notion of decline he focuses on public buildings which played an important role administrative and symbolic within urban complexes Arguing against the interpretation that many of these monumental civic buildings were in decline or abandoned in the later Roman period he demonstrates that they remained purposeful spaces and important centres of urban life Through a detailed assessment of the archaeology of late Roman towns this book argues that the archaeological framework of decline does not permit an adequate and comprehensive understanding of the towns during this period Moving beyond the idea of decline this book emphasises a longer term perspective for understanding the importance of towns in the later Roman period **The Climates and Baths of Great Britain: The climates of the south of England, and the chief medicinal springs of Great Britain** Royal Medical and Chirurgical Society of London, 1895 *Wanderings in Roman Britain* Weigall, 1926 **A Companion to Roman Britain** Malcolm Todd, 2008-04-15 This major survey of the history and culture of Roman Britain spans the period from the first century BC to the fifth century AD Major survey of the history and culture of Roman Britain Brings together specialists to provide an overview of recent debates about this period Exceptionally broad coverage embracing political economic cultural and religious life Focuses on changes in Roman Britain from the first century BC to the fifth century AD Includes pioneering studies of the human population and animal resources of the island *Lonely Planet Great Britain's Best Trips* Isabel Albiston, Oliver Berry, Marc Di Duca, Peter Dragicevich, Anna Kaminski, Catherine Le Nevez, Hugh McNaughtan, Isabella Noble, Andy Symington, Neil Wilson, 2022-02-15 Discover the freedom of the open road with Lonely Planet's Great Britain's Best Trips This trusted travel companion features 36 amazing road trips from 3 day escapes to 3 week adventures Wind through majestic Welsh mountains visit quaint English villages and cruise grand Scottish moors Get to Great Britain rent a car and hit the road Inside Lonely Planet's Great Britain's Best Trips Up to date information all businesses were rechecked before publication to ensure they are still open after 2020's COVID 19 outbreak Lavish colour and gorgeous photography throughout Itineraries and planning advice to pick the right tailored trips for your needs and interests Get around easily easy to read full colour route maps detailed directions Insider tips to get around like a local avoid trouble spots and be safe on the
