Shakespeare in the Theatre: The Stratford Festival Christie Carson, 2024-06-13 This analysis of the Stratford Festival examines the full history of one of the largest and oldest dedicated centres for the performance of Shakespeare in North America In English speaking Canada the Festival has become the unofficial national theatre drawing both praise and criticism Dividing its history into three distinct periods the volume begins with the foundation of the company moving through its middle years of expansion and securing stability and ending with an exploration of staging Shakespeare in the 21st century Through case studies of productions covering each artistic director from Tyrone Guthrie to Antoni Cimolino it highlights issues of national identity but also the relationship between actor and audience on the Festival's unique thrust stage It not only explores the work of international stars such as Christopher Plummer but also that of longstanding company members William Hutt and Martha Henry emphasizing the Festival's collective spirit This book argues that the Stratford Festival holds an influential position in the theatre world generally and in the Shakespeare performance environment specifically Initially this was because of the original stage built for its opening but increasingly it has been due to the way that it has used Shakespeare's work to articulate complex questions about identity and utilized technology to reach new audiences The Festival and its collaborative

working methods grew out of a particular social and political climate and when the actors and directors who trained at the Festival took their training and its influences elsewhere they spread its impact *A Directory of Shakespeare in Performance 1970-1990* J. O'Connor, K. Goodland, 2019-06-12 This book offers detailed listings of all the major Shakespeare plays on stage and screen in North America Exploring each of the play s performance history including reviews and useful information about staging it provides an engaging reference guide for academics and students alike **All's Well that Ends Well** William Shakespeare, 2004-01-19 The New Cambridge Shakespeare appeals to students worldwide for its up to date scholarship and emphasis on performance The series features line by line commentaries and textual notes on the plays and poems Introductions are regularly refreshed with accounts of new critical stage and screen interpretations For the second edition of All s Well That Ends Well Alexander Leggatt has written a completely new introduction to Russell Fraser s text of one of Shakespeare s most puzzling ambiguous and demanding plays Leggatt s interest in performance is evident throughout the introduction particularly in his discussion of the instability of the main characters He also provides a full illustrated and thoughtful account of the play s critical and theatrical fortunes to the end of the twentieth century and explores our experience as an audience of seeing and hearing the play performed An updated reading list completes the volume **The Great European Stage Directors Volume 3** Jonathan Pitches, 2021-10-07 This volume examines the work of directors Jacques Copeau Theodore Komisarjevsky and Tyrone Guthrie It explores in detail many of the directors key productions including Copeau s staging of Moli re s *The Tricks of Scapin* Komisarjevsky s signature season of Chekhov plays at the Barnes Theatre and Guthrie s pioneering direction of Shakespeare s plays in North America This study argues that their work exemplifies the complexity and novelty of the role of theatre directing in the first three quarters of the 20th century as Komisarjevsky was in the middle of the genesis of directing in Russia Copeau launched his directorial career just as the role was gaining definition and Guthrie was at the vanguard of directing in Britain at last shaking off the traditions of the actor manager to formulate the new role of artistic director **Book Review Digest** , 2003 [Canadian Books in Print](#) , 2003 *Theatre as Human Action* Thomas S. Hirschak, Mark A. Robinson, 2022-10-17 *Theatre as Human Action* is the ideal textbook to introduce students to the various aspects of theatre especially for those who may have little or no theatergoing experience Seven diverse plays are described to the reader from the start and then returned to throughout the book so that students can better understand the concepts being discussed Both the theoretical and practical aspects of theatre are explored from the classical definition of theatre to today s most avant garde theatre activities Types of plays the elements of drama and theatre criticism are presented as well as detailed descriptions of the different jobs in theatre such as actor playwright director designer producer choreographer and more The book concludes with a look at where and how theatre is evolving in America and the latest changes and innovations today This fourth edition has been greatly expanded and updated including The introduction of four new plays *Sweeney Todd* *The Demon Barber of Fleet Street* *Fences* *Angels in America* and

Hadestown in addition to Macbeth You Can't Take It With You and Hamilton A discussion of the rise of social media in raising awareness and replacing traditional review outlets An entirely new enhanced section on diversity and inclusion in theatre An updated selection of playwrights featured including Terrence McNally Lynn Nottage Tony Kushner and Lin Manuel Miranda to better reflect the diversity of those writing for the theatre today Featuring full color photographs updated discussion questions new topics for further research and potential creative projects the fourth edition of Theatre as Human Action is an invaluable resource to introduce students to the world of theatre [The Dundurn Group](#) The Dundurn Group, **Canadian Books in Print.
