Staging Early Modern Romance Mary Ellen Lamb, Valerie Wayne, 2009-01-13 This collection recovers the continuities between three forms of romance that have often been separated from one another in critical discourse early modern prose fiction the dramatic romances staged in England during the 1570s and 1580s and Shakespeare's late plays Although *Pericles Cymbeline Winter's Tale* and *The Tempest* have long been characterized as romances their connections with the popular prose romances of their day and the dramatic romances that preceded them have frequently been overlooked Constructed to explore those connections this volume includes original essays that relate at least one prose or dramatic romance to an English play written from 1570 to 1630 The introduction explores the use of the term dramatic romance over several centuries and the commercial association between print culture gender and drama Eight essays discuss Shakespeare's plays three more examine plays by Beaumont Fletcher and Massinger Other authors treated at some length include Boccaccio Christine de Pizan Chaucer Sidney Greene Lodge and Wroth Barbara Mowat's afterword considers Shakespeare's use of Greek romance Written by foremost scholars of Shakespeare and early modern prose fiction this book explores the vital cross currents that occurred between narrative and dramatic forms of Greek medieval and early modern romance

Romance on the Early Modern Stage Cyrus Mulready, 2013-08-22 What is dramatic romance Scholars have long turned to Shakespeare's biography to answer this question marking his late plays as the beginning and end of the dramatic romance This book identifies an earlier history for this genre revealing how stage romances imaginatively expanded audience interest in England's emerging global economy

The Greatest Romance Classics of World's Literature Stendhal, Charles Dickens, William Shakespeare, Burton Egbert Stevenson, Charlotte Brontë, Anne Brontë, Emily Brontë, Henry James, Louisa May Alcott, Jane Austen, George Eliot, Walter Scott, Thomas Hardy, O. Douglas, Edith Wharton, Alexandre Dumas, Meredith Nicholson, Virginia Woolf, Nathaniel Hawthorne, Gaston Leroux, Grace Livingston Hill, Theodore Dreiser, Kate Chopin, Earl Derr Biggers, Fanny Burney, Georgette Heyer, H. G. Wells, E. M. Forster, F. Scott Fitzgerald, Leo Tolstoy, Elizabeth Gaskell, P. G. Wodehouse, R. D. Blackmore, Pierre Choderlos de Laclos, Madeleine L'Engle, 2022-11-13 The Greatest Romance Classics of World's Literature is an unparalleled anthology that showcases the evolution and diversity of romantic literature through the ages This collection brings together an extraordinary range of literary styles from the classic English romance of Jane Austen and the Brontë sisters to the enthralling Russian epics of Leo Tolstoy and from the psychological intricacies of Henry James to the avant garde narratives of Virginia Woolf With standout pieces that have each in their own way redefined the genre this anthology highlights the universal theme of love while showcasing the cultural and stylistic differences that enrich the concept of romance The variety within these pages offers readers a comprehensive insight into the genre's development setting a precedent for literary excellence The authors represented in this anthology are not just luminaries in their own right but collectively serve as the architects of the romantic and literary sensibilities that have shaped modern

storytelling From the engrossing societal critiques of Charles Dickens and George Eliot to the pioneering narrative techniques of E M Forster and F Scott Fitzgerald these authors have profoundly contributed to their respective eras movements and genres The anthology s diversity reflects significant historical and cultural movements blending the Gothic romance of the Bront s the Victorian realism of Thomas Hardy and the existential musings of modernists like Woolf and Forster thereby providing an intricate tapestry of human emotion and interaction through the ages For readers eager to embark on a journey through the history of romance in literature The Greatest Romance Classics of World s Literature offers an unrivaled opportunity It presents a unique chance to delve into the myriad forms of romantic expression exploring its evolution from the passionate often tumultuous relationships of early literature to the nuanced introspective portrayals of the contemporary period This anthology not only educates but also entertains inviting readers to engage with the dialogues and debates that have animated the genre for centuries It is an essential collection for anyone looking to understand the depth and breadth of romantic literature and its continuous influence on world literature

Romancing God Lynn S.

Neal,2006-12-08 In the world of the evangelical romance novel sex and desire are mitigated by an omnipresent third party the divine Thus romance is not just an encounter between lovers but a triangle of affection man woman and God Although this literature is often disparaged by scholars and pastors alike inspirational fiction plays a unique and important role in the religious lives of many evangelical women In an engaging study of why women read evangelical romance novels Lynn S Neal interviews writers and readers of the genre and finds a complex religious piety among ordinary people In evangelical love stories the success of the hero and heroine s romance rests upon their religious choices These fictional religious choices readers report often inspire real spiritual change in their own lives Amidst the demands of daily life or during a challenge to one s faith these books offer a respite from problems and a time for fun but they also provide a means to cultivate piety and to appreciate the unconditional power of God s love The reading of inspirational fiction emerges from and reinforces an evangelical lifestyle Neal argues but women s interpretations of the stories demonstrate the constant negotiations that characterize evangelical living Neal s study of religion in practice highlights evangelicalism s aesthetic sensibility and helps to alter conventional understandings both secular and religious of this prominent subculture

Imagining Arcadia in

Renaissance Romance Marsha S. Collins,2016-03-22 From Theocritus Idylls to James Cameron s Avatar Arcadia remains an enduring presence in world culture and a persistent source of creative inspiration Why does Arcadia still exercise such a powerful pull on the imagination This book responds by arguing that in sixteenth century Europe a dramatic shift took place in imagining Arcadia The traditional visions of Arcadia collided and fused with romance the new experimental form of prose fiction producing a hybrid dynamic world of change and transformation Emphasizing matters of fictional function and world making over generic classification Imagining Arcadia in Renaissance Romance analyzes the role of romance as a catalyst in remaking Arcadia in five canonical sixteenth century texts Sannazaro s Arcadia Montemayor s La Diana Cervantes La Galatea

Sidney's *Arcadia* and Lope de Vega's *Arcadia* Collins analyses of the reimagined *Arcadia* in these works elucidate the interplay between timely incursions into the fictional world and the timelessness of art highlighting issues of freedom identity formation subjectivity and self-fashioning the intersection of public and private activity and the fascination with mortality This book addresses the underrepresentation of Spanish literature in Early Modern literary histories especially regarding the rich Spanish contribution to the pastoral and to idealizing fiction in the West Companion chapters on Cervantes and Sidney add to the growing field of Anglo-Spanish comparative literary studies while the book's comparative and transnational approach extends discussion of the pastoral beyond the boundaries of national literary traditions This book's innovative approach to these fictional worlds sheds new light on *Arcadia*'s enduring presence in the collective imagination today

Romancing the Atom Robert R. Johnson, 2012-08-03 This book presents a compelling account of atomic development over the last century that demonstrates how humans have repeatedly chosen to ignore the associated impacts for the sake of technological scientific military and economic expediency In 1945 Albert Einstein said The release of atomic power has changed everything except our way of thinking the solution to this problem lies in the heart of mankind This statement seems more valid today than ever *Romancing the Atom* Nuclear Infatuation from the Radium Girls to Fukushima presents compelling moments that clearly depict the folly and shortsightedness of our atomic mindset and shed light upon current issues of nuclear power waste disposal and weapons development The book consists of ten nonfiction historical vignettes including the women radium dial painters of the 1920s the expulsion of the Bikini Island residents to create a massive petri dish for post World War II bomb and radiation testing the government subsidized uranium rush of the 1950s and its effects on Native American communities and the secret radioactive material development facilities in residential neighborhoods In addition the book includes original interviews of prominent historians writers and private citizens involved with these poignant stories More information is available online at www.romancingtheatom.com **The Routledge Research**

Companion to Popular Romance Fiction Jayashree Kamblé, Eric Murphy Selinger, Hsu-Ming Teo, 2020-08-11 Popular romance fiction constitutes the largest segment of the global book market Bringing together an international group of scholars The Routledge Research Companion to Popular Romance Fiction offers a ground-breaking exploration of this global genre and its remarkable readership In recognition of the diversity of the form the Companion provides a history of the genre an overview of disciplinary approaches to studying romance fiction and critical analyses of important subgenres themes and topics It also highlights new and understudied avenues of inquiry for future research in this vibrant and still emerging field The first systematic comprehensive resource on romance fiction this Companion will be invaluable to students and scholars and accessible to romance readers **Publishing Romance** John Markert, 2016-03-15 Romance novels have attracted considerable attention since their mass market debut in 1939 yet seldom has the industry itself been analyzed Founded in 1949 Harlequin quickly gained market domination with their contemporary romances Other publishers countered with

historical romances leading to the rise of bodice ripper romances in the 1970s The liberation of the romance novel's content during the 1980s brought a vitality to the market that was dubbed a revolution but the real romance revolution began in the 1990s with developments in the mainstream publishing industry and continues today This book traces the history and evolution of the romance industry covering successful and not so successful trends and describing changes in romance publishing that paved the way for the many popular subgenres flooding the market in the 21st century

The Oxford Handbook of the Cold War Richard H. Immerman, Petra Goedde, 2013-01-31 The Oxford Handbook of the Cold War offers a broad reassessment of the period war based on new conceptual frameworks developed in the field of international history Nearing the 25th anniversary of its end the cold war now emerges as a distinct period in twentieth century history yet one which should be evaluated within the broader context of global political economic social and cultural developments The editors have brought together leading scholars in cold war history to offer a new assessment of the state of the field and identify fundamental questions for future research The individual chapters in this volume evaluate both the extent and the limits of the cold war's reach in world history They call into question orthodox ways of ordering the chronology of the cold war and also present new insights into the global dimension of the conflict Even though each essay offers a unique perspective together they show the interconnectedness between cold war and national and transnational developments including long standing conflicts that preceded the cold war and persisted after its end or global transformations in areas such as human rights or economic and cultural globalization Because of its broad mandate the volume is structured not along conventional chronological lines but thematically offering essays on conceptual frameworks regional perspectives cold war instruments and cold war challenges The result is a rich and diverse accounting of the ways in which the cold war should be positioned within the broader context of world history

Romancing the Internet Jin Feng, 2013-08-15 In *Romancing the Internet Producing and Consuming Chinese Web Romance* Jin Feng examines the evolution of Chinese popular romance on the Internet She first provides a brief genealogy of Chinese Web literature and Chinese popular romance and then investigates how large socio cultural forces have shaped new writing and reading practices and created new subgenres of popular romance in contemporary China Integrating ethnographic methods into literary and discursive analyses Feng offers a gendered audience oriented study of Chinese popular culture in the age of the Internet

Romancing the East Jerry Hopkins, 2013-03-26 Profiling individual legendary authors best selling author Jerry Hopkins combines his research and his own experiences as a longtime expatriate with an intimate knowledge of Asia and offers us a unique perspective on the impact of Eastern culture in Western literature From the time of Marco Polo's trek across the Central Asian desert to the empire of the mighty Kahn no other place on earth not the languid South Pacific or even deepest darkest Africa has so challenged and enchanted the Western imagination as have the fabled lands of the East However soaked in blood its history and no matter how unsettling its social conditions and poverty Asia has never lost its irresistible attraction or mystic It has

long been an inspiration for Western novelists so much so that more than 5000 novels have been set in Asia in the English language alone. Storied names like Rudyard Kipling, Joseph Conrad, Pearl S. Buck, George Orwell, Graham Greene, E. M. Forster, and many more have used their experiences in Asia as a vibrant backdrop for some of the world's most famous works of literature. Woman's World, 1929 **The World We Live in**, Robert Turnbull, 1851 **Romancing Decay**, Michael St. John, 2016-12-05. This collection of fifteen essays looks at the theme of decadence and its recurring manifestations in European literature and literary criticism from medieval times to the present day. Various definitions of the term are explored, including the notion of decadence as physical decay. Some of the essays draw parallels between modernist and postmodernist notions of decadence. Similarities are detected between fin de siècle decadence at the end of the nineteenth century, which reaches its apotheosis in the character of Eugene Wrayburn in *Our Mutual Friend*, and depictions of decadence in our own age as we enter the new millennium.
