## The Epistle to the Galatians

The angriest/most confrontational of Paul's letters. Only one of Paul's letters with no thanksgiving section

### Central problem

A group of Jewish Christians has convinced some Gentile Christians that they must be circumcised in order to please God, which is contrary to what Paul had taught them

### Paul's Opening Critique

Galatians 1:6-7

I am astonished that you are so quickly turning away from the one who called you into the grace of Christ to a different gospel-which is not another gospel not that there is another gospel, except that there are some who are unnerving you and wanting to turn the gospel of Christ into its opposite.

### Paul's defense of his teaching

Paul emphasizes that the message he had proclaimed in Galatia was given to him by Christ at the time of his conversion, and that the Jerusalem apostles had agreed

### The Antioch Incident: Galatians 2

Peter initially ate with the Gentile believers

When believers arrived Peter stopped eating with the Gentile believers

Paul rebuked Peter for his hypocrisy

### Justification

Key term in Paul's letters referring to the process by which people acquire a status of righteousness/innocence in God's sight

Dikaio: to refer to both the process of being justified and the resulting status of "justifiedness"/righteousness

Galatians 2:16, 21: A person is justified not by the works of the law but through faith (pistis) in Jesus Christ

### Justification "by faith"

One traditional way of understanding Paul's teaching about "justification by faith" is "individuals are justified by God purely on the basis of their belief in Christ, without reference to their deeds/conduct" reflects a misunderstanding of:

- 1) The meaning of "faith" for Paul
- 2) The meaning of "works of the law" for Paul
- 3) Paul's overall focus in Galatians which is not one the spiritual status of individuals, but rather the status of Gentiles as a whole

## **Romans 1316 And Galatians:**

Blessed Are the Poor in Spirit Evangelist John Henry Manigo, 2015-08-21 One book or three books My main interest is to help deaf hard of hearing people understand the Word of God and to apply to their own life with God's help It also gives us as well to the hearing people who need encouragement help and inspire in the Word of God and that the Word of God is for them to receive His Word by faith My main reason of writing the Trinity to show the example of God Jesus and the Holy Spirit as one and believe that God is One I also write Trinity for various reasons and put down Bible verses to help match the Old Testament and New Testament that speak the same thing to show them the Bible in fact is real God's Word is very real I write the main points because I have heard in the past about their belief their teaching their faith in God and I am willing to write down what they say and that the Bible has all the answer to our need and purpose I have studied the Bible for forty five years seeking answers and be able to explain better from God's teaching from God's Word Whenever I hear people talk about their faith in God I write down Bible verses to help inspire their life positive It would help all of us to grow in grace through our Lord Jesus Christ He has the answer to all of our problem My main point is to help them know that they can be saved through Jesus Christ by faith in Him alone Only Him shall we be saved Be Blessed Evangelist John H Manigo I
