Romantic Passages in Southwestern History A. B. Meek,2017-11-18 Excerpt from Romantic Passages in Southwestern History Including Orations Sketches and Essays About half this volume has been published before in isolated portions in pamphlets or periodicals The author has been gratified that his researches in Southwestern History have been recognised as valuable by Bancroft Theodore Irving Simms and Pickett in their more capacious and dignified performances This has induced him to revive his articles as they were originally produced with the addition of other and more copious sketches elucidating our early history These were written for incidental purposes while preparing a more elaborate work yet to be published but they may serve in their present form to gratify the general reader better than in a more staid and regular connection With these explanations the author submits this volume as an humble guide book to an almost uncultured territory in which the Historian the Novelist and the Poet may find the richest materials and incentives for the highest exercise of their respective vocations About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Annual Report of the American Historical Association* American Historical Association,1900 **Native American Women and the Burdens of Southern History**

Daniel H. Usner, Jr.,2023-09-20 Though long neglected the history and experiences of Indigenous women offer a deeper more complex understanding of southern history and culture In *Native American Women and the Burdens of Southern History* Daniel H Usner explores the dynamic role of Native American women in the South as they confronted waves of colonization European imperial invasion plantation encroachment and post Civil War racialization In the process he reveals the distinct form their means of adaptation and resistance took While drawing attention to existing scholarship on Native American women Usner also uses original research and diverse sources including visual images and material culture to advance a new line of inquiry Focusing on women's responses and initiatives across centuries he shows how their agency shaped and reshaped their communities relations with non Native southerners Exploring basketry in the Lower Mississippi Valley and Gulf Coastal South Usner emphasizes the essential role women played in ongoing efforts at resistance and survival even in

the face of epidemics violence and enslavement unleashed by early colonizers Foods and medicines that Native women gathered carried stored and peddled in baskets proved integral in forming the region s frontier exchange economy Later as the plantation economy threatened to envelop their communities Indigenous women adapted to change and resisted disappearance by perpetuating exchange with non Native neighbors and preserving a deep attachment to the land By the start of the twentieth century facing a new round of lethal attacks on Indigenous territory identity and sovereignty in the Jim Crow South Native women s resilient and resourceful skill as makers of basketry became a crucial instrument in their nations political diplomacy Overall Usner s work underscores how central Indigenous women have been in struggles for Native American territory and sovereignty throughout southern history
