Romany I Povesti Puteshestvia:

Zvezda nad Bulon'iu : romany, povesti, rasskazy, kniga stranstvi t. 4. Puteshestvie Gleba : avtobiograficheskaiā tetralogiā Boris Zaitsev, 1999 **Waiting for Pushkin** Alessandra Tosi, 2006-01-01 Waiting for Pushkin provides the only modern history of Russian fiction in the early nineteenth century to appear in over thirty years Prose fiction has a more prominent position in the literature of Russia than in that of any other great country Although nineteenth century fiction in particular occupies a privileged place in Russian and world literature alike the early stages of this development have so far been overlooked By combining a broad historical survey with close textual analysis the book provides a unique overview of a key phase in Russian literary history Drawing on a wide range of sources including rare editions and literary journals Alessandra Tosi reconstructs the literary activities occurring at the time introduces neglected but fascinating narratives many of which have never been studied before and demonstrates the long term influence of this body of works on the ensuing golden age of the Russian novel Waiting for Pushkin provides an indispensable source for scholars and students of nineteenth century Russian fiction The volume is also relevant to those interested in women's writing comparative studies and Russian literature in general

Between the World Wars Christine Rydel, 2003 In an era of political economic and social conflict the opposition between ideas and actions characterizes the literary atmosphere in Russia between the world wars Writers during this period were drawn to tradition or progress individual freedom or collective responsibility free imaginations or tendentious templates creativity or conformity energy or entropy

The Development of Russian Verse Michael Wachtel, 1998 The Development of Russian Verse explores the Russian verse tradition from Pushkin to Brodsky showing how certain formal features are associated with certain genres and at times specific themes Michael Wachtel's basic thesis is that form is never neutral poets can react positively in terms of stylization and development or negatively in terms of parody or revision to the work of their predecessors but they cannot ignore it Keeping technical terms to a minimum and providing English translations of quotations Wachtel offers close readings of individual poems of more than fifty poets He aims to help English speaking readers reconstruct the strong sense of continuity that Russian poets have always felt transcending any individual age or ideology Ultimately his 1999 book is an inquiry into the nature of literary tradition itself and how it coalesces in a country that has always taken so much of its identity from its written legacy

BOOK JACKET Subject Catalog, 1980 Library of Congress,1980 Subject Catalog Library of Congress,1980 *The Imperial Trace* Nancy Condee,2009-04-08 The collapse of the USSR seemed to spell the end of the empire yet it by no means foreclosed on Russia's enduring imperial preoccupations which had extended from the reign of Ivan IV over four and a half centuries Examining a host of films from contemporary Russian cinema Nancy Condee argues that we cannot make sense of current Russian culture without accounting for the region's habits of imperial identification But is this something made legible through narrative alone Chechen wars at the periphery costume dramas set in the capital or could an imperial trace be sought in other more embedded qualities such as the structure of representation the conditions of production or the preoccupations of its filmmakers This expansive study takes up this complex question through a commanding analysis of the late Soviet and post Soviet period auteurs Kira Muratova Vadim Abdrashitov Nikita Mikhalkov Aleksei German Aleksandr Sokurov and Aleksei Balabanov **Evgenii Onegin.
