

Rome And The Vatican Jubilee

Herbert Thurston

Rome And The Vatican Jubilee:

A Holy Year in Rome Joan Lewis,2016-01-11 In this definitive guide to the Jubilee of Mercy EWTN s Rome Correspondent Joan Lewis takes you back in time for a look at the history of Jubilees and then brings you to the present with a visit to the seven pilgrim basilicas of Rome and the immeasurable treasures of Rome and the Vatican Joan shares with you the many special graces you can receive this year as well as countless fun facts such as the significance of the Holy Doors the key features of Catholic architecture the liturgical customs that are unique to the Jubilee of Mercy how to obtain an indulgence and so much more Whether you make a pilgrimage to Rome or are celebrating this extraordinary year in your own home there s no better guide than EWTN s Joan Lewis *The Pilgrim's Guide to Rome for the Millennial Jubilee Year 2000* Barrett McGurn,1998 Provides tourists with a useful guide to planning a full trip and seeing the many treasures of the Eternal City

Modern Rome Italo Insolera,2019-01-23 After fifty years and fifteen editions and reprints in Italy this classic groundbreaking work in the field of historical urban studies is now published in English A masterful fluent narrative leads the reader through the last two centuries in the history of the Eternal City capital of the Papal State then of the united Italy first under the monarchy and subsequently the republic Rome s chaotic growth and often ineffective urban planning almost invariably overpowered by building speculation can find an opportunity for future redemption in a vibrant multicultural society and the enhancement of an unequalled archaeological heritage with the ancient Appian Way as its spine With respect to the last Italian edition of 2011 the volume is updated enriched in text indexes maps and photographs Historians urban planners architects decision makers university students and anyone who is interested in one of the world s most intriguing cities will enjoy this book *Queering Tourism* Lynda Johnston,2007-05-07 Gay Pride parades are annual arenas of queer public culture where embodied notions of subjectivity are sold enacted transgressed and debated From Sydney to Rome *Queering Tourism* analyses the paradoxes of gay pride parades as tourist events exploring how the public display of queer bodies the way they look what they do who watches them and under what regulations is profoundly important in constructing sexualized subjectivities of bodies and cities Drawing on extensive collections of interviews visuals and written media accounts photographs advertisements and her own participation in these parades Lynda Johnston gives a vibrant account of queer tourism in New Zealand Australia Scotland and Italy For each place she looks at how the relationship between the viewer and the viewed produces paradoxical concepts of bodily difference and considers how the queered spaces of gay pride parades may prompt new understandings of power and tourism Examining the intersection of sexuality space and tourism and using empirical data gathered at Gay pride parades such as the Sydney Mardi Gras New Zealand HERO Parade and World Pride Roma 2000 this important work produces a deconstructive account of tourism and presents new ways of thinking through the powerful processes of subjectivity formation **Towards the Great Millennium Jubilee** Edmund O'Gorman,1998 **New Curiosum Urbis. A Guide to Ancient and Modern Rome** Shakspere Wood,2024-03-17 Reprint

of the original first published in 1875 **The Holy Year of Jubilee** Herbert Thurston, 1900 This historic book may have numerous typos missing text or index Purchasers can download a free scanned copy of the original book without typos from the publisher 1900 06 Not illustrated Excerpt CHAPTER VI The Ceremonies Of The Jubilee In the still unpublished diary¹ of Francesco Mucanzio papal master of ceremonies at the close of the sixteenth century we find that distinguished rubrician in December 1574 discussing at some length the ritual to be used in the unwalling of the Holy Door at the forthcoming celebration of the Jubilee He tells us that as the time for the ceremony drew near he went to his Holiness Pope Gregory XIII and submitted to him a memorandum concerning the preparations to be made and the things to be then observed It appears however that his colleague in the office of master of ceremonies also went to the Pope with a similar programme which he declared to be that which had been followed by Julius III in the year 1550 It differed very little from mine says Mucanzio except in the versicles and responses Those which I had set down were taken from an ancient roll a quodam rotulo antiquo used in the time of Clement VII and of these versicles there was probably no accurate copy forthcoming in 1550 on account of the pillage and disasters to which the city had been subjected he refers presumably to the sack of Rome in 1527 hence they had been somewhat altered My opinion was that out of the two sets which we had before us a third more appropriate than either might have been drawn up but when the matter was proposed in the Congregation of Cardinals appointed for the revision of ceremonies they decided that as regards the versicles 1The copy here quoted is contained in MS Addit 26811 at the British Museum and prayers the precedent of Julius III's time should be adhered to in every particular The fact is adds Mucanzio we have nothing prescribed about this matter in the Book of Ceremonies 1 and on this account *The Renaissance in Rome* Charles L. Stinger, 1998 From the middle of the fifteenth century a distinctively Roman Renaissance occurred A shared outlook a persistent set of intellectual concerns similar cultural assumptions and a commitment to common ideological aims bound Roman humanists and artists to a uniquely Roman world different from Florence Venice and other Italian and European centers This book provides the first comprehensive portrait of the Roman Renaissance world Charles Stinger probes the basic attitudes the underlying values and the core convictions that Rome's intellectuals and artists experienced lived for and believed in from Pope Eugenius IV's reign to the Eternal City in 1443 to the sacking of 1527 He demonstrates that the Roman Renaissance was not the creation of one towering intellectual leader or of a single identifiable group rather it embodied the aspirations of dozens of figures active over an eighty year period Stinger illuminates the general aims and character of the Roman Renaissance Remaining mindful of the economic social and political context Rome's retarded economic growth the papacy's increasing entanglement in Italian politics papal preoccupation with the crusade against the Ottomans and the effects of papal fiscal and administrative practices Stinger nevertheless maintains that these developments recede in importance before the cultural history of the period Only in the context of the ideological and cultural commitments of Roman humanists artists and architects can one fully understand the motivation for papal policies Reality for Renaissance

Romans was intricately bound up with the notion of Rome's mythic destiny. The Renaissance in Rome is cultural history at its best. It evokes the moods, myths, images, and symbols of the Eternal City as they are manifested in the Liturgy, ceremony, festivals, oratory, art, and architecture of Renaissance Rome. Throughout Stinger focuses on a persistent constellation of fundamental themes: the image of the city of Rome, the restoration of the Roman Church, the renewal of the Roman Empire, and the fullness of time. He describes and analyzes the content, meaning, origin, and implications of these central ideas of Roman Renaissance. This book will prove interesting to both Renaissance and Reformation scholars as well as to general readers who may have visited or plan to visit Rome and have become fascinated and affected by this extraordinary city. There is no other book like it in any language, says Renaissance historian John O'Malley. It presents a coherent view of Roman culture, collects and presents a vast amount of information never before housed under one roof. Anyone who teaches the Italian Renaissance, O'Malley stresses, will have to know this book.

Rome Reshaped Desmond O'Grady, 1999. The year 2000 is the first Jubilee or Holy Year to coincide with a millennium, and it is expected to inspire the world's largest ever pilgrimage, bringing some thirty million visitors to Rome. What might these contemporary pilgrims expect to find other than the world's largest ever traffic jam? In this wise and often witty book, longtime Vatican observer Desmond O'Grady has written a fascinating history of Rome and the papacy seen through the grid of the twenty-five Jubilees that have occurred since the practice was initiated seven hundred years ago. During each Jubilee Year, the Holy See has asserted its centrality, its universal relevance, and responded to various challenges: the Islamic threat, the Reformation, the Enlightenment, and the loss of the Papal States. The story of the Jubilees is told by means of the following coordinates: the state of the city and of the church at the time; the most memorable episodes; and the reactions of the pilgrims, many of them kings, queens, and emperors. These liminal or threshold moments find the church often at its best and its worst. The final chapter analyzes the announced goals and prospects for Jubilee 2000 and explains how the church hopes to ferry humankind into the third millennium with a new sense of history as a meaningful journey.

Book jacket: **The Life and Legacy of Rodrigo Borgia** Charles River Editors, 2025-06-24. Alexander never did what he said; Cesare never said what he did. Italian Proverb. A lot of ink has been spilled covering the lives of history's most influential figures, but how much of the forest is lost for the trees? When historians are asked to pick a point in history when Western civilization was transformed and guided down the path to modernity, most of them point to the Renaissance. Indeed, the Renaissance revolutionized art, philosophy, religion, sciences, and math, with individuals like Galileo, Leonardo, Michelangelo, Raphael, Dante, and Petrarch bridging the past and modern society. In Charles River Editors' *Legends of the Renaissance*, readers can get caught up to speed on the lives of the most important men and women of the Renaissance in the time it takes to finish a commute while learning interesting facts long forgotten or never known. There have been no shortage of controversial Popes who were accused by Catholics and other Christians of impropriety, but the most controversial of all was the Borgia Pope Alexander VI. Born Rodrigo Borgia, the future Pope made his

way up the ranks of the Catholic Church with an assist from nepotism breaking his vows of chastity and fathering several illegitimate children along the way The stories and legends attributed to Rodrigo and his children particularly Cesare and Lucrezia have made the Borgias one of the most notorious families in history 500 years after Rodrigo's death he and his family have come to be associated more with incest political intrigue murder and state sponsored violence While 21st century TV series have cast the Borgias as the first organized crime family the rumors spread by the family's political opponents in the late 15th century have taken hold among a fascinated public Did Rodrigo really have an incestuous relationship with daughter Lucrezia Did he really throw lavish orgies While Rodrigo may not have been as colorful or criminal as the enduring legends there is no question he was manipulative ruthless and ultimately effective From an administrative standpoint Rodrigo was a success as Pope Alexander VI with a big assist from son Cesare To the extent that the Borgias are still associated with murder and mayhem it was the father and son whose actions can be credited with the lion's share of the perception Not surprisingly almost everything about Rodrigo's life is still up for debate Legends of the Renaissance The Life and Legacy of Rodrigo Borgia chronicles the Borgia Pope's life and discusses the legends and myths surrounding him in an attempt to separate fact from fiction Along with pictures of important people in his life you will learn about Rodrigo Borgia like you never have before in no time at all

History of the Holy Years through Mass Media (1900-2015) Gianluca della Maggiore, Raffaella Perin, Federico Ruozzi, Dario Edoardo Viganò, 2025-09-29 As soon as Jubilees or Holy Years appeared on the 14th century historical stage they became the papal monarchy's most relevant political and economic instruments Since the 20th century jubilee celebrations have also proved to be extraordinary moments of confrontation though not always easy or unambiguous between the papacy and the rapidly developing mass audiovisual media On the one hand the jubilees have served as catalysts for attention towards the Vatican amplifying the traditional reasons behind the attraction of the Eternal City as a destination for imposing pilgrimages and as a theater for spectacular liturgical ceremonies On the other hand the Holy Years have provided the opportunity for the Holy See to experiment through audiovisual media with new ways of interpreting and unfolding the universal mission of the papacy finally freed from temporal concerns This volume aims to reconstruct this complex and little investigated connection by drawing on a variety of sources from the Vatican archives as well as little known audiovisual sources Focusing on one hundred years of history 1900-2015 the events of both ordinary and extraordinary jubilees are analyzed from the perspective of each of the audiovisual mass media cinema radio and television

The Papacy: Gaius-Proxies Philippe Levillain, John W. O'Malley, 2002 For a full list of entries and contributors a generous selection of sample entries and more visit the Papacy An Encyclopedia website Routledge is pleased to publish this acclaimed resource in a revised expanded and updated English language edition translated by a team of experts in papal history This comprehensive three volume reference not only covers all of the popes and anti popes from St Peter to John Paul II but also explores the papacy as an institution Articles cover the inner workings both contemporary and historical of the Holy See and

encompass religious orders papal encyclicals historical events papal controversies the arts and more This set is destined to be the standard English language reference for all issues concerning the papacy Also includes five maps To Hell and Back Maria Rosa,2014-03-15 To Hell and Back The Life Story of an Austrian World War II Survivor is a unique one of a kind memoir Author Maria Rosa takes us on a journey through time and history as she tells the true to life story of her harrowing first person experiences before during and after World War 2 Her adventures span the globe as Maria describes life as a little girl a student a young lady a mother and finally as a grandmother Emotionally charged drama alternates with historical narrative and comical anecdotes in Maria s extraordinary and entertaining narrative Topics include World War II The Anschluss or Nazi takeover of Austria Relations between Jews and Gentiles A child s view of the Holocaust Salzburg the City of Mozart Hitler s Eagle s Nest retreat Historic castles and cathedrals The importance of women s education International travel adventures An encounter with Manhattan Freemasons Motherhood and family An abusive marriage The Cuban Missile Crisis The Assassination of JFK The Apollo Moon Landing The Vietnam War Two major California earthquakes The fall of the Berlin Wall The Ronald Reagan Presidential Library and much more Compelling and educational this eye opening book is a must read for all ages **The Life of His Holiness Pope Leo XIII ...** Richard Henry Clarke,1903 **Rick Steves' Italy** Rick Steves,2000 **The End and the Beginning** George Weigel,2011-11-01 As March gave way to April in the spring of 2005 and the world kept vigil outside the apostolic palace in Rome the pontificate of Pope John Paul II then drawing to a poignant end was already being described as one of the most consequential in two millennia of Christian history With these words world renowned author and NBC Vatican analyst George Weigel begins his long awaited sequel to the international bestseller Witness to Hope The Biography of Pope John Paul II More than ten years in the making The End and the Beginning Pope John Paul II The Victory of Freedom the Last Years the Legacy tells the dramatic story of the Pope s battle with communism in light of new and recently disclosed information and brings to a close Weigel s landmark portrait of a man who not only left an indelible mark on the Catholic Church but also changed the course of world history When he was elected pope in the fall of 1978 few people had ever heard of the charismatic Karol Wojtya a But in a very short time he would ignite a revolution of conscience in his native Poland that would ultimately lead to the collapse of European communism and death of the Soviet Union What even fewer people knew was that the KGB the Polish Secret Police and the East German Stasi had been waging a dangerous decades long war against Wojtya and the Vatican itself Weigel with unprecedented access to many Soviet era documents chronicles John Paul s struggle against the dark forces of communism Moreover Weigel recounts the tumultuous last years of John Paul s life as he dealt with a crippling illness as well as the new world disorder and revelations about corruption within the Catholic Church Weigel s thought provoking biography of John Paul II concludes with a probing and passionate assessment of a man who lived his life as a witness to hope in service to the Christian ideals he embraced

The Italian Yearbook of International Law 1999 Benedetto Conforti,Luigi Ferrari Bravo,Giorgio Sacerdoti,Francesco

Francioni, Natalino Ronzitti, 2000-10-01 In a world where diversity and pluralism are indispensable values for the balanced progress of international law knowledge of the contribution that each State makes to the formation and development of international norms is increasingly important for both scholars and practitioners The Italian Yearbook of International Law aims at making accessible to the English speaking public the Italian contribution to the practice and literature of international law The Yearbook is organised into three main sections The first contains doctrinal contributions featuring articles on the European human rights system and its relation to customary international law on international control of bribery and mergers and on the problem of accountability for gross violations of human rights The second section covers the Italian practice in the areas of 1 judicial decisions including the important decisions in the Ocalan and Cermis cases 2 diplomatic and parliamentary practice 3 treaty practice and 4 national legislation Relevant materials are presented by way of introductory notes and concise legal analysis The third part of the volume contains a systematic bibliographical index of Italian literature in the field of international law The volume ends with an analytical index for ready consultation

Life of Leo XIII from an Authentic Memoir Furnished by His Order Bernard O'Reilly, 1903

Outcome-Based Performance Management in the Public Sector Elio Borgonovi, Eugenio Anessi-Pessina, Carmine Bianchi, 2017-07-17 This book highlights the use of an outcome oriented view of performance to frame and assess the desirability of the effects produced by adopted policies so to allow governments not only to consider effects in the short but also the long run Furthermore it does not only focus on policy from the perspective of a single unit or institution but also under an inter institutional viewpoint This book features theoretical and empirical research on how public organizations have evolved their performance management systems toward outcome measures that may allow one to better deal with wicked problems Today wicked problems characterize most of governmental planning involving social issues These are complex policy problems underlying high risk and uncertainty and a high interdependency among variables affecting them Such problems cannot be clustered within the boundaries of a single organization or referred to specific administrative levels or ministries They are characterized by dynamic complexity involving multi level multi actor and multi sectoral challenges In the last decade a number of countries have started to develop new approaches that may enable to improve cohesion to effectively deal with wicked problems The chapters in this book showcase these approaches which encourage the adoption of more flexible and pervasive governmental systems to overcome such complex problems Outcome Based Performance Management in the Public Sector is divided into five parts Part 1 aims at shedding light on problems and issues implied in the design and implementation of outcome based performance management systems in the public sector Then Part 2 illustrates the experiences problems and evolving trends in three different countries Scotland USA and Italy towards the adoption of outcome based performance management systems in the public sector Such analyses are conducted at both the national and local government levels The third part of the book frames how outcome based performance management can enhance public governance and inter institutional

coordination Part 4 deals with the illustration of challenges and results from different public sector domains Finally the book concludes in Part 5 as it examines innovative methods and tools that may support decision makers in dealing with the challenges of outcome based performance management in the public sector Though the book is specifically focused on a research target it will also be useful to practitioners and master students in public administration

Pope Francis and Mercy Gill K. Goulding, CJ, 2023-09-15 This theological study examines how Pope Francis lives out mercy in his own Petrine ministry and calls for it to be lived out by the people of God The centerpiece of Pope Francis's pontificate from the very first days has been his proclamation of the importance of the mercy of God While facing global problems of climate change terror political destabilization refugees and dire poverty the Holy Father has articulated the mission of the Church through mercy love and forgiveness to reveal the compassion of God for all and particularly for those most vulnerable existing on the margins of society In this compelling study Gill Goulding CJ examines for the first time the critical and determinative role of mercy in Francis's papacy using his homilies allocutions encyclicals and addresses as primary sources Goulding traces the theme of mercy in Francis's thought attending to its Ignatian foundations and its Christological Trinitarian and ecclesiological significance for the Church today particularly the impact of his reappropriation and elevation of the discourse of mercy on the work of the Curia in Rome Goulding enters into dialogue with other theologians including Romano Guardini Walter Kasper and Hans Urs von Balthasar to demonstrate a continuity between Francis and his predecessors especially Benedict XVI in this area of mercy In addition Goulding argues that the influence of St Ignatius Loyola in particular his Spiritual Exercises needs to be taken into account paying special attention to Francis's call for the practice of discernment Throughout *Pope Francis and Mercy* Goulding lays the groundwork for future research and suggests a wider appreciation of the necessary tools to enable an engagement with mercy in our contemporary world
