Pilgrimage and Tourism to Holy Cities Maria Leppakari, Kevin A Griffin, 2016-11-30 This book covers the ideological motives and religious perceptions behind travel to sites prescribed with sanctity in Judaism Christianity and Islam It covers sites that have drawn pilgrims and religious tourists to them for hundreds of years and seeks to provide an understanding of the complex world of religiously motivated travel Beginning with contemporary perspectives of pilgrimage across these religions it then discusses management aspects such as logistics infrastructure malevolent behaviour and evangelical volunteers Written by subject experts this book addresses cultural sustainability for researchers and practitioners within religious tourism religious studies geography and anthropology

Holy Places in the Israeli-Palestinian Conflict Marshall J. Breger, Yitzhak Reiter, Leonard Hammer, 2009-12-16 This book addresses the major generators of conflict and toleration at shared holy places in Palestine and Israel Examining the religious political and legal issues the authors show how the holy sites have been a focus of both conflict and cooperation between different communities Bringing together the views of a diverse group of experts on the region Holy Places in the Israeli Palestinian Conflict provides a new and multifaceted approach to holy places giving an in depth analysis of relevant issues Themes covered include legal regulation of holy places nationalization and reproduction of holy space sharing and contesting holy places identity politics and popular legends of holy sites Chapters cover in detail how recognition and authorization of a new site come about the influence of religious belief versus political ideology on the designation of holy places the centrality of such areas to the surrounding political developments and how historical background and culture affect the perception of a holy site and relations between conflicting groups This new approach to the study of holy places and the Israeli Palestinian conflict has great significance for a variety of disciplines and will be of great interest in the fields of law politics religious studies anthropology and sociology

The Holy City: Jerusalem S. Russell Forbes, 1892

The City, Second Edition James A. Clapp, 2014-02-10 The City is the best funniest saddest and most thought provoking compilation ever assembled on the urban scene James A Clapp has arranged more than three thousand quotations epigrams epithets verses proverbs scriptural references witticisms lyrics literary references and historical observations on urban life from antiquity until the present These quotes are drawn from the written and spoken words of more than one thousand writers throughout history This volume with contributions from speakers poets song writers politicians philosophers scientists religious leaders historians social scientists humorists architects journalists and travelers from and to many lands is designed to be used by writers speechmakers students and scholars on cities and urban life Clapp s text is striking for its sharp contrasts of urban and rural life and the urbanization process in different historical times and geographical areas This second edition includes four hundred new entries updated birth dates and occupations of quoted authors and an expanded and updated introduction and preface Clapp also added new

introduction pages for each section containing pictures and unique quotations The indexes have also been expanded to include more subjects and cities The scope of this book is international including entries on most major and many minor cities of the world It is noteworthy for its pleasures and as well as its insights *Rome* Rose Marie San Juan,2001 Focusing on images and descriptions of movement and spectacle everyday street activities congregations in market piazzas life in the Jewish ghetto and the plague hospital papal and other ceremonial processions public punishment and pilgrimage routes Rose Marie San Juan uncovers the social tensions and conflicts within seventeenth century Roman society that are both concealed within and prompted by mass produced representations of the city These depictions of Rome guidebooks street posters broadsheets and brochures topographic and thematic maps city views and collectible images of landmarks and other famous sights redefined the ways in which public space was experienced controlled and utilized encouraging tourists pilgrims and penitents while constraining the activities and movements of women merchants dissidents and Jews BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Rome's Holy Mountain* Jason Moralee,2018 Rome's Holy Mountain is the first book to chart the history of the Capitoline Hill in Late Antiquity from the third to the seventh centuries CE It investigates both the lived in and dreamed of realities of the hill in an era of fundamental political religious and social change ***Rome in the East*** Warwick Ball,2016-06-10 This new edition of *Rome in the East* expands on the seminal work of the first edition and examines the lasting impact of the near Eastern influence on Rome on our understanding of the development of European culture Warwick Ball explores modern issues as well as ancient and overturns conventional ideas about the spread of European culture to the East This volume includes analysis of Roman archaeological and architectural remains in the East as well as links to the Roman Empire as far afield as Iran Central Asia India and China The Near Eastern client kingdoms under Roman rule are examined in turn and each are shown to have affected Roman and ultimately European history in different but very fundamental ways The highly visible presence of Rome in the East mainly the architectural remains some among the greatest monumental buildings in the Roman world are examined from a Near Eastern perspective and demonstrated to be as much if not more a product of the Near East than of Rome Warwick Ball presents the story of Rome in the light of Rome's fascination with the Near East generating new insights into the nature and character of Roman civilisation and European identity from Rome to the present Near Eastern influence can be seen to have transformed Roman Europe with perhaps the most significant change being the spread of Christianity This new edition is updated with the latest research and findings from a range of sources including field work in the region and new studies and views that have emerged since the first edition Over 200 images most of them taken by the author demonstrate the grandeur of Rome in the East This volume is an invaluable resource to students of the history of Rome and Europe as well as those studying the Ancient Near East *Sacred Space: Shrine, City, Land* Benjamin Z. geography anthropology sociology of tourism and religious geography the book illuminates the role of pilgrimage in fostering community identity and preserving historical continuity By comparing sacred sites and practices across diverse cultural contexts it provides readers with a deeper understanding of their universal and localized meanings This work also offers a comprehensive historical perspective tracing the evolution of sacred landscapes over time and across regions Accessible and thought provoking it invites readers from various disciplines to engage with the cultural social and spiritual dimensions of these powerful spaces

Catholic Spectacle and Rome's Jews Emily Michelson, 2024-02-27 A new investigation that shows how conversionary preaching to Jews was essential to the early modern Catholic Church and the Roman religious landscape Starting in the sixteenth century Jews in Rome were forced every Saturday to attend a hostile sermon aimed at their conversion Harshly policed they were made to march en masse toward the sermon and sit through it all the while scrutinized by local Christians foreign visitors and potential converts In *Catholic Spectacle and Rome's Jews* Emily Michelson demonstrates how this display was vital to the development of early modern Catholicism Drawing from a trove of overlooked manuscripts Michelson reconstructs the dynamics of weekly forced preaching in Rome As the Catholic Church began to embark on worldwide missions sermons to Jews offered a unique opportunity to define and defend its new triumphalist global outlook They became a point of prestige in Rome The city's most important organizations invested in maintaining these spectacles and foreign tourists eagerly attended them The title of Preacher to the Jews could make a man's career The presence of Christian spectators Roman and foreign was integral to these sermons and preachers played to the gallery Conversionary sermons also provided an intellectual veneer to mask ongoing anti Jewish aggressions In response Jews mounted a campaign of resistance using any means available Examining the history and content of sermons to Jews over two and a half centuries *Catholic Spectacle and Rome's Jews* argues that conversionary preaching to Jews played a fundamental role in forming early modern Catholic identity

The Charisma of Distant Places Courtney Luckhardt, 2019-07-15 This cultural history of early medieval travel and religion reveals how movement affected society demonstrating the connectedness of people and regions between 500 and 850 CE In *The Charisma of Distant Places* Courtney Luckhardt enriches our understanding of migration through her examination of religious movement Vertical links to God and horizontal links to distant regions identified religious travelers both men and women as holy connected to the human and the divine across physical and spiritual distances Using textual sources material culture and place studies this project is among the first to contextualize the geographic and temporal movement of early medieval people to reveal the diversity of religious travel from the voluntary journeys of pilgrims to the forced travel of Christian slaves Luckhardt offers new ways of understanding ideas about power holiness identity and mobility during the transformation of the Roman world in the global Middle Ages By focusing on the religious dimensions of early medieval people and the regions they visited this book addresses probing questions including how and why medieval people communicated and connected with one another across boundaries both
