*Towards a Hybrid, Flexible and Socially Engaged Higher Education* Michael E. Auer, Uriel R. Cukierman, Eduardo Vendrell Vidal, Edmundo Tovar Caro, 2024-02-25 We are currently witnessing a significant transformation in the development of education on all levels and especially in post secondary education To face these challenges higher education must find innovative and effective ways to respond in a proper way The pandemic period left us with profound changes in the way we teach and learn including the massive use of new means of communication such as

videoconferencing and other technological tools Moreover the current explosion of artificial intelligence tools mainly used by students is challenging teaching practices maintained for centuries Scientifically based statements as well as excellent best practice examples are absolutely necessary The 26th International Conference on Interactive Collaborative Learning ICL2023 which will take place in Madrid Spain between 26th and 30th September 2023 will be the perfect place where to present and discuss current trends in Higher Education Since its beginning in 1998 this conference is devoted to new approaches in learning with a focus on collaborative learning in Higher Education Nowadays the ICL conferences are a forum of the exchange of relevant trends and research results as well as the presentation of practical experiences in Learning and Engineering Pedagogy In this way we try to bridge the gap between pure scientific research and the everyday work of educators

Challenging Learning Through Feedback James Nottingham,Jill Nottingham,2017-01-20 Using feedback to enhance learning Feedback has the potential to dramatically improve student learning if done correctly In fact providing high quality feedback is one of the most critical roles of a teacher Challenging Learning Through Feedback provides educators with the tools they need to craft high quality feedback and avoid common mistakes Readers will learn How to know when feedback is and isn't working How to design feedback so that it answers three essential questions Practical strategies for crafting Learning Intentions and Success Criteria Strategies templates and rubrics for providing feedback How to teach students to give high quality feedback to themselves and others
