**The Hallucinogenic Rooster** David White, 2005-03-15 The Hallucinogenic Rooster is a moment captured in time a dreamlike and nightmarish expansion of one brief moment In a place called Fairy Tale Town some years ago I walked with a girl I was in love with among grimy fantasies a concrete Pirate ship a castle and drinking fountains in the form of hippos and tin soldiers Strange music came over loudspeakers Three of us we were baby sitting her sister s infant as a sort of makeshift family walked in this strange place I watched a rooster walk in and out of shadows and light I hallucinated that I was seeing its molecules and atoms coming apart and reassembling in bright colors I chose this event to represent the moment when we could have spoken to each other with our hearts but instead kept our silence This book is a sort of poetic expansion of that brief lonely and beautiful moment

*The Rooster* Sibel Roller, 2024-04-16 This is the story of a father as seen through the prism of a daughter s memories of him The personal story is offset against a greater political context and the destructive impact of nationalism on individuals and their families It is a tale of survival resilience and humanity The book covers the time that the father Dragan spent in a World War II concentration camp set up by the separatist Independent State of Croatia a Nazi supported puppet state run by Croatian ultra nationalists The camp and the atrocities perpetrated there are still highly contentious issues in contemporary Croatia Serbia and especially in Bosnia and Hercegovina The absence of reconciliation over the events in the camp was one

of the contributing factors in the disintegration of Yugoslavia in the 1990s the subsequent Balkan wars and the continued instability of the region today The memoir contains the manuscript left by Dragan in conversation with his daughter Sibel the author It is indeed a deeply personal learning experience about a part of her father that she never knew **Murder at the House of Rooster Happiness** David Casarett, 2024-09-24 A charming mystery featuring a nurse ethicist turned amateur sleuth investigating serial murders in a Thai hospital is a delight Vaseem Khan author of the Baby Ganesh Detective Agency series Meet Ladarat Patalung the first and only nurse detective in Thailand Two nights ago a young woman brought her husband into the emergency room of the Sriphat Hospital in Thailand where he passed away A guard thinks she remembers her coming in before but with a different husband one who also died Ladarat Patalung for one would have been happier without a serial murderer if there is one loose in her hospital Then again she never expected to be a detective in the first place And now Ladarat has no choice but to investigate The first novel in a captivating series by David Casarett M D A wonderful debut novel full of the sights sounds and senses of Thailand mixed in with one hell of a great plot and a heroine Ladarat Patalung who stays with you long after the book is closed Ian Hamilton author of the Ava Lee novel I love this book It s not only a killer mystery but it also introduces a uniquely appealing central character and gives us a warm and accurate look into the Thai heart Timothy Hallinan author of the Junior Bender mysteries and the Poke Rafferty Bangkok thrillers Appealing Kirkus Reviews A fun read The Berkshire Eagle **Idols in the East** Suzanne Conklin Akbari, 2012-04-05 Representations of Muslims have never been more common in the Western imagination than they are today Building on Orientalist stereotypes constructed over centuries the figure of the wily Arab has given rise at the dawn of the twenty first century to the Islamist terrorist In Idols in the East Suzanne Conklin Akbari explores the premodern background of some of the Orientalist types still pervasive in present day depictions of Muslims the irascible and irrational Arab the religiously deviant Islamist and about how these stereotypes developed over time Idols in the East contributes to the recent surge of interest in European encounters with Islam and the Orient in the premodern world Focusing on the medieval period Akbari examines a broad range of texts including encyclopedias maps medical and astronomical treatises chansons de geste romances and allegories to paint an unusually diverse portrait of medieval culture Among the texts she considers are The Book of John Mandeville The Song of Roland Parzival and Dante s Divine Comedy From them she reveals how medieval writers and readers understood and explained the differences they saw between themselves and the Muslim other Looking forward Akbari also comes to terms with how these medieval conceptions fit with modern discussions of Orientalism thus providing an important theoretical link to postcolonial and postimperial scholarship on later periods Far reaching in its implications and balanced in its judgments Idols in the East will be of great interest to not only scholars and students of the Middle Ages but also anyone interested in the roots of Orientalism and its tangled relationship to modern racism and anti-Semitism **What the Chicken Knows** Sy Montgomery, 2024-11-05 A charming and eye opening exploration of the special relationship between

*When The Rooster Crows* Vincent L. Perri,2023-07-15 This book closely examines our commonly held beliefs about human suffering and offers unique insights into God s role in why we suffer Dr Perri critically examines what it means to be human from a Judeo Christian perspective and extrapolates from the work of Carl Gustav Jung showing a deeply

complex development of human transcendence in human suffering On an interpersonal level Dr Perri elaborates on the work of Martin Buber and Emanuel Levinas and shows how our suffering can be shared and lessened by our unconditionality and presence for the other Scriptural passages are quoted from both the Hebrew and New Testament texts and are used to depict the suffering of humankind as seen in the face of Job It was this face according to Perri that Jesus saw in the faces of those He came to redeem and that ultimately brought Him to the crucifix of redemption Dr Perri challenges Sartre's position that our existence precedes our essence and draws on the work of Abraham Joshua Heschel and Christian theology in this regard He further elaborates a neurodevelopmental paradigm that creates essence as the basis of our freedom to choose This book can be read and studied by both professionals in the helping and healing professions and lay persons seeking to better understand our suffering and how to better help those who suffer Dr Perri offers specific ways in how to be present for those who suffer how to read and receive the hidden language of human suffering and how to use silence as a communication skill

*Chaucer and the Invention of Biblical Narrative* Chad Schrock, 2024-10-17 Demonstrating how Chaucer uses the Bible in *The Canterbury Tales* as an authoritative literary source and model for his own literary production this book explores

the ways in which the Bible was a key tool for Chaucer's self definition and innovation as an author Chad Schrock unravels Chaucer's Tales in the light of topics important to biblical reception in 14th century England authority textuality interpretation translation rephrasing and marginalia When the Canterbury Tales are summed up in this way they show the great extent to which Chaucer was drawing upon the Bible as a meta poetical resource for his own poetry its fictional tale tellers and characters its quotations allusions and images its plots its imaginative engagement with an audience of listeners and readers and its hidden intentions Schrock demonstrates that the Bible is a uniquely potent literary source for Chaucer because it combines infinite authority and plenitude with unprecedented freedom of interpretive invention As a world making text the Bible's authority includes the literary as subcategory but surpasses and contextualizes it which gives Chaucer's deferential biblical invention a different kind of freedom and safety Within Chaucer's tales a biblical image is often where a given narrative peaks and its plot comes clear but a biblical world also and without strain contains his biblical fictioneers and whatever they make from the Bible whether orthodoxy or heresy whether sin or worship *Meet the National Animals* Catherine Veitch, 2022-10-11 *Meet the National Animals* is a playful and humorous look at the animals all around the world who represent their country *The Rooster Mask* Henry Hart, 1998 **The Short Stories in Palestinian Children's Literature During the Twentieth Century** Dr. Rafi' Saed Mohammad Yehya, 2024-12-01 The study of children's stories in Palestine during the twentieth century will examine the history and development of this genre understand the main aspects and consider the historical and geographical characteristics The thesis combines the theoretical with the practical aspect It consists of an introduction four chapters a conclusion and an appendix The introduction explains the importance of the study its process and its procedural applications and objectives The first chapter deals with the processes of the Palestinian narrative and children's literature through a historical comparison that includes historical retracing the conditions of the historical and geographical stages and finally the general characteristics of the period **The Trident**, 1925 **Before the Rooster Crows** Kimani, Peter, 2007-06-06 This is the story of Muriuki a young man from a Kenyan village who leaves his home and back breaking job on a coffee plantation for the city to pursue wealth and happiness with his childhood sweetheart Mumbi But life is not straightforward for the young lovers who become steeped in the quagmire of Kenyan politics and are confronted with the sophistication of a new world its economic hardships and brutality and the racism and persistent inequities of the post colonial and global society Then Mumbi is murdered on account of her activism and race in lineage with so many of her country's historical and fictional female activists Muriuki avenges her death in a controversial act which reverberates historically and throughout the society in which he lives But then he experiences betrayal by his own people which changes him irrevocably
