Roots The Saga Of An American Family:

Roots Alex Haley, 2016-05-03 1 New York Times Bestseller and winner of the Pulitzer Prize reissued to coincide with History Channel's new event series

Roots Alex Haley, 2017 *Roots The Saga of an American Family* is a novel written by Alex Haley and first published in 1976. It tells the story of Kunta Kinte, an 18th-century African captured as an adolescent and sold into slavery in the United States, and later follows his life and the lives of his descendants in the United States down to Haley. The release of the novel combined with its hugely popular television adaptation *Roots* 1977 led to a cultural sensation in the United States and it is considered to be one of the most important U.S. works of the 20th century. The novel spent months on The New York Times Best Seller List, including 22 weeks in the top spot on that list. The last seven chapters of the novel were later adapted in the form of a second miniseries *Roots: The Next Generations* 1979. It stimulated interest in genealogy and appreciation for African American history.

Roots: The Enhanced Edition Alex Haley, 2011-02-07 First published forty years ago, *Roots* electrified the nation; it received a Pulitzer Prize and was a 1 New York Times bestseller for 22 weeks. In the four decades since then, the story of the young African slave Kunta Kinte and his descendants has lost none of its power to enthrall and provoke. *Roots: The Enhanced Edition* features rare interviews with author Alex Haley from the NBC News Archives that took place as the *Roots* phenomenon unfolded over 30 years ago. There are also photos, footage, and recordings from the Haley family, all of which provide a unique understanding of Alex Haley's journey researching and writing the book. In new video interviews, NBC's Tom Brokaw and David Wilson reflect on the story's lasting impact. *Roots* is a groundbreaking story of history and family that spanned continents and touched generations. One of the most important books and television series ever to appear, *Roots* galvanized the nation and created an extraordinary political, racial, social, and cultural dialogue that hadn't been seen since the publication of *Uncle Tom's Cabin*. The book sold over one million copies in the first year, and the miniseries was watched by an astonishing 130 million people. It also won both the Pulitzer Prize and the National Book Award. *Roots* opened up the minds of Americans of all colors and faiths to one of the darkest and most painful parts of America's past, and we continue to feel its reverberations today. *Roots: The Enhanced Edition* is truly definitive, adding unmatched sweep, context, and insight to this ever-relevant classic. The *Enhanced Edition* features: Full text of the book; Video introduction and interview with David Wilson; New video interview with Tom Brokaw; Footage of author Alex Haley provided by the NBC News Archives and the Haley family; including Today Show interviews with Tom Brokaw; *Roots*-related events in the 1970s; an extended interview about the book and more 45 minutes of video; Recordings of Alex Haley speaking about researching and writing the book; 30 minutes of audio; 10 rare photos from the Haley family; Essay by Alex Haley; Reading Group Guide; Introduction by Michael Eric Dyson; Extended biography of Haley.

Roots Alex Haley, 2016-05-03 A new eight-hour event series based on *Roots* will be simulcast on the History Channel Lifetime and A+E over four consecutive nights beginning Memorial Day, May 30, 2016. Early in the spring of 1750, in the village of Juffure, four days upriver from the coast of

Watching While Black Beretta E. Smith-Shomade, 2013-01-10 Television scholarship has substantially ignored programming aimed at Black audiences despite a few sweeping histories and critiques In this volume the first of its kind contributors examine the televisual diversity complexity and cultural imperatives manifest in programming directed at a Black and marginalized audience Watching While Black considers its subject from an entirely new angle in an attempt to understand the lives motivations distinctions kindred lines and individuality of various Black groups and suggest what television might be like if such diversity permeated beyond specialized enclaves It looks at the

macro structures of ownership producing casting and advertising that all inform production and then delves into television programming crafted to appeal to black audiences historic and contemporary domestic and worldwide Chapters rethink such historically significant programs as Roots and Black Journal such seemingly innocuous programs as Fat Albert and Bro Town and such contemporary and culturally complicated programs as Noah's Ark, Treme and The Boondocks The book makes a case for the centrality of these programs while always recognizing the racial dynamics that continue to shape Black representation on the small screen Painting a decidedly introspective portrait across forty years of Black television Watching While Black sheds much needed light on under examined demographics broadens common audience considerations and gives deference to the the preferences of audiences and producers of Black targeted programming

Adventures in Three Worlds Natesan Ramalingam Iyer, 2019-10-09 This book is a recollection of the events that happened in the author's life and the lessons he learned This memoir is an attempt to describe how his life began and nurtured Apart from his personal life it also covers significant instances from the upstream oil and gas industry His father taught him honesty in an era where the author realized with dismay that he can be honest but he can't make the world honest He is unable to erase this sickening feeling even today One day all of us will get separated from each other we will miss our conversations of everything and nothing and the dreams that we had Days will pass by months years until this contact becomes rare or when life comes to an end This is certain unlike birth which is an accident We are born without bringing anything and our first incident is tears We die without taking anything Absolutely nothing And the sad fact is that in the interval between birth and death we fight for what we did not bring and what we will not take What we are looking for in this interval is recognition popularity and self worth The book covers the three worlds of the author's life World 1 Borne with shackles and the struggles his family went through World 2 Sojourn with the offshore oil and gas industry World 3 Post turtle world and renaissance of his journey through the upstream Indian oil and gas industry Hopefully this memoir will remind readers that a good reputation is the most valuable asset to a family for this one has to toil hard with least expectations from the outside world
