**"Prophetic Secrets"** Sizwe Graced, 2018-08-18 Godloveskeepingsecrets Butdidyouknow

God loves revealing secrets too. To prove this, I will share a couple of scriptures with you that are clear and unambiguous. Look for nothing is hidden that will not become evident, nor anything secret that will not be known and come to light. Luke 8:17. These secret things belong to the Lord our God, but the things revealed belong to us and to our sons forever, that we may observe all the words of this law. Deuteronomy 29:29. Call to Me and I will answer you, and I will tell you great and mighty things which you do not know. Jeremiah 33:3. But there is nothing covered up that will not be revealed, and hidden that will not be known. Accordingly, whatever you have said in the dark will be heard in the light, and what you have whispered in the inner rooms will be proclaimed upon the house tops. Luke 12:2-3. It is He who reveals the profound and hidden things. He knows what is in the darkness, and the light dwells with Him. Daniel 2:22. It is the glory of God to conceal a matter, but the glory of kings is to search out a matter. Proverbs 25:2.

Are there powers behind the scenes that we should be aware of? Is there a world leader either in

charge now or soon to take charge of the entire world scene Are there now plans being laid for a one world government What is the New World Order It is the intention of the author to reveal just such a hidden agenda The exposure will be done using the secret clues of Bible prophecy These secrets are hidden to those who do not care to know and yet open to those who choose to investigate     **Secrets of Prophecy** Paul Kuhlmann, John I. Paton, 1959     **Secret's of the False Prophet's Fame, Fortune, and Success** T Moss, 2008-04     *The Revealer Of Secrets* Hank Kunneman, 2011-11-14 We live in an age when events and circumstances fill us with questions and apprehension What is going on Why are these things happening What is going to happen next Like the commercial about E F Hutton the world is longing to eavesdrop on secret conversations that might reveal answers to our tough questions In the Bible God always had a prophetic voice that carried His secrets to kings and leaders of nations In the same way today God desires for us to see and hear what heaven is up to concerning us here on earth This book gives important principles for receiving the secrets of the Lord whether they concern things such as terrorism violence and natural disasters or the daily occurrences of people in everyday life     *In Defense of Secrets* Anne Dufourmantelle, 2021-01-05 Finalist French American Foundation Translation Prize In an age that prizes political and personal transparency In Defense of Secrets champions the secret as what permits relation and ensures our humanity Psychoanalyst and philosopher Anne Dufourmantelle drowned in 2017 in an attempt to rescue two children caught in the ocean Her work lives on though in this provocative and necessary book Through etymologies and case studies personal history and incisive commentary on contemporary society In Defense of Secrets returns us to the fundamental psychic scene of the secret The secret for Dufourmantelle is not a code to be cracked or a firewall to be penetrated but a dynamic and powerful entity that permits relation and that ensures our humanity Tracking the secret through art and literature philosophy psychoanalysis and sociology from the Inquisition to the present Dufourmantelle's writing spirals around the question of the secret's value In our age when political and personal transparency seem to be prized above all lives posted on the Internet information leaked whistles blown taboos absent except with respect to the secret itself In Defense of Secrets champions what remains hidden private veiled hushed just out of sight The secret is on the side of nature not science organic growth not technology love's generosity not knowledge's grasp For Dufourmantelle the secret is a powerful and dynamic thing deadly if unheard or misused perhaps but equally the source of creativity and of ethics An ethics of the secret we can hear her say means listening hard and sensitively respecting the secret in its secret essence unafraid of it and open to what it has to say
