Walker, 2017-10-24 Using a sample collected from Ashley Madison this book is the result of a yearlong inquiry into women's extramarital experiences Ultimately these women reject the binary proposition of marriage that assumes that either we work on our marriages and remain monogamous within them or we break up the relationship and take up other relationships These women conceive of an alternate solution to a marriage that is not wholly working where their own needs are ignored unmet and not prioritized Thus the women in this study are engaging in secret defiance of the expectations of marriage and primary partnerships This book gives voice to women's experiences and perceptions regarding their participation in infidelity and glimpses into the interworkings of our most intimate relationships and the ways women negotiate marriages that fall short of their expectations      **Secrets of the Sexually Satisfied Woman** Jennifer Berman, Laura Berman, Alice Burdick Schweiger, 2005-04-13 The nation's leading experts on women's sexual health offer up the secrets to female sexual satisfaction using data culled from their groundbreaking new survey Not since The Hite Report twenty five years ago has female sexuality been so comprehensively addressed and analyzed In *Secrets of the Sexually Satisfied Woman* Drs Laura and Jennifer Berman topple common misconceptions and reshape conventional wisdom based on their revolutionary and highly anticipated National Women's Sexual Satisfaction Survey Extrapolating from the study results the Bermans address the psychological and medical factors that affect sexuality while providing expert accessible advice on how women can improve their sex lives and enhance sexual pleasure The Bermans are not afraid to take on topics that make most people blush and this book is sure to be an essential resource for women throughout the country      **Secrets to Tell, Secrets to Keep** Terry Hunt, ED.
