incredible power within Emelynn but what's the point of such abilities if you can't control them? Her emerging gift of flight for example nearly killed Emelynn when it sent her plummeting to the sidewalk in Sunset Park. Next time she might not be so lucky. But Emelynn is determined to master her abilities and returns to the seaside cottage where Jolene had once granted her this gift. There Dr Coulter guides Emelynn in uncovering a secret society of others just like her who inhabit a mysterious world within a world that challenges everything Emelynn thought she'd known. But the more she uncovers the murkier the truth becomes. Soon Emelynn is left questioning the motives of those she'd trusted the most and is forced to rely on her barely mastered powers in a desperate fight for survival.
