 writer on grammar and usage that this country has ever produced David Yerkes Columbia University The author of The
 Chicago Manual of Style s popular Grammar and Usage chapter Bryan A Garner is renowned for explaining the vagaries of
 English with absolute precision and utmost clarity With The Chicago Guide to Grammar Usage and Punctuation he has
 written the definitive guide for writers who want their prose to be both memorable and correct Garner describes standard
 literary English the forms that mark writers and speakers as educated users of the language He also offers historical context
 for understanding the development of these forms The section on grammar explains how the canonical parts of speech came
 to be identified while the section on syntax covers the nuances of sentence patterns as well as both traditional sentence
 diagramming and transformational grammar The usage section provides an unprecedented trove of empirical evidence in the
 form of Google Ngrams diagrams that illustrate the changing prevalence of specific terms over decades and even centuries of
 English literature Garner also treats punctuation and word formation and concludes the book with an exhaustive glossary of
 grammatical terms and a bibliography of suggested further reading and references The Chicago Guide to Grammar Usage
 and Punctuation is a magisterial work the culmination of Garner s lifelong study of the English language The result is a
 landmark resource that will offer clear guidelines to students writers and editors alike A manual for those of us laboring to
