LEACH, 2013-08-27 Many congregations and church leaders are faced with the collapse of the institutional church culture in America A great number of them have retreated inside their four walls and created church activities to replace their Christ given mission to make disciples and thereby

extending His kingdom on earth thy kingdom come Abandoning their mission means they have abandoned their real identity and reason for existence Others have gone to the other extreme by selling out to the culture Their worship service is a form of entertainment with the objective to feel good and be happy Both choices have turned off many saved people and they have left the church In 1998 a Barna poll reflected that 20 million born again Christians had withdrawn their membership Today's poll shows an increase to 115 000 million Many are out there striving to reboot the church's lost mission to make disciples and thy kingdom come God has not changed His mind *Osaka Sunset* Solomon Li,2020-03-31 For Thomas life just isn't as simple as it used to be His parents have suggested that he get married soon He would prefer to join a priesthood somewhere and focus on developing spirituality With his birthday fast approaching and accepting that it's time to come to terms with his repressed feelings he embarks on a personal pilgrimage to Japan A change of scenery is good for clearing the mind but Thomas is trying to make sense of his heart There's someone he has to see again if he truly wants to discover what's missing in his life especially when it comes to love *The Down Days* Ilze Hugo,2021-06-22 In the aftermath of a deadly outbreak bearing similarities to the Tanganyika Laughter Epidemic a city at the tip of Africa is losing its mind completely with hallucinations paranoia and good old fashioned ghost sightings Is it the result of secret government experiments an episode of mass hysteria the effects of trauma a sign of the end times In a quarantined city in which the inexplicable has already occurred rumors superstitions and conspiracy theories abound In these strange days Faith works as a full time corpse collector and a freelance truthologist putting together disparate pieces of information to solve others' problems But after Faith agrees to help an orphaned girl find the girl's abducted baby brother she begins to wonder whether the boy is even real Meanwhile Sans a ponyjacker in the human hair trade is so distracted by a glimpse of his dream woman that he lets a bag of money he owes his gang partners go missing leaving him desperately searching for both and soon questioning his own sanity Over the course of a single week the paths of Faith Sans and a cast of other hustlers including a data dealer a drug addict a sin eater and a hyena man will cross and intertwine as they move about the city looking for lost souls uncertain absolution and answers that may not exist Part ghost story part whodunit part palimpsest THE DOWN DAYS is a rollicking exploration of the mutability of memory the subjectivity of perception and the notion that truth is ultimately in the eye of the beholder

*Nanosecond* Douglas Greer,2022-06-10 *Nanosecond* captures what the so-called present moment now means amid environmental issues especially sound pollution small talk and language barrier This novel basically broaches the potential era when man-made time might have been wholeheartedly rejected That is to say *Nanosecond* neatly frowns upon the new and popular idea that every moment is worth it or vital Greer renders searching for an unpoetic untouched ground zero where human imagination can finally be taken seriously Just as every second matters every month year and ten years matter collectively or categorically Greer kindly discovers that the present moment is of course future material in terms of the past past material in terms of the future A simple play of words this book somewhat mends the fringes of faith and culture A sure

voice for environmental reform Greer does offer space for elementary self reflection amid the formal informalities we put up with daily The finishing quote from the Bible s book of Revelation seems to be the final pitch for legitimate mysticism newfound eye communication authentic beginning end etc      **The Best Little Doctor** Li ChenAi,2020-05-30 Chen Mo who was the eldest senior brother of the Mysterious Doctor Sect was kicked down the mountain by his wretched master He originally thought that he could only set up stalls in the city to treat her illness but because of fate he saved the life of the missy and became her personal doctor From then on the village met with the water dragon in the city mixed with the wind and water      *The Corporate Chameleon* Jim A.
